## THE NATIONAL COMMISSION FOR INDIAN SYSTEM OF MEDICINE

### NOTIFICATION

New Delhi, the 28th December, 2023

**File No. 18-12/2022-BUSS (Sowa-Rigpa-UG-MES).**—In exercise of the powers conferred by clauses (d), (e), (s), (t), (u), (w), (x), (y), (z), (za), (zb) and (zc) of sub-section (2) and sub-section (1) of section 55 of the National Commission for Indian System of Medicine Act, 2020 (14 of 2020), and in supersession of the Indian Medicine Central Council (Requirements of Minimum Standards for Under-graduate Sowa-Rigpa Colleges and Attached Hospitals) Regulations, 2017 and the Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College Regulations, 2019, except as respects things done or omitted to be done before such supersession, the National Commission for Indian System of Medicine hereby makes the following regulations, namely:-

### CHAPTER-I

#### PRELIMINARY

**1. Short title and commencement.**- (1) These regulations may be called the National Commission for Indian System of Medicine (Minimum Essential Standards, Assessment and Rating for Undergraduate Sowa-Rigpa Colleges and Attached Teaching Hospitals) Regulations, 2023.

(2) They shall come into force on the date of their publication in the Official Gazette.

**2. Definition.**- (1) In these regulations, unless the context otherwise requires,-

- (a) “Act” means the National Commission for Indian System of Medicine Act, 2020 (14 of 2020);
- (b) “annexure” means an annexure appended to these regulations;
- (c) “appendix” means an appendix appended to these regulations;
- (d) “applicant” means an authority representing a society, trust, University, or any other body, but does not include the Central Government;
- (e) “assessment” of a college or institution means the act of verifying the availability of minimum essential standards as specified in these regulations in terms of infrastructure, human resources, and functionality of an institution and its attached teaching hospital;
- (f) “attached teaching hospital” means the teaching hospital attached to the Sowa-Rigpa medical college or institution that offers standard healthcare services to the public and teaching or training to the students of the Sowa-Rigpa system of medicine;
- (g) “educational ecosystem” means an ecosystem where, among all the stakeholders of the medical college or institution, all the departments and other units of the college or institution function in coordination and collaboration with each other to provide comprehensive education to students in an appropriate academic environment;
- (h) “fully established institution” means an college or institution that has completed all phase-wise establishments under Section 29 of the Act, issued a letter of permission, received the first, second, and third renewals of permission, and is considered fully established under Section 28 of the Act in the successive years after the third renewal of permission;
- (i) “functionality of the hospital” means an attached teaching hospital fulfilling all the minimum essential standard requirements as specified by the National Commission for Indian System of Medicine that offers clinical training to medical students and provides medical services including consultation, diagnosis (clinical

and investigational), treatment (medical, surgical, and procedural), preventive health care, medical advice, counselling, nursing care, medicine dispensing, public outreach activities with proper documentation, and maintaining a hospital management system; and shall be ready to treat or attend any type of patient at any point in time with its manpower and infrastructure;

(j) “functionality of the college or institution” means a Sowa-Rigpa college or institution fulfilling all the minimum essential standards as specified by the National Commission for Indian System of Medicine that offers teaching and training to students of Sowa-Rigpa as per the course curriculum and syllabus specified by the National Commission for Indian System of Medicine by establishing an education ecosystem;

(k) “institution under establishment” means the college or institution undergoing phase-wise establishments (first, second, third, and final phases of establishments) under Section 29 of the Act;

(l) “letter of intent” means preliminary approval along with conditions and timelines issued by the Medical Assessment and Rating Board for Indian System of Medicine to the applicant through the procedure mentioned in these regulations to establish a new Sowa-Rigpa college or institution or to increase seats or student intake capacity or admission capacity in existing courses or programmes or to start any new or postgraduate programme recognised by the National Commission for Indian System of Medicine;

(m) “letter of permission” means permission granted to the applicant by the Medical Assessment and Rating Board for Indian System of Medicine through the procedure mentioned in these regulations to establish a new Sowa-Rigpa college or institution or to increase seats or student intake capacity or admission capacity in existing courses or programmes or to start a postgraduate or new programme recognised by the National Commission for Indian System of Medicine and to admit the students as per the sanctioned student intake capacity sanctioned by the Medical Assessment and Rating Board for Indian System of Medicine;

(n) “minimum essential standards” means mandatory minimum requirements in terms of infrastructure, human resources, and functionality, as well as a level of quality or standard that is thought to be acceptable as a minimum and below the minimum, which is unacceptable;

(o) “person” means any society, trust, University, or any other body, but does not include the Central Government;

(p) “rating” of a college or institution means rating of a fully established existing recognised college or institution under Section 28 of the Act through a rating procedure carried out by the Medical Assessment and Rating Board for Indian System of Medicine based on criteria or standards over and above the minimum essential standards as laid down by the Board of Unani, Siddha and Sowa-Rigpa in these regulations;

(q) “renewal of permission” means renewed permission (i.e., first, second, and third renewal) granted by the Medical Assessment and Rating Board for Indian System of Medicine to a new college or institution under establishment (i.e., undergoing second, third, and fourth phase-wise establishments) through the procedures as mentioned in these regulations during successive academic years after the issuance of a letter of permission on fulfillment of minimum essential standards as mentioned in phase-wise establishments, for admitting students as per the sanctioned student intake capacity for that particular academic year;

(r) “sanctioned student intake capacity” means the number of seats sanctioned or permitted by the Medical Assessment and Rating Board for Indian System of Medicine to a recognised college or institution for admission of students in a specified academic course or programme for that particular academic year;

(2) Words and expressions used in these regulations and not defined herein but defined in the Act, shall have the respective meanings assigned to them in the Act.

## CHAPTER-II

### INSPECTION OR VISITATION AND ASSESSMENT OF FULLY ESTABLISHED EXISTING SOWA-RIGPA MEDICAL COLLEGES OR INSTITUTIONS UNDER SECTION 28 OF THE ACT

**3. Assessment of fully established existing colleges under section 28 of the Act.**— Assessment shall be the act of verifying the availability of the minimum essential standards of a college or institution in terms of infrastructure, human resources, and functionality as mentioned in these regulations through the assessment procedure determined by the Medical Assessment and Rating Board for Indian System of Medicine from time to time; it shall be for the grant or denial of permission for admission of students or to take such measures mentioned in clause (f) of sub-section (1) of section 28 of the Act.

(1) Fulfillment of minimum essential standards to grant permission.— (a) fully-established existing Sowa-Rigpa colleges or institutions and their attached hospitals under section 28 of the Act, shall fulfil all minimum essential

standards for infrastructure, teaching and training facilities, human resources and functionalities referred to in these regulations 4 to 6 and Schedule- I to XIII;

(b) each college or institution shall submit a compliance report on the fulfilment of the minimum essential standard requirements as mentioned in these regulations on or before 31<sup>st</sup> day of December of every year for consideration of the grant of permission for taking admissions in the upcoming or next academic year;

(c) the inspection or visitation proforma as prescribed by the Medical Assessment and Rating Board for Indian System of Medicine on the National Commission for Indian System of Medicine website for annual disclosure, shall be filled and submitted by the colleges or institutions online or offline within the period as specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time;

(d) the Medical Assessment and Rating Board for Indian System of Medicine shall determine the procedure for inspection or visitation, and assessment of college or institution in accordance with standards laid down by the Board of Unani, Siddha and Sowa- Rigpa in these regulations, and the Medical Assessment and Rating Board for Indian System of Medicine shall carry out *suo-moto* inspection or visitation of existing colleges or institutions every year in between the 1<sup>st</sup> January to 30<sup>th</sup> of June to assess the fulfilment of minimum essential standards in terms of infrastructure, facilities, human resources, and functionality as per these regulations;

(e) inspection or visitation shall be conducted on physical or virtual or hybrid mode as decided by the Medical Assessment and Rating Board for Indian System of Medicine;

(f) during inspection or visitation, the visitors shall verify the data submitted by the college or institution through the visitation proforma online or offline as specified by the Medical Assessment and Rating Board for Indian System of Medicine and submit the visitors report with the duly filled visitors proforma, documents provided by the college or institution, and observations made by the visitors to the Medical Assessment and Rating Board for Indian System of Medicine online or offline as specified by the Medical Assessment and Rating Board for Indian System of Medicine along with the videography and photography of staff (teaching staff, non-teaching staff, and hospital staff) and infrastructure taken during the inspection or visitation and submitted by the college or institution to the visitors;

(g) after submission by the visitors, the Medical Assessment and Rating Board for Indian System of Medicine shall verify the data and documents submitted by the college and visitors;

(h) after verification,-

(i) the Medical Assessment and Rating Board for Indian System of Medicine shall decide to grant the permission for admitting students for the upcoming or next academic session or not;

(ii) if it is found that the college or institution has not fulfilled or failed to maintain the minimum essential standards as specified by the Board of Unani, Siddha and Sowa-Rigpa in these regulations, the Medical Assessment and Rating Board for Indian System of Medicine shall deny the permission for admitting students for the coming or upcoming or next academic session or shall take such measures, including issuing warning, imposition of monetary penalty, reducing intake, or stoppage of admission and recommending to the commission for withdrawal of recognition under clause (f) of sub-section (1) of section 28 of the Act;

(iii) such decision of the Medical Assessment and Rating Board for Indian System of Medicine (i.e., grant of permission or denial of permission or measures such as penalty etc.,) shall be communicated to the college or institution by the Medical Assessment and Rating Board for Indian System of Medicine on or before 30<sup>th</sup> June of each academic year;

(i) (i) in case of denial of permission by the Medical Assessment and Rating Board for Indian System of Medicine, the aggrieved college or institution may prefer an appeal to the National Commission for Indian System of Medicine within a period of thirty days of communication of such decision by the Medical Assessment and Rating Board for Indian System of Medicine (as per the sub-section (3) of section 24 of the Act) through online or offline as decided by the Commission; Appeal is made by the aggrieved college or institution after the stipulated period of thirty days from the date of such communication as mentioned above, such appeal by the college or institution shall not be considered by the Commission;

(ii) upon receipt of an appeal, the Commission shall examine the appeal and the aggrieved applicant shall be given a reasonable opportunity for hearing;

(iii) if the Commission finds that the college or institution has fulfilled all minimum essential standard requirements as per these regulations, the Commission may direct the Medical Assessment and Rating Board for Indian System of Medicine to consider the application;

(iv) if the college or institution has not fulfilled the minimum essential standards as per these regulations, the commission shall deny the permission and communicate the same to the college or institution within a period of fifteen days of receipt of the appeal;

(v) in case of disapproval by the Commission, the aggrieved college or institution may prefer an appeal to the Ministry of Ayush, Government of India within a period of fifteen days of the communication of such decision as per sub-section (6) of section 9 of the Act or the lapse period of fifteen days from the date of an appeal to the Commission as mentioned in sub-clause (i) [i.e. no order has been passed by the commission within fifteen days from the date of preferring an appeal by the college or institution to the Commission];

(vi) in case of denial of permission, the college or institution shall not be eligible to admit students for the coming or upcoming or next academic session and shall not be entitled for rating;

(j) on receipt of any complaint or the Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine is cognizant of any irregularity or malpractice or inadequacy in the fulfilment of stipulated minimum essential standard requirements as specified in these regulations, the Medical Assessment and Rating Board for Indian System of Medicine may conduct re-inspection or re-visitation of that particular institution and for such irregularities, the college or institution shall be liable for actions under clause (f) of sub-section (1) of section 28 of the Act;

(k) the Medical Assessment and Rating Board for Indian System of Medicine shall verify that the teaching faculty present in the college is not working at any other place or institution. Teachers who are physically absent but present only "on paper" shall not be allowed by the Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine, and if the institution does so, a monetary penalty shall be imposed on the concerned college or institution as well as the concerned teacher under clause (f) of sub-section (1) of section 28 of the Act;

(l) as per the provision under clause (e) of sub-section (1) of section 28 of the Act, the medical Assessment and Rating Board for Indian System of Medicine shall make assessment status of Sowa-Rigpa medical colleges or institutions available on the National Commission for Indian System of Medicine website or public domain sixty days before Sowa-Rigpa central counselling conducted by the Commission for admissions every year;

(m) the annual visitation fee shall be paid as given below by way of a Demand Draft or Online Payment (National Electronic Funds Transfer or Real Time Gross Settlement) as specified by the Medical Assessment and Rating Board for Indian System of Medicine in favour of 'the National Commission Fund for Indian System of Medicine' New Delhi along with all applicable taxes;

(i) Visitation fee: Rupees one lakh (per visitation);

(ii) Digitisation fee: Rupees thirty thousand (per visitation).

(2) Requirements of minimum essential standards to grant conditional permission.- The conditional permission of one year for a particular academic session shall be granted only to those fully established colleges or institutions under section 28, which are fulfilling the following requirements on the basis of inspection or visitation made by the Medical Assessment and Rating Board for Indian System of Medicine between the 1<sup>st</sup> January to 30<sup>th</sup> June every year to admit the students for the coming or upcoming or next academic session,-

(a) the requirement of hospital staff as specified in Schedule-IV;

(b) the requirement of teachers as specified in Schedule-V;

(c) the requirement of non-teaching staff as specified in Schedule-VI;

(d) the requirement of teaching hospital as specified under sub-regulation (4) of regulations 4 and sub-regulation (1) and (2) of regulation 6;

(e) availability of a minimum of seventy-five per cent. of required equipment as specified in Schedule-VII to Schedule-XIII;

(f) availability of college website as specified in sub-regulation (4) of regulation 6;

(g) availability of biometric attendance system as specified in sub regulation (5) of regulation 6;

(h) availability of herbal garden as specified in the Schedule -III;

(i) availability of college council as specified in the sub-regulation (3) of regulation 6;

(j) availability of minimum total constructed area of the college and hospital as specified in sub-regulation (2) of regulation 4.

## CHAPTER-III

**MINIMUM ESSENTIAL STANDARDS REQUIREMENTS FOR SOWA-RIGPA MEDICAL COLLEGE OR INSTITUTION AND ATTACHED TEACHING HOSPITAL**

**4. Infrastructure and Facilities.-** (1) Requirement of Land.- (a) the total built up area required for adequate infrastructure including medical college, attached teaching hospital and other infrastructure required under these regulations, is made available in a single piece of land, not less than one acre for hilly region and two acres for plain region, for student intake capacity up to fifteen seats. For student intake capacity from sixteen to thirty seats, the land shall not be less than one and half acres for hilly region and three acres for plain region and in not more than two plots at a distance not exceeding five kilometers, and the plot, if separated by a road or canal or rivulet but connected with bridge, shall be treated as one piece of land;

(b) the land shall be owned by the college or possessed on lease, in the name of the college or institution for a period not less than thirty years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory Administration and the renewal of permission shall, however, be required on expiry of lease;

(c) the requirement of the size and possession of the land is not applicable for the colleges or institutions established prior to the date of this notification, but at the end of the current lease period, such colleges shall either own the land or get it on lease for a period not less than thirty years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory Administration, or such colleges shall own the land on special permission by the respective State Government or Union territory Administration.

(2) Requirement of minimum constructed area.- (a) the college and attached teaching hospital shall have the constructed area of six hundred square meters each for students intake capacity up to fifteen seats;

(b) the college and attached hospital, which has students intake capacity of sixteen to thirty seats shall have the constructed area of one thousand square meters each;

(c) the college and hospital shall be constructed in separate buildings as per the details specified in Schedule-I and Schedule-II in these regulations and the requirement of separate college and hospital buildings shall be applicable only to the colleges established after the date of this notification;

(d) the total constructed area shall be based upon the permissible Floor Area Ratio or Floor Space Index allowed by the authority concerned or local laws or rules;

(e) for permission of the Medical Assessment and Rating Board for Indian System of Medicine, a certificate from the concerned authorities certifying or approving the constructed buildings having the required construction area as per Schedule-I and Schedule-II;

(f) the college shall maintain other infrastructural requirements such as canteen, outdoor and indoor games facility, civil and electrical services, security services, workshop, adequate parking space, waste management etc;

(g) the herbal garden shall have the minimum area as prescribed in Schedule-III of these regulations.

(3) Admission capacity.- The annual student intake capacity for an undergraduate Sowa-Rigpa course or programme shall be in the slabs of fifteen (up to fifteen) and thirty (sixteen to thirty) students. The colleges having student intake capacity of up to fifteen and sixteen to thirty seats shall comply the minimum essential standard requirements for up to fifteen and sixteen to thirty seats respectively, as specified in Schedule-I to Schedule-XIII in these regulations.

(4) Requirement of Teaching Hospital.- (a) the teaching hospital shall fulfil all the statutory requirements of the concerned State or Union territory Administration or local authority to establish and run the hospital and shall submit the updated certified copies of such permission or clearance to the Medical Assessment and Rating Board for Indian System of Medicine and “No objection Certificate” issued by the concerned State Government or Union territory Administration or concerned authority;

(b) requirement of beds.- the ratio of students with number of beds shall be 3:2 for undergraduate course, as given in the Table-1 and the distance between two beds in general ward shall not be less than one meter;

Table-1

**Minimum Essential Requirement of Beds in In-Patient Department**

| Student intake capacity per year<br>(1) | Minimum number of beds in In-Patient Department with respect to 3:2 student-bed ratio<br>(2) |
|-----------------------------------------|----------------------------------------------------------------------------------------------|
| up to fifteen students                  | ten beds                                                                                     |
| Sixteen to thirty students              | twenty beds                                                                                  |

(c) space requirement.-the hospital shall accommodate Out-Patient Departments and In-Patient Departments, hospital administration section, reception, patient's waiting area, dressing room, clinical laboratory, hospital pharmacy or dispensary or drug store, kitchen, service rooms, medical record-room, *dpyad sbyong* (external therapy and surgery) and minor operation theatre section, emergency room, store rooms, duty rooms for doctors, nurses and other staff required for a fully functional hospital and the specification of built up area in the attached hospital shall be as per Schedule-I in these regulations;

(d) Out-Patient Department.- the hospital shall have minimum four clinical departments, with minimum space as mentioned in the Schedule-I and instruments and equipment as per the Schedule-XII in these regulations, namely,-

- (i) *lus nad* (General Medicine);
- (ii) *dpyad sbyong* (External Therapy and Surgery);
- (iii) *byis nad dang mo nad* (Paediatrics and Gynaecology);
- (iv) *gdon nad dang dug nad* (Clinical Psychology and Toxicology);

(e) In-Patient Department.- (i) the In-Patient Department of the hospital shall have separate wards for male and female patients with minimum space as per Schedule-I and instruments and equipment as per the Schedule-XII in these regulations;

(ii) the Out-Patient Departments shall admit the patients in male and female In-Patient Department wards and the overall beds may be divided or allotted for the departments of *lus nad* (General Medicine), *dpyad sbyong* (External Therapy and Surgery), *byis nad dang mo nad* (Paediatrics and Gynaecology) and *gdon nad dang dug nad* (Clinical Psychology and Toxicology) in the ratio of 4:3:2:1 respectively;

(f) Clinical Laboratory.- (i) there shall be a clinical laboratory for Clinical Diagnosis and Investigations under *tha mal nad med dang brtag thabs* (Department of Disease Prevention and Sowa-Rigpa Pathology) in the hospital with adequate space, infrastructure and facilities as specified in Schedule-I and Schedule-XI in these regulations for carrying out the minimum basic routine, pathological, biochemical and hematological investigations and Sowa-Rigpa clinical diagnostic methods or tools for the patients referred from Out-Patient and In-Patient Departments of the hospital;

(ii) the Sowa-Rigpa teaching hospital may also recommend patients to the nearest recognised modern medicine hospital or authorized diagnostic laboratory for higher hematological, biochemical, pathological, sonographic and radiological or imaging investigations;

(g) External Therapy and Minor Operation Theatre Section.- teaching hospital shall have external therapy and minor operation theatre section under the Department of *dpyad sbyong* (External Therapy and Surgery) with minimum space as mentioned in Schedule-I and equipment and instruments as mentioned in Schedule-X in these regulations;

(h) Speciality Clinic.- Out-patient department(s) listed under clause (d), may establish speciality clinic(s) on the subject(s) or disease(s) confined to the department as needed, with all adequate infrastructure and facilities. The space for the establishment of speciality clinic is over and above the requirement of minimum total constructed area of the teaching hospital as mentioned in these regulations;

(i) Waste Management System.- each college or institution must have a policy on waste management including bio-medical waste and well-defined arrangement for segregation and disposal. Facilities for waste management shall be commensurate with the Central or State or Union Territory norms as applicable.

(5) Requirements of college.- (a) office support.- Principal or Dean or Director, and each department shall have independent computer and printer facility;

(b) space requirement.- the college shall accommodate administrative section, lecture halls or class rooms, seminar or conference or examination or multi-purpose hall, teaching departments and attached laboratory or museum as applicable, teaching pharmacy and quality testing laboratory, central library, canteen, and the specification of built-up area as specified in the Schedule-II and the facilities in the laboratory or museum as specified in the Schedules-VII, VIII, IX and Schedule-XIII of these regulations;

(c) requirement of equipment, instruments, machinery, and specimens in the college including teaching hospital.- to ensure proper provision of teaching and training materials to the students, the college shall possess minimum seventy five per cent. of required equipment or instrument or machinery in the teaching departments, teaching hospital, laboratories, dissection hall, library, pharmacy, museum and other units of college and hospital, as specified under Schedule-VII to Schedule- XIII;

(d) Clinical Skill Laboratory.- (i) the college or institution shall maintain a clinical skill laboratory for Sowa-Rigpa diagnosis and clinical application of Sowa-Rigpa medical astrology under the Department of *tha mal nad med dang brtag thabs* (Diseases Prevention and Sowa-Rigpa Pathology) with adequate seating arrangements and basic facilities including models for demonstration and to provide hands on training or learning experience to the students for promoting their clinical skills in the areas of Sowa-Rigpa diagnosis including pulse, urine, tongue, physical examination, and clinical application of Sowa-Rigpa basic principles and medical astrology, which are essential for diagnosis and assessment of prognosis;

(ii) the college or institution may provide the facilities like simulators or mannequins or virtual reality for teaching and training in the clinical skill laboratory so as to upscale clinical skills of the students. The clinical departments shall utilise this facility to train the students;

(e) Language Laboratory.- (i) the college shall establish a language laboratory with adequate facilities like computer with internet facility, audio-visual aids, recording facility under the Department of *lo rgyus dang lta grub* (History and Fundamental Principles of Sowa-Rigpa);

(ii) language skills include Listening, Speaking, Reading and Writing of the students shall be augmented in the language laboratory. The Language Laboratory shall transform a passive language class into an active speaking-based learning environment;

(iii) the Bhoti-language teacher and other teachers in this department shall spend substantial time with the students to upgrade or upscale their Bhoti language skills in communication, phonetics and articulation of Sowa-Rigpa medical terminologies. Text, images, audio, video, and voice recordings can be integrated for effective training;

(f) Research facility.- (i) the college has to establish research cell, constitute Institutional Ethics Committee, provide adequate support to innovation, incubation, research activities, publication and Intellectual Property Rights and develop institutional policy to support research activities;

(ii) the teaching departments have to guide and support the students to carry out subject-related minor research activities in the areas such as Sowa-Rigpa basic principles, drugs, diagnostic methods, diet, treatment, therapeutic procedures, Sowa-Rigpa medical astrology, clinical psychology, spiritual aspect of Sowa-Rigpa, technological innovations, teaching technologies of Sowa-Rigpa and publish research papers under the guidance of teaching faculty;

(g) Facility for Co-curricular and Extra-curricular activities.- adequate facilities shall be provided by the college or institution for conduction of co-curricular and extra-curricular activities such as physical education, recreation, National Service Scheme, adventure club, science club, arts club, sports club, Language (Bhoti) club, journal club etc;

(h) Information Technology support and Communication facilities.- (i) the college or institution shall provide internet connectivity with broadband not less than one hundred mbps to facilitate or support online teaching or learning including elective programme, learning management system (if any), video-conferencing, webinars, video recording of lectures or practical demonstration, faculty development and training programme, capacity building programme, hospital management system (if any);

(ii) there shall be adequate communication network between various sections of the college and attached teaching hospital for providing better services, coordination, and patient care;

(iii) information technology support shall be ensured in the maintenance of college website, biometric attendance, Closed-Circuit Television surveillance and to facilitate virtual or hybrid mode visitation or assessment process of the Medical Assessment and Rating Board for Indian System of Medicine;

(i) Medical Education Unit.- (i) medical education unit shall be established by the college or institution for conducting faculty development and training programme, quality improvement programme, orientation programme on teaching or training technologies, curriculum management training, continuing medical education programme etc;

(ii) the unit shall be provided with computer, laptop, internet or Wi-Fi connectivity, multi-media projector, audio-visual system, printer, copier, photograph, and video recording facility.

- (6) Timeline to complete the additional establishments by fully established existing colleges.- all fully established recognised existing colleges under section 28 shall establish or accommodate the following sections or units as shown in the Table-2 under the concerned teaching department or section with adequate space in the concerned area as specified in the Schedule-I and Schedule-II with all minimum essential standard requirements as specified in these regulations. The timeline to establish or accommodate such section or units from the date of notification of these regulations shall be as per the Table-2.

Table-2

**Timeline to Complete New Additional Minimum Essential Standard Requirements**

| Serial Number<br>(1) | Section or Unit to be established.<br>(2)                                                                                                                        | Department or Section.<br>(3)                                                                                                                                                                                                                             | Timeline to complete the establishment from the date of notification of these regulations.<br>(4) |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------|

| 8                    | Materia Medica Practical Laboratory and Museum as per the Schedule-IX and XIII respectively                                                                      | <i>sman rdzas dang sman sbyor</i> (Materia Medica, Pharmacology and Pharmaceutics)                                                                                                                                                                        | Twelve months                                                                                     |
| 9                    | Pathology Practical Laboratory as per Schedule-VIII                                                                                                              | <i>tha mal nad med dang brtag thabs</i> (Disease Prevention and Sowa-Rigpa Pathology)                                                                                                                                                                     | Twelve months                                                                                     |
| 10                   | Information Technology support and Communication facilities as per clause (h) sub-regulation (5) under regulation 4                                              | College and Hospital                                                                                                                                                                                                                                      | Immediately after notification                                                                    |

[Note: \*applicable for the students admitted from 2022-2023 session onwards; for previous batches-curriculum, syllabus for theory, practical, teaching departments etc., as per the Indian Medicine Central Council (Requirements of Minimum Standards for under-graduate Sowa-Rigpa Colleges and attached Hospitals) Regulations, 2017 and the Indian Medicine Central Council (Minimum Standards of under-graduate Sowa-Rigpa Medical Education) Regulations, 2017]

**5. Human Resources.-** (1) Hospital staff.- The minimum staff required for the attached teaching hospital shall be as specified in Schedule-IV of these regulations.

(2) Teaching staff.- The minimum teaching staff required for the college appointed on full-time and regular basis, shall be as specified in Schedule-V of these regulations.

(3) Non-teaching staff.- The minimum non-teaching staff (technical and other staff) required for the college or institution shall be as specified in Schedule-VI of these regulations.

(4) The head of the institution (Principal or Director or Dean) of each Sowa-Rigpa institution shall undergo the orientation programme or capacity building programme on “Educational Administration” conducted by the National Commission for Indian System of Medicine within the period specified by the Commission from time to time. It is a mandatory requirement for holding the post of the head of the institution. Failing which, he or she shall not be considered for the post of head of the institution by the Medical Assessment and Rating Board for Indian System of Medicine.

(5) Deputing teaching staff.- The head of the institution shall depute the teaching staff of their institution to perform their duties assigned by the commission or its autonomous boards and attend official meetings or training programmes or capacity building programmes conducted by the commission or its autonomous boards based on their appointment order. In such cases, on-duty leave shall be sanctioned for the duty days specified in the official communication of the Commission, along with the days of travel.

**6. Functionality of the College and Attached Teaching Hospital.-** (1) Bed occupancy and Out-Patient Department Attendance.- The ratio of students with number of beds shall be 3:2, In-Patient Department bed occupancy shall be minimum thirty per cent. and Out-Patient Department attendance shall be 1:2 for undergraduate course, as given in Table-3.

**Table-3**

**Minimum Bed occupancy in In-Patient Departments and Patient’s Attendance in Out-Patient Department**

| Student Intake Capacity per year<br><br>(1) | Number of beds (3:2 student-bed ratio)<br><br>(2) | Minimum per day average number of patients in In-Patient Department during last one calendar year (three hundred sixty-five days) (thirty per cent. bed occupancy)<br><br>(3) | Minimum per day average number of patients in Out-Patient Department during last one calendar year (three hundred days) (1:2 student-patient ratio)<br><br>(4) |
|---------------------------------------------|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Up to fifteen students                      | Ten                                               | Three                                                                                                                                                                         | Thirty                                                                                                                                                         |
| Sixteen to thirty students                  | Twenty                                            | Six                                                                                                                                                                           | Sixty                                                                                                                                                          |

To calculate the number of beds occupied, the college shall maintain the date and time of admission and discharge of each patient. The bed occupied by a patient at mid-night, shall be counted as one bed day occupied and if a patient is discharged before mid-night that shall be counted as 0.5 bed day occupied. To calculate bed occupancy following formula shall be applicable-

Number of bed days occupied X 100

-----  
Number of beds X Number of days

(2) Maintenance of record of Out-Patient Department and In-Patient Department.- The college and hospital shall maintain the computerised central and departmental registration system for maintaining the records of patients in Out-Patient Department and In-Patient Department; shall maintain the Out-Patient Department and In-Patient Department records or registers, case papers or sheets of Out-Patient Department and In-Patient Department patients, laboratory and radiological investigation registers, *dpyad shyong* (External Therapy and Surgery) and Minor operation theatre registers, medicines dispensing register, pharmacy stock registers, pharmacy indent or supply order register, diet register for In-Patient Department patients, duty roster of hospital staff, death certificates so as to substantiate fully functional Sowa-Rigpa hospital and shall be fulfilling the requirements as specified in sub-regulation (4) of regulation 4 and sub-regulation (1) of regulation 6.

(3) College Council.- (a) every Sowa-Rigpa medical college or institution shall have a college council comprising of Head of Departments and the Medical Superintendent or Deputy Medical Superintendent as members and Principal or Dean or Director as chairperson;

(b) the college council shall meet minimum four times in a year to express views on annual plan, budget, establishments, developments, maintenance of academic standards, curriculum and training programme, enforcement of discipline, other academic matters, co-curricular and extra-curricular activities; and

(c) the college council shall also organise inter-departmental meetings, grand rounds, statistical meetings and clinical meetings including periodical research review in the institution regularly.

(4) College Website.- Each and every college or institution shall have its own website wherein the following details updated in the first week of every month,-

- (a) details of Principal or Dean or Director and Medical Superintendent including their name, age, photograph, State or National registration number, qualification, date of joining, unique teacher's code residential address with mobile numbers and e-mail ID;
- (b) details of teaching staff along with their photograph, designation, teaching department, academic qualification, unique teacher's code, State or National registration number, date of birth, total teaching experience along with the name of previous institutions (if any), date of joining, permanent address, contact number and e-mail ID;
- (c) details of non-teaching staff of the college and hospital staff of the attached teaching hospital with their position, qualification, joining date and name of the department or unit or section;
- (d) details of the sanctioned student intake capacity of undergraduate programme;
- (e) list of students admitted, merit-wise, category-wise in the current and previous academic session or year;
- (f) any research publications by the staff or student during the last one year;
- (g) details of continuing medical education programmes, conferences, seminars, workshops etc. conducted by the college or institution;
- (h) details of award and achievement received by the students or faculty or institution;
- (i) details of the affiliated University and its vice-chancellor and registrar along with their contact details;
- (j) result of all the university examinations of last one year;
- (k) detailed status of recognition or permission (letter of permission and current permission status of the college or institution) for conducting undergraduate course and admitting students;
- (l) details of clinical material or facilities or specialities in the hospital;
- (m) the college website to be linked with the National Commission for Indian System of Medicine website, which shall be linked to the Ministry of AYUSH website;
- (n) the month-wise statement of attendance of teaching, non-teaching college staff, hospital staff, students, interns and patients in out-patient department and in-patient department; and
- (o) academic calendar for the current academic session.

(5) Biometric Attendance.- There shall be biometric attendance system for teaching staff, non-teaching college staff and hospital staff as specified by National Commission for Indian System of Medicine from time to time.

(6) Institutional Academic Committee.- (a) each college or institution shall have an institutional academic committee as per the university guidelines, and if such guidelines are not available, the college or institutions shall establish an institutional academic committee by comprising one higher faculty member or a faculty member from each department of the college, the medical superintendent or deputy medical superintendent of the hospital as members, and the head of the college or institution as the chairperson;

(b) the committee shall conduct meetings as and when necessary to plan or review the academic or clinical activities of the college, to ensure lecture and non-lecture classes, including practical and clinical training, are conducted as per the academic calendar, curriculum, and syllabus, and to ensure formative and summative assessments are conducted as per the timetable or academic or examination calendar;

(c) the committee shall conduct academic audits and reports and monitor all co-curricular and extra-curricular activities of the college.

(7) Student Support and Guidance Cell.- Each college or institution shall have a student support and guidance cell that is intended to support and encourage students in their academic, social, emotional, and personal development. The following services come under the purview of the student support and guidance cell,-

(a) to provide individualised counselling for the holistic development of a student by addressing academic, scholastic, psycho-social, physical, and reproductive health issues on a need-basis;

(b) distinctive care shall be given to new batch students to become confident and competent professionals and also to overcome academic learning-related difficulties that they face in the initial phase of their undergraduate programme;

(c) the college shall constitute the Student Support and Guidance Cell as per the guidelines of the affiliated university, and where such guidelines are not available, the college or institution shall constitute it as per the following guidelines and shall make relevant guidelines for its functioning:

- (i) convener (a senior faculty member);
- (ii) all teaching faculty of the first professional course or programme;
- (iii) each faculty member from the second and third professional courses or programmes; and
- (iv) two student representatives from each batch (one male and one female);

(d) the student support and guidance cell shall deal with genuine grievances of the students in respect of the policy defined by the college or institution; the student support and guidance cell shall investigate the reason for such grievances and find an effective solution depending upon the merit of the grievances;

(e) the student support and guidance cell will identify opportunities for higher education and support placements;

(f) the student support and guidance cell orient the students in preparation for various competitive examinations and face-to-face interviews.

(8) Student Council.- (a) student council is the representative body of the entire student community of the college or institution;

(b) student council shall be a group of ambitious, hardworking, and dedicated student leaders working together with a faculty advisor to provide a means for expression and assistance in college affairs, conduct various programme or institutional fest or activities, medical camps, Sowa-Rigpa promotional activities and encourage student-faculty-community relations;

(c) the faculty advisor for student council may be a senior faculty nominated by the head of the institution;

(d) the composition of student council to be as under:-

- (i) president;
- (ii) secretary; and
- (iii) members (one representative from each batch);

(e) the executive members of the student council shall be elected or selected or nominated by students for a tenure of one year or as per the existing policies of the respective college or institution.

#### CHAPTER-IV

#### MINIMUM ESSENTIAL STANDARD REQUIREMENTS TO ESTABLISH A NEW SOWA-RIGPA UNDERGRADUATE MEDICAL COLLEGE OR INSTITUTION OR

#### TO INCREASE THE NUMBER OF SEATS IN AN EXISTING UNDERGRADUATE PROGRAMME OR COURSE UNDER SECTION 29 OF THE ACT

7. (1) No person shall establish a new Sowa-Rigpa medical college or increase the number of seats or student intake capacity or admission capacity in an existing undergraduate programme or course without the prior permission of the Medical Assessment and Rating Board for Indian System of Medicine under section 29 of the Act.

(2) Any person (society or trust or University or any other body but does not include Central Government) is intending to establish a new Sowa-Rigpa medical college or institution or to increase the number of seats, student intake capacity or admission capacity in any existing course recognised by the National Commission for Indian System of Medicine shall follow the criteria and procedure as mentioned in regulations 8 to 13 and shall submit a scheme or application in such form specified in regulation 8 and Annexures-I and II, containing such particulars accompanied by specified application fee and in such manner as specified in these regulations to the Medical Assessment and Rating Board for Indian System of Medicine.

**8. Application Form of Scheme.-** (1) Any person (applicant) intending to establish a new Sowa-Rigpa medical college or institution shall submit the application or scheme or proposal through online or offline in Form-1 (Annexure-I) as amended from time to time, in such manner along with required documents or particulars or enclosures, and non-refundable application fee as mentioned in these regulations.

(2) Any Sowa-Rigpa medical college or institution intending to increase the number of seats or student intake capacity or admission capacity in any existing course recognised by the National Commission for Indian System of Medicine shall submit the application through online or offline in Form-2 (Annexure-II) as amended from time to

time, in such manner along with required documents or particulars or enclosures and non-refundable application fee as mentioned in these regulations.

(3) General instructions: (a) the last date for the receipt of application shall be announced by the Medical Assessment and Rating Board for Indian System of Medicine or displayed on National Commission for Indian System of Medicine website every year;

(b) incomplete applications shall not be entertained in any case;

(c) there is no provision for withdrawal of applications after last date and in such case the application fee shall not be refunded in any case;

(d) any document of local or regional language shall be submitted in transcript of Hindi or English; and

(e) it is understood that before submission of application, the applicant should have gone through and understood the Act, and the concerned regulations thoroughly.

**9. Authority to whom the schemes or application shall be submitted.-** Such application or scheme or proposal as mentioned under regulation 8, shall be submitted through online or offline to the President, Medical Assessment and Rating Board for Indian System of Medicine, within the period specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time.

**10. Eligibility for Making an Application.-** (1) Application to establish a new Sowa-Rigpa medical college or institution: For making an application under sub-regulation (1) of regulation 8 (Form-1), a person or applicant shall be eligible if,-

(a) the application for establishment of new Sowa-Rigpa undergraduate medical college shall be for the student intake capacity as specified in these regulations;

(b) at the time of submission of application or scheme or proposal, the Sowa-Rigpa hospital shall have completed not less than one year of functionality after registration of the hospital;

(c) it is mandatory for the hospital to have the appropriate registration and shall fulfill all the statutory requirements of the concerned State or Union territory or local authority to establish and run the hospital and shall submit the updated certified copies of such permission or clearance to the Medical Assessment and Rating Board for Indian System of Medicine;

(d) furnishes the documents to authenticate that, applicant's one of the objectives is to impart Sowa-Rigpa medical education;

(e) furnishes the documents to authenticate that the land shall be owned by the college or possessed on lease, in the name of the college for a period not less than thirty years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory Administration and renewal shall be required on expiry of lease; and

(i) for student intake capacity up to fifteen seats, a single piece of land not less than one acre for hilly region and two acres for plain region;

(ii) for student intake capacity from sixteen to thirty seats, the land shall not be less than one and half acres for hilly region and three acres for plain region and in not more than two plots at a distance not exceeding five kilometers; and the plot, if separated by a road or canal or rivulet but connected with a bridge, shall be treated as one piece of land;

(f) furnishes 'No Objection Certificate' or 'Essentiality Certificate' in Form-3 (Annexure-III) from the concerned State or Union territory Administration for establishing a new Sowa-Rigpa medical college or institution at the proposed site;

(g) furnishes 'Consent of Affiliation' in Form-5 (Annexure-V) from the university established under any Central or State statute for establishing a new Sowa-Rigpa medical college or institution;

(h) furnishes an undertaking that, owns and manages a hospital in Sowa-Rigpa and in a position to establish infrastructure and manpower in phased manner (phase-wise establishments and specific requirements for new colleges) laid down in these regulations;

(i) furnishes an undertaking that, selection or admission of students shall be made strictly through counselling on the basis academic merit of the National Commission for Indian System of Medicine-National Eligibility-cum-Entrance Test for Sowa-Rigpa Undergraduate programme as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022)

and maximum number of admissions shall not exceed the sanctioned student intake capacity specified by the Medical Assessment and Rating Board for Indian System of Medicine;

(j) furnishes an undertaking that, the nomenclature of courses and requirements of teaching staff shall be maintained as laid down in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022);

(k) furnishes an undertaking that, has not already admitted student in any class or standard or course or training of the proposed Sowa-Rigpa medical college or institution;

(l) furnishes an undertaking that, is in a position to pay fixed security deposit valid for a period of five years in favour of the “the National Commission Fund for Indian System of Medicine, New Delhi” and the amount to be paid as follows:-

(i) for the establishment of new Sowa-Rigpa medical college or institution up to fifteen seats (fifteen student intake capacity)- rupees twenty-five lakhs;

(ii) for the establishment of new Sowa-Rigpa medical college or institution between sixteen to thirty seats (thirty student intake capacity)- rupees fifty lakhs;

provided that it shall not apply to the colleges governed by the Central or State Governments or Union territory Administration if they give an undertaking to provide funds in their plan budget regularly till requisite facilities are fully provided as per time bound programme indicated by them.

(2) Application to increase number of seats or student intake capacity or admission capacity in existing undergraduate programme or course recognized by the National Commission for Indian System of Medicine: For making an application under sub-regulation (2) of regulation 8 (Form-2), a Sowa-Rigpa medical college or institution shall be eligible if,

(a) furnishes ‘No Objection Certificate’ or ‘Essentiality Certificate’ in Form-4 (Annexure-IV) from the concerned State or Union territory Administration for permission to increase number of seats or student intake capacity or admission capacity;

(b) furnishes ‘Consent of Affiliation’ in Form-5 (Annexure-V) from a university established under any Central or State statute to increase the number of seats or student intake capacity or admission capacity;

(c) furnishes an undertaking that the college is able to produce documentary evidence in support of additional financial resources, staff, space, equipment, instruments and other infrastructure as mentioned in these regulations notified by the National Commission for Indian System of Medicine;

(d) furnishes the documents to authenticate that the college permitted by the Medical Assessment and Rating Board for Indian System of Medicine or the erstwhile Central Council for Indian Medicine or the Central government for running undergraduate programme or course in Sowa-Rigpa and completed at least four years and six months in case of undergraduate programme or course after first permission:

provided that the college or institution being owned or managed by the Central Government, or the State Government or Union territory Administration is exempted by the Medical Assessment and Rating Board for Indian System of Medicine, from fulfilling this criteria;

(e) furnishes an undertaking that, selection or admission of students shall be made strictly through counselling on the basis academic merit of the National Commission for Indian System of Medicine-National Eligibility-cum-Entrance Test for Sowa-Rigpa Undergraduate Programme as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022);

(f) furnishes an undertaking that the ratio of teaching staff and students shall be maintained as mentioned in these regulations;

(g) furnishes an undertaking that the maximum number of admissions shall not exceed the sanctioned student intake capacity specified by the Medical Assessment and Rating Board for Indian System of Medicine;

(h) furnishes an undertaking that in a position to establish infrastructure and manpower in respect of student intake capacity in such manner as specified in these regulations;

(i) furnishes an undertaking that, is in a position to pay a fixed security deposit valid for five years in favour of the “the National Commission Fund for Indian System of Medicine, New Delhi” and the amount to be paid as follows,-

the security deposit amount for increasing the student intake capacity from ‘up to fifteen’ slab to ‘sixteen to thirty’ slab is rupees twelve lakhs fifty thousand; provided that it shall not apply to the colleges governed by

the State Government or Union territory Administration, if they give an Undertaking to provide funds in their plan budget regularly till requisite facilities are fully provided as per time bound programme indicated by them.

**11. Fee to be submitted along with application.-** An application along with all necessary documents or enclosures to be submitted as mentioned under regulation 8 of these regulations shall be accompanied by the following non-refundable application fee,-

- (1) to establish a new undergraduate Sowa-Rigpa medical college or institution- rupees two lakhs fifty thousand.
- (2) to increase the number of seats or student intake capacity or admission capacity in existing undergraduate programme or course- rupees one lakh twenty-five thousand.

The non-refundable application fee shall be paid by way of demand draft or online payment (National Electronic Fund Transfer or Real Time Gross Settlement) as specified by the Medical Assessment and Rating Board for Indian System of medicine in favour of “the National Commission Fund for Indian System of Medicine” along with applicable taxes.

**12. Assessment and Permission under section 29.-** (1) After receipt of the application or scheme or proposal to establish a new medical college or institution or to increase the number of seats or student intake capacity or admission capacity within the stipulated period as specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time, the Medical Assessment and Rating Board for Indian System of Medicine shall scrutinise the application on the basis of,-

- (a) eligibility criteria;
- (b) application fee;
- (c) No Objection Certificate or Essentiality Certificate issued by the State Government or Union territory Administration;
- (d) Consent of Affiliation issued by the University; and
- (e) documents, affidavit, undertaking, as listed in Annexures I, and II as applicable, submitted by the college or institution.

(2) The ineligible and incomplete applications without mandatory documents as specified in these regulations shall be rejected and returned to the applicant by the Medical Assessment and Rating Board for Indian System of Medicine; however, before such rejection, the applicant shall be given an opportunity by the Medical Assessment and Rating Board for Indian System of Medicine to rectify the shortcomings within the time period as mentioned by the Medical Assessment and Rating Board for Indian System of Medicine.

(3) If the application is considered eligible after scrutiny, the Medical Assessment and Rating Board for Indian System of Medicine shall inspect or visit the college (physical or virtual or hybrid mode or as decided by the Medical Assessment and Rating Board for Indian System of Medicine) and if the applicant college or institution is found eligible as specified in the regulation 10, the Medical Assessment and Rating Board for Indian System of Medicine shall issue Letter of Intent.

(4) After issuance of Letter of Intent, based on the compliance report submitted by the college or institution, the Medical Assessment and Rating Board for Indian System of Medicine shall again inspect or visit the college or institution and verify the compliance or fulfillment of the minimum essential standard requirements of teaching or training or research, the minimum essential standard requirements for infrastructure, facility, teaching faculty, human resources, functionality and other requirements specified for first phase of establishment (as specified in the sub-regulation (1) of regulation 13 in these regulations for new colleges) or requirements as per the student intake capacity and other conditions of Letter of Intent; and accordingly the Medical Assessment and Rating Board for Indian System of Medicine shall issue an order either approving (Letter of Permission) or disapproving (Denial of Permission) the application or scheme or proposal within six months from the date of receipt of such scheme or proposal or application;

Provided that before disapproving such eligible application or scheme, an opportunity to rectify the defects shall be given to the person or applicant by the Medical Assessment and Rating Board for Indian System of Medicine.

(5) If the permission is denied or where after the submission of the application or scheme or proposal by the applicant in such form with all particulars along with specified fee, no order is passed by the Medical Assessment and Rating Board for Indian System of Medicine within six months of submitting an application or proposal or scheme, the aggrieved applicant may prefer a first appeal (through online or offline as specified by the Commission) to the Commission within fifteen days of such denial or disapproval or after lapse of six months as the case may be.

(6) Upon receipt of appeal, the Commission shall examine the appeal and the applicant shall be given an opportunity for hearing through online or offline as decided by the commission.

(7) After hearing, in case, if the Commission found that the applicant is fulfilling all requirements of minimum essential standards as specified in these regulations, the Commission may direct the Medical Assessment and Rating Board for Indian System of Medicine to consider the application; In case, if the applicant is not fulfilling the minimum essential standard requirements, the Commission shall disapprove or reject the application. The Commission shall communicate such a decision to the applicant within fifteen days from the date of preferring the appeal.

(8) Where the Commission denied or disapproved the application or proposal or scheme or no order has been passed within fifteen days from the date of preferring first appeal under sub-regulation (5), the aggrieved applicant or person may prefer a second appeal to the Central Government (Ministry of AYUSH) within seven days of communication of such denial or disapproval or lapse of specified period of fifteen days.

(9) Renewal of permission of newly established college recognised under section 29.- (a) after Letter of Permission, it is the responsibility of the college or institution to apply for the renewal of permission every year for admitting the students for the upcoming or next academic session to the Medical Assessment and Rating Board for Indian System of Medicine along with a compliance report with all documents before 31<sup>st</sup> December every year and submit annual disclosure in visitation proforma as per the timeline and procedure specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time;

(b) the Letter of Permission granted by the Medical Assessment and Rating Board for Indian System of Medicine to establish a new medical college or institution shall be valid for one year and it shall be renewed on yearly basis (i.e, first renewal, second renewal and third renewal) until the college or institution is recognised as a fully established institution under section 28 of the Act, and the details are shown in the Table-4;

(c) first renewal: the college shall submit the compliance report in respect to the fulfilment of minimum essential standard requirements as specified in these regulations for second phase of establishment (as per the sub-regulation (2) of regulation 13 on or before 31<sup>st</sup> day of December and annual disclosure in visitation proforma as per the timeline and procedure specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time;

(d) the Medical Assessment and Rating Board for Indian System of Medicine shall conduct inspection or visitation, examine or scrutiny the compliance report, visitation proforma and documents submitted by the college and observation made by the visitors in their report. On fulfilment of minimum essential standard requirements and annual targets for second phase of establishment (as per the sub-regulation (2) of the regulation 13), the Medical Assessment and Rating Board for Indian System of Medicine shall issue the renewal of permission (first renewal) on or before 30<sup>th</sup> day of June as mentioned in the regulation 15 to admit second batch of students for the upcoming or next academic session;

(e) the same method mentioned in the above clauses (c) and (d) shall be followed for second and third renewal of permission (for fulfilment of third and final phase of establishments respectively) to admit third and fourth batch of students respectively as shown in the Table-4;

(f) after third renewal of permission in the succeeding years, the institution shall be treated as fully established college or institution as per the section 28 of the Act, and shall be entitled for rating as shown in the Table-4;

(g) after third renewal, the Medical Assessment and Rating Board for Indian System of Medicine shall visit the college or institution *suo-moto* every year as per the procedure mentioned in the regulation 3 of these

regulations for fully established existing colleges for grant of permission or denial or to take such measures mentioned in the clause (f) of sub-section (1) of section 28 of the Act and for rating;

(h) in case of non-fulfilment of minimum essential standard requirement and not attaining annual targets at any phase of establishment of the institution under section 29, in such case, the Medical Assessment and Rating Board for Indian System of Medicine shall deny the renewal of permission; before such denial of renewal of permission, the Medical Assessment and Rating Board for Indian System of Medicine shall convey the deficiencies to the applicant college and provide them an opportunity to rectify the deficiencies. In case if the college or institution is denied the renewal of permission, the college or institution shall not admit the students for the upcoming or next academic session;

(i) the conditional permission of one year mentioned in sub-regulation (2) of regulation 3 shall not be applicable for new colleges i.e, institution, or college under establishment (undergoing phase-wise establishment process under section 29) and applicable only for fully established college or institution.

| 5                    |                                    | Renewal of Permission (Third)                   | Recognised college or institution under establishment (completion of fourth or final phase of establishment) | Permission to admit the fourth batch of students |
| 6                    | 28                                 | Permission with Rating                          | Fully established recognised college or institution. Entitled for Rating.                                    | Permission to admit the fifth batch of students  |

(10) The visitation fee for issuing Letter of Intent, Letter of Permission, Letter of Renewal of Permission in connection with establishment of new college or institution and for increase number of seats shall be paid as given below by way of a Demand Draft or Online Payment (National Electronic Funds Transfer or Real Time Gross Settlement) as specified by the Medical Assessment and Rating Board for Indian System of Medicine in favour of 'the National Commission Fund for Indian System of Medicine' New Delhi along with all applicable taxes,-

(i) Visitation fee: Rupees one lakh (per visitation);

(ii) Digitisation fee: Rupees thirty thousand (per visitation).

**13. Phase-Wise Establishments of New Colleges or Institutions and Requirements of Minimum Essential Standards.-** Sowa-Rigpa colleges, permitted for starting Menpa Kachupa (Bachelor of Sowa-Rigpa Medicine and Surgery) course under section 29 of the Act, shall establish infrastructure, facilities, and manpower phase-wise, namely,-

**(1) Before admission of the first batch of students, the college or institution shall fulfill the minimum essential standard requirements of the first phase of establishment namely:-** (a) at the time of submission of application, there shall be a fully developed hospital building in the proposed land as specified in sub-regulation (1) and (2) of regulation 4 with fully-functional and registered Sowa-Rigpa hospital, existing not less than one year prior to the date of application as specified in the clause (b) of sub-regulation (1) of regulation 10, having appropriate number of beds, bed occupancy and out-patient attendance corresponding to the annual students intake capacity as specified in clause (b) of sub-regulation (4) under regulation 4 and sub-regulation (1) of regulation 6;

(b) all teachers as specified in sub-regulation (2) under regulation 5 with the requisite qualification as mentioned in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022) and non-teaching staff as specified in sub-regulation (3) under regulation 5 which are required for first professional session of teaching and training shall be appointed;

(c) (i) minimum one specialist doctor or clinical teacher with requisite qualifications in each of the two combined out-patient departments [1. combined department of *lus nad* (General Medicine) and *gdon nad dang dug nad* (Clinical Psychology and Toxicology) and 2. combined department of *dpyad sbyong* (External Therapy and Surgery) and *byis nad dang mo nad* (Paediatrics and Gynaecology)] shall be appointed;

(ii) the experience of specialist doctor or clinical teacher shall be considered as a teacher from the date of appointment of the specialist doctor or clinical teacher or one year prior to the submission of application by the applicant to the Medical Assessment and Rating Board for Indian System of Medicine to establish a college or institution whichever is lesser;

(d) External therapy section and Minor Operation Theatre, Clinical laboratory as mentioned in Schedule-I, Schedule-X and Schedule-XI; and instruments and equipment in Out- Patient Department and In-Patient Department as per the Schedule- XII;

(e) a library with two thousand five hundred books with fifteen seating capacity for up to fifteen students intake capacity and a library with twenty-five seating capacity for sixteen to thirty students intake capacity and staff as specified in Schedule-VI;

(f) well-equipped and furnished two lecture halls or classrooms, teaching departments attached with laboratory, museum and other ancillary units or sections as applicable (i.e., dissection hall, anatomy museum, physiology laboratory, language laboratory, pathology laboratory) for the first professional session of teaching and training with all infrastructure, facilities, manpower as specified in Schedules-I to XIII as applicable and shall have Medical Education Unit as per the clause (i) sub-regulation (5) of regulation 4 and Information Technology Support and Communication facilities as per the clause (h) sub-regulation (5) of regulation 4;

(g) there shall be a Teaching Pharmacy and Quality Testing Laboratory and Materia Medica Museum attached to Department of *sman rdzas dang sman sbyor* (Materia Medica, Pharmacology and Pharmaceutics) with minimum area as specified in Schedule-II, equipment or instruments as specified in Schedule-IX and specimens in the Materia Medica Museum as per Schedule-XIII;

(h) an herbal garden covering over one thousand square meter of land and one thousand five hundred square meters of land for admission up to fifteen seats and sixteen to thirty seats respectively as per Schedule-III with plantation of minimum thirty species of medicinal plants and staff as mentioned in Schedule-VI;

(i) all the hospital staff shall be as specified in Schedule-IV; and

(j) there shall be a biometric attendance system supported with web camera based computerised attendance system for teaching staff, non-teaching college staff and hospital staff.

**(2) Before admission of second batch of the students, the college or institution shall fulfill or maintain the minimum essential standard requirements of the second phase of establishment, namely:-** (a) there shall be a functional Sowa-Rigpa hospital having appropriate number of beds, bed occupancy and out-patient attendance corresponding to the annual students intake capacity as specified clause (b) of sub-regulation (4) under regulation 4 and sub-regulation (1) of regulation 6;

(b) all teachers as specified in sub-regulation (2) under regulation 5 with the requisite qualification as mentioned in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022) and non-teaching staff as specified in sub-regulation (3) under regulation 5, which are required for the first and the second professional sessions of teaching and training;

(c) minimum one specialist doctor or one clinical teacher with requisite mandatory qualifications in each of the two combined out-patient departments [(1. combined department of *lus nad* (General Medicine) and *gdon nad dang dug nad* (Clinical Psychology and Toxicology) and 2. combined department of *dpyad sbyong* (External Therapy and Surgery) and *byis nad dang mo nad* (Paediatrics and Gynaecology)];

(d) External therapy section and Minor Operation Theatre, Clinical laboratory as mentioned in Schedule-I and facilities as per the Schedule-X and XI; and instruments and equipment in Out- Patient Department and In-Patient Department as per the Schedule- XII;

(e) a library with three thousand books with twenty seating capacity for up to fifteen students intake capacity and a library with forty seating capacity for sixteen to thirty students intake capacity and staff as specified in Schedule-VI;

(f) well-equipped and furnished three lecture halls or class rooms, teaching departments, attached with laboratories, museum and other ancillary units or sections as applicable (i.e., dissection hall, anatomy museum, physiology laboratory, language laboratory, pathology laboratory) for first and second professional session of teaching and training with all infrastructure, facilities, man power as specified in Schedules-I to XIII as applicable and shall have Medical Education Unit as per the clause (i) sub-regulation (5) of regulation 4, Information Technology support and communication facilities as per the clause (h) sub-regulation (5) of regulation 4 and Clinical Skill Laboratory as per the clause (d) sub-regulation (5) of regulation 4;

(g) there shall be a Teaching pharmacy and Quality Testing Laboratory and Materia Medica Museum attached to Department of *smān rdzas dang sman sbyor* (Materia Medica, Pharmacology and Pharmaceutics) with minimum area as specified in Schedule-II, equipment or instruments as specified in Schedule-IX and specimens in the Materia medica museum as per Schedule-XIII;

(h) an herbal garden covering over one thousand square meter of land and one thousand five hundred square meters of land for admission up to fifteen seats and sixteen to thirty seats respectively as per Schedule—III with plantation of minimum forty species of medicinal plants;

(i) all the hospital staff shall be as specified in Schedule-IV; and

(j) there shall be biometric attendance system supported with web camera based computerized attendance system for teaching staff, non-teaching college staff and hospital staff.

**(3) Before admission of third batch of students, the college or institution shall fulfil or maintain the minimum essential standard requirements of the third phase of establishment as follow.-** (a) there shall be a functional Sowa-Rigpa hospital having appropriate number of beds, bed occupancy and out-patient attendance corresponding to the annual students intake capacity as specified clause (b) of sub-regulation (4) under regulation 4 and sub-regulation (1) of regulation 6;

(b) all teachers as specified in sub-regulation (2) under regulation 5 with the requisite qualification as mentioned in the concerned National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Sowa-Rigpa Education Regulations, 2022) and non-teaching staff as specified in sub-regulation (3) under regulation 5, which are required for the first and the second professional sessions of teaching and training;

(c) minimum one specialist doctor or one clinical teacher in each of the two combined Out-Patient Departments [1. Combined department of *lus nad* (General Medicine) and *gdon nad dang dug nad* (Clinical Psychology and Toxicology) and 2. Combined department of *dpyad sbyong* (External Therapy and Surgery) and *byis nad dang mo nad* (Paediatrics and Gynaecology)];

(d) External therapy section and Minor Operation Theatre, Clinical laboratory as mentioned in Schedule-I and facilities as per the Schedule-X and XI; and instruments and equipment in Out- Patient Department and In-Patient Department as per the Schedule- XII;

(e) a library with three thousand five hundred books with twenty seating capacity for up to fifteen students intake capacity and a library with forty seating capacity for sixteen to thirty students intake capacity and staff as specified in Schedule-VI;

(f) well-equipped and furnished four lecture halls or class rooms, teaching departments, attached with laboratories, museum and other ancillary units or sections as applicable (i.e., dissection hall, anatomy museum, physiology laboratory, language laboratory, pathology laboratory) for first and second professional session of teaching and training with all infrastructure, facilities, man power as specified in Schedule-I to XIII and shall have Medical Education Unit as per the clause (i) sub-regulation (5) of regulation 4, Information Technology support and communication facilities as per the clause (h) sub-regulation (5) of regulation 4 and Clinical Skill Laboratory as per the clause (d) sub-regulation (5) of regulation 4;

(g) Teaching pharmacy and Quality Testing Laboratory and Museum attached to Department of *smān rdzas dang sman sbyor* (Materia Medica, Pharmacology and Pharmaceutics) with minimum area as specified in Schedule-II, equipment or instruments as specified in Schedule-IX and specimens in the Materia medica museum as per Schedule-XIII;

- (h) an herbal garden covering over one thousand square meter of land and one thousand five hundred square meters of land for admission up to fifteen seats and sixteen to thirty seats respectively as per Schedule-III with plantation of minimum fifty species of medicinal plants;
- (i) all the hospital staff shall be as specified in Schedule-IV; and
- (j) there shall be biometric attendance system supported with web camera based computerised attendance system for teaching staff, non-teaching college staff and hospital staff.

**(4) Before the commencement of fourth batch of students, the college or institution shall fulfil or maintain the minimum essential standard requirements of the fourth (final) phase of establishment as follow.-** (a) there shall be a functional Sowa-Rigpa hospital with four independent Out-Patient Departments as specified in clause (d) under sub-regulation (4) of regulation 4 having appropriate number of beds, bed occupancy and Out-Patient Department attendance corresponding to the annual students intake capacity as specified in clause (b) of sub-regulation (4) under regulation 4 and sub-regulation (1) of regulation 6;

(b) all teachers as specified in sub-regulation (2) under regulation 5 with the requisite qualification as mentioned in the concerned NCISM regulations and non-teaching staff as specified in sub-regulation (3) under regulation 5, which are required for the first, second and third professional session of teaching and training;

(c) all infrastructure, facilities and manpower requirements of college, hospital and other units in accordance with as specified in these regulations 4 to 6 and Schedule-I to XIII;

(d) a library with four thousand books, seating capacity of thirty persons for admission up to fifteen student intake capacity and seating capacity of fifty persons for sixteen to thirty student intake capacity and staff as specified in Schedule-VI;

(e) well-equipped and furnished five lecture halls or class rooms, teaching departments, attached with laboratories, museum and other ancillary units or sections as applicable (i.e., dissection hall, anatomy museum, physiology laboratory, language laboratory, pathology laboratory), for first, second and third professional session of teaching and training with all infrastructure, facilities, man power as specified in Schedules-I to XIII and shall have shall have Medical Education Unit as per the clause (i) sub-regulation (5) of regulation 4, Information Technology support and communication facilities as per the clause (h) sub-regulation (5) of regulation 4 and Clinical Skill Laboratory as per the clause (d) sub-regulation (5) of regulation 4;

(f) the Teaching pharmacy and Quality Testing Laboratory and Museum attached to Department of *smān rdzas dang smān sbyor* (Materia Medica, Pharmacology and Pharmaceutics) with minimum area as specified in Schedule-II, equipment or instruments as specified in Schedule-IX and specimens in the museum as per Schedule-XIII;

(g) a fully developed herbal garden with minimum seventy species of medicinal plants as specified in Schedule-III;

(h) assured round the clock availability of medical services including medicines, paramedical staff, doctors and emergency management in the hospital; and

(i) there shall be biometric attendance system supported with web camera based computerised attendance system for teaching staff, non-teaching college staff and hospital staff.

## CHAPTER-V

### RATING OF FULLY ESTABLISHED EXISTING SOWA-RIGPA MEDICAL COLLEGES OR INSTITUTIONS UNDER SECTION 28 OF THE ACT

**14. Rating of fully Established or Existing Sowa-Rigpa Colleges.-** (1) The Medical Assessment and Rating Board for Indian System of Medicine shall assess and rate the college or institution every year as per the procedure determined by the Medical Assessment and Rating Board for Indian System of Medicine in accordance with the key areas and standards determined by the Board of Unani, Siddha and Sowa-Rigpa in these regulations (Annexure-VI) or as amended from time to time.

(2) The standards and criteria mentioned for rating are over and above the minimum essential standards as mentioned in these regulations; Rating process is intended for rating the fully established colleges or institutions based on infrastructural standards, human resources and functionality over and above the minimum standards requirements, and encouraging institutions to move towards higher standards in the area such as teaching, training,

human resource development, healthcare services, research, innovations, co-curricular or extra-curricular activities, new establishments, educational administration, education ecosystem etc.

(3) The fully established recognised colleges or institutions under section 28, fulfilling all Minimum Essential Standard Requirements as mentioned in these regulations shall be eligible for rating; the college or institution, which has been denied permission by the Medical Assessment and Rating Board for Indian System of Medicine National Commission for Indian System of Medicine or Government of India shall not be considered for rating for the particular academic session.

(4) The newly established colleges under section 29, which are undergoing phase-wise establishment shall not be considered eligible for rating, until they complete all four phase-wise establishments (first, second, third, fourth or final) and annual targets as specified in regulation 13 of these regulations.

(5) Calculation method for Rating of college or institution as follows:

(a) Key Indicators or Standards, Assessment criteria, Rating criteria, and Indicator wise-maximum score are given in the column (B), (C), (D), and (E) respectively in the Annexure-V

(b) Each 01 point in the column (D) shall be considered as 01 score;

(c) Key indicator wise score (column D) to be converted to maximum 10 score (column E) and grand total score obtained by the college or institution (column F) to be calculated;

(d) Conversion of total score into percentage of score, obtained by the College or institution shall be calculated as follow;

Total score obtained.

----- X 100

400 (Total maximum score)

(6) Rating of the college or institution shall be awarded or granted as per the assessment outcome as shown in the Table-5.

(7) The annual rating fee if any, apart from the visitation fee and digitisation fee as mentioned in these regulations shall be fixed by the Medical Assessment and Rating Board for Indian System of Medicine from time to time.

**Table-5**

**Total Score in Percentage, Status and Rating**

**Note:** 1. The deficiency of teachers shall not exceed more than ten per cent. of total requirement with availability of minimum one teacher in each of eight Departments for seeking conditional permission to undertake admission for upcoming academic session (i.e. minimum eleven teaching staff for fifteen students intake capacity and sixteen for thirty students intake capacity).

2. Wherever additional Professor or Associate Professor (Reader) are available in the Department, the additional Professor or Associate Professor (Reader) shall be considered against the requirement of the Associate Professor (Reader) or Assistant Professor (Lecturer) in the same Department.

3. Additional Professor or Associate Professor (Reader) or Assistant Professor (Lecturer) available in one Department, shall not be counted or considered in the any other department where there is a shortage of faculty.

#### SCHEDULE-VI

(See regulations 3, 5 and 13)

#### Minimum Essential Standard Requirement of Non- teaching staff (technical and other staff) of a Sowa-Rigpa Medical College or Institution

| <b>Note:</b> 1. If cadaver and dissection facility is not available, the practical anatomy sessions shall be held in collaboration with the nearest Medical College or recognised Hospital where such facilities are available.<br>2. Sowa-Rigpa traditional Anatomical Thangkas or Charts shall be displayed in the Anatomy lab.<br>3. Digital mode for anatomy teaching may be provided.<br>4. The above mentioned are minimum essential standard requirements. However, the facilities required for practical sessions as per the number of the students and syllabus shall be ensured. |                                                                                                                               |                                            |                                             |

| <b>Note:</b> 1. Digital mode for physiology teaching or practical training may be provided.<br>2. The above mentioned are minimum essential standard requirements. However, the facilities required for practical                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                                               |                                            |                                             |

sessions as per the number of the students and syllabus shall be ensured.

### SCHEDULE-VIII

(See regulation 3, 4 and 13)

**Minimum Essential Standard Requirement of Equipment and Instruments for Sowa-Rigpa Pathology Practical Laboratory** under the Department of *tha mal nad med dang brtag thabs* (Disease Prevention and Sowa-Rigpa Pathology)

| Serial Number<br>(1) | Equipment and Instruments<br>(2) | Up to fifteen students intake capacity<br>(3) | Sixteen-thirty students intake capacity<br>(4) |
|----------------------|----------------------------------|-----------------------------------------------|------------------------------------------------|
| 1.                   | Shelves and Almirahs             | Assorted                                      | Assorted                                       |
| 2.                   | Sowa-Rigpa Urine Analysis Set    | Two                                           | Three                                          |
| 3.                   | Stethoscope                      | Two                                           | Three                                          |
| 4.                   | Clinical Thermometer             | Two                                           | Three                                          |
| 5.                   | Knee Hammer                      | Two                                           | Three                                          |
| 6.                   | Tongue Depressor                 | Two                                           | Four                                           |
| 7.                   | Measuring Tape                   | Two                                           | Three                                          |
| 8.                   | Weighing machine                 | One                                           | One                                            |
| 9.                   | Blood Pressure Apparatus         | Two                                           | Three                                          |
| 10.                  | Pulse Oximeter                   | One                                           | One                                            |
| 11.                  | Glucometer                       | One                                           | One                                            |

**Note:** 1. The above mentioned are minimum essential standard requirements. However, the facilities required for practical sessions as per the number of the students and syllabus shall be ensured.

2. Digital mode for Pathology teaching may be provided.

3. Pathology related training shall be held at the clinical laboratory attached to the teaching Hospital.

4. In case of advanced practical training in pathology, collaboration may be made with the nearest Medical College or Hospital or NABH accredited laboratory where such facilities are available.

### SCHEDULE-IX

(See regulations 3, 4 and 13)

**Minimum Essential Standard Requirement of Equipment and Instruments for Materia Medica Practical Laboratory and Teaching Pharmacy and Quality Testing Laboratory** under the Department of *smam rdzas dang smam shyor* (Materia Medica, Pharmacology and Pharmaceutics)

| Serial Number<br>(1)                                                                                              | Instrument and Equipment<br>(2)                                        | Up to fifteen Students Intake Capacity<br>(3) | Sixteen-thirty Students Intake Capacity<br>(4) |

### **ESSENTIALITY CERTIFICATE OR NO OBJECTION CERTIFICATE**

The Essentiality certificate or No Objection Certificate is issued to ----- (name of the applicant) for the establishment of ----- (name of the proposed college or institution) at ----- (address of the proposed college or institution) with student intake capacity of ----- (Fifteen or Thirty). This certificate is issued in consideration of above details, facts, or conditions. This certificate is valid for two consecutive academic sessions from the date of issue of the certificate.

**The Essentiality Certificate or No Objection Certificate is issued on the following term and conditions:**

1. College shall admit the students as per the sanctioned student intake capacity by the Medical Assessment and Rating Board for Indian System of Medicine only after obtaining due permission from the Medical Assessment and Rating Board for Indian System of Medicine under National Commission for Indian System of Medicine.
2. College shall not conduct any other colleges, courses or programmes in the same premises unless otherwise permitted by the Medical Assessment and Rating Board for Indian System of Medicine.
3. College shall maintain all the minimum essential standards in terms of infrastructure, human resources and functionality as specified by the National Commission for Indian System of Medicine in accordance with student intake capacity.
4. College shall admit "National Commission for Indian System of Medicine-National Eligibility-cum-Entrance Test for Sowa-Rigpa Under-Graduate" eligible students as per the extant regulations, guidelines and policies notified by the National Commission for Indian System of Medicine.
5. The institution shall all times abide by the conditions laid down by the Autonomous Boards, National Commission for Indian System of Medicine, Government of India, and University.
6. In case of change over the college to other society or trust, prior no objection certificate shall be obtained from the State Government or Union territory Administration, as the case may be.
7. In case if the applicant fails to create or maintain infrastructure, human resources and other facilities for the Sowa-Rigpa Medical College or Institution as per the minimum essential standards specified by the National Commission for Indian System of Medicine, fresh admissions are stopped by the Medical Assessment and Rating Board for Indian System of Medicine and the University shall take over the responsibility of the students already admitted in the college with the permission of the Medical Assessment and Rating Board for Indian System of Medicine/National Commission for Indian System of Medicine.
8. In case of denial of permission or issued permanent disapproval to the college by the Medical Assessment and Rating Board for Indian System of Medicine due to non-compliance of the college for minimum essential standards as prescribed by the Commission, the State Government shall take over the responsibility of the students who have already been admitted in the college with the permission of the Medical Assessment and Rating Board for Indian System of Medicine.

**ESSENTIALITY CERTIFICATE OR NO OBJECTION CERTIFICATE**

The Essentiality certificate or No Objection Certificate is issued to ----- (name of the applicant) for the increase number of seats or student intake capacity or admission capacity from ----- to ----- in the existing undergraduate programme conducted by ----- (name of the college or institution) at ----- (address of the college or institution). This certificate is issued in consideration of above details, facts or conditions.

This certificate is valid for two consecutive academic sessions from the date of issue of the certificate.

**The Essentiality Certificate or No Objection Certificate is issued on the following term and conditions:**

1. College shall admit students as per the sanctioned student intake capacity by the Medical Assessment and Rating Board for Indian System of Medicine only after obtaining due permission from the Medical Assessment and Rating Board for Indian System of Medicine under National Commission for Indian System of Medicine.
2. College shall maintain all the minimum essential standards in terms of infrastructure, human resources and functionality as specified by the National Commission for Indian System of Medicine in accordance with student intake capacity.
3. College shall admit "National Commission for Indian System of Medicine-National Eligibility-cum-Entrance Test for Sowa-Rigpa Under-Graduate" eligible students as per the extant regulations, guidelines and policies framed by the National Commission for Indian System of Medicine.
4. The institution shall all times abide by the conditions laid down by the Autonomous Boards, National Commission for Indian System of Medicine, Government of India and University.
5. In case if the applicant fails to create or maintain infrastructure, human resources and other facilities for the Sowa-Rigpa Medical College or Institution as per the minimum essential standards specified by the National Commission for Indian System of Medicine, fresh admissions are stopped by the Medical Assessment and Rating Board for Indian System of Medicine and the University shall take over the responsibility of the students already admitted in the college with the permission of the Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine.
6. In case of denial of permission or issued permanent disapproval to the college by the Medical Assessment and Rating Board for Indian System of Medicine due to non-compliance of the college for minimum essential standards as prescribed by the Commission, the State Government shall take over the responsibility of the students who have already been admitted in the college with the permission of the Medical Assessment and Rating Board for Indian System of Medicine.

**CONSENT OF AFFILIATION**

The university on the basis of local enquiry committee report, is agreed upon in principle to issue consent of affiliation to----- (name of the college) with student intake capacity of ----- (Fifteen or Thirty) seats of the proposed college or increase in number of seats or student intake capacity or admission capacity from ----- to ----- in already existing undergraduate programme.

The consent of affiliation is issued for the academic year(s).....

**Consent of affiliation is issued on the following terms and conditions:**

1. The college shall maintain all the minimum essential standards in terms of infrastructure, human resources and functionality as specified by the National Commission for Indian System of Medicine.
2. The college shall admit the "National Commission for Indian System of Medicine-National Eligibility-cum-Entrance Test for Sowa-Rigpa Under-Graduate" eligible students through central counselling process as specified by the National Commission for Indian System of Medicine in concerned regulations and guidelines.
3. The college shall ensure the conduction of stipulated hours of teaching and training as per the curriculum and syllabus specified by the National Commission for Indian System of Medicine.
4. The colleges shall obtain continuation of affiliation every year at least three months before the commencement of admission process.
5. Prior 'No Objection Certificate' shall be obtained from the present affiliating university in case of change of affiliation to other university or applying for Deemed status.
6. In case of disaffiliation with the present university, the existing batches shall continue with the present university till award of degree for the last student.
