

NATIONAL COMMISSION FOR INDIAN SYSTEM OF MEDICINE**NOTIFICATION**

New Delhi, the 29th December, 2023

F. No. BUSS/MES(UNANI-UG-Regl)/2023.—In exercise of the powers conferred by clauses (d), (e), (s), (t), (u), (w), (x), (y), (z), (za), (zb) and (zc) of sub-section (2) and sub-section (1) of section 55 of the National Commission for Indian System of Medicine Act, 2020 (14 of 2020), and in supersession of the Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Unani Colleges and attached Hospitals) Regulations, 2016 and the Establishment of New Medical College, Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College Regulations, 2019 except as respect things done or omitted to be done before such supersession, the National Commission for Indian System of Medicine hereby makes the following regulations, namely:-

1. Short title and commencement. - (1) These regulations may be called the National Commission for Indian System of Medicine (Minimum Essential Standards, Assessment and Rating for Undergraduate Unani Colleges and Attached Teaching Hospitals) Regulations, 2023.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. Definition. -(1) In these regulations, unless the context otherwise requires, -

- (a) “Act” means the National Commission for Indian System of Medicine Act, 2020 (14 of 2020);
- (b) “annexure” means an annexure appended to these regulations;
- (c) “assessment” of an institution means the act of verification of availability of minimum essential standards in terms of infrastructure, human resources and functionality of an institution and its attached teaching hospital;
- (d) “attached teaching hospital” means an Unani hospital that offers standard healthcare services, attached to an Unani Medical college or institution for the purpose of teaching and training to the students of Unani System of Medicine;
- (e) “Commission” means the National Commission for Indian System of Medicine, established under the National Commission for Indian System of Medicine Act, 2020 (14 of 2020);
- (f) “extended permission” means permission for admitting students extended by the Medical Assessment and Rating Board for Indian System of Medicine to an institution fulfilling the criteria for “extended permission status” so that the institution can participate in the counselling process for admitting students without waiting for permission from the Medical Assessment and Rating Board for Indian System of Medicine for admission every year unless otherwise denied or specified by the Medical Assessment and Rating Board for Indian System of Medicine;
- (g) “Form” means form annexed to these regulations;
- (h) “fully established institution” means the college or institution completed all four phases of establishments and issued letter of permission, first, second and third renewal of permission by the Medical Assessment and Rating Board for Indian System of Medicine;
- (i) “institution under establishment” means the new college or institution undergoing phase wise establishments (i.e first, second, third and fourth phase of establishment);
- (j) “letter of intent” means preliminary approval, along with conditions and timelines, issued by Medical Assessment and Rating Board for Indian System of Medicine to the applicant through the procedure mentioned, to establish a new Unani medical college or institution or to increase student intake capacity in existing courses or programmes or to start any postgraduate or new course recognised by the National Commission for Indian System of Medicine;
- (k) “letter of permission” means permission granted to the applicant by Medical Assessment and Rating Board for Indian System of Medicine through the procedure to establish a new Unani Medical college or institution, or to increase student intake capacity in existing courses or programmes, or to start any postgraduate or new course recognised by the National Commission for Indian System of Medicine, and to admit the students as per the student intake capacity sanctioned by the Medical Assessment and Rating Board for Indian System of Medicine;
- (l) “minimum essential standards” means mandatory minimum requirements in terms of infrastructure, human resources, and functionality as well as a level of quality or standards is thought to be acceptable as a minimum and below the minimum which is unacceptable;

(m) “rating” of an institution means a score or measurement of how good an institution is. Rating of fully established recognised institutions through a rating process carried out by the Medical Assessment and Rating Board for Indian System of Medicine or any designated rating agency based on the standards and parameters laid down by the Board of Unani, Siddha and Sowa-Rigpa over and above the minimum essential standards;

(n) “renewal of permission” means the renewal of permission (i.e. first, second and third renewal) granted by the Medical Assessment and Rating Board for Indian System of Medicine to a college or institution under establishment (i.e., undergoing second, third and fourth phase-wise establishments respectively) through the procedure mentioned in these regulations during successive academic years after the issuance of letter of permission for admitting students as per the sanctioned student intake capacity by the Medical Assessment and Rating Board for Indian System of Medicine as specified in the renewal of permission;;

(o) “Schedule” means schedule annexed to these regulations;

(p) “teaching days” means number of days, as a full-time regular teacher attended or performed duty in twelve months period, in the college and its attached teaching hospital wherein he or she has been appointed;

(q) “yearly permission” means those institutes that are not fulfilling the criteria for “extended permission” shall participate in the counselling process for admitting students only after obtaining permission from the Medical Assessment and Rating Board for Indian System of Medicine every year.

(2) The words and expressions used herein and not defined but defined in the Act shall have the same meanings as respectively assigned to them in the Act.

CHAPTER-I

MINIMUM ESSENTIAL STANDARD REQUIREMENTS OF AN UNANI MEDICAL COLLEGE OR INSTITUTION AND ITS ATTACHED TEACHING HOSPITAL

3. Minimum Essential Standards in terms of infrastructure, human resources and functionality of a Unani Medical College or institution are specified under the following sub-headings: admission capacity, land requirement, minimum constructed area required for the college and attached teaching hospital, the college campus and general considerations, official contact details, bank accounts, Information technology and infrastructure, biomedical attendance system, college website, minimum essential standard requirements for the Unani Medical College or institution and minimum essential standard requirements for attached teaching hospital.

4. **Admission Capacity.-** The annual student intake capacity or admission capacity of the Unani Medical college or institution shall be in the slabs of sixty, hundred, one hundred and fifty and two hundred.

5. **Land Requirement.-** (1) The minimum essential requirement of land as specified in Table-1, for Unani Medical college or institution and attached teaching hospital shall be made available.

(2) The minimum requirement of land for sixty, hundred, one hundred and fifty and two hundred student intake capacity shall not be less than three acres, five acres, seven acres and nine acres respectively; The land shall not be more than two plots and the radial distance between the two plots shall not exceed five kilometres; If the plots are separated by a road or canal or rivulet but connected with a bridge shall be treated as one piece of land;

However, in case of Tier I and II cities (X and Y categories), North-eastern states, hilly areas and notified tribal areas, the minimum requirement of land for sixty, hundred, one hundred and fifty and two hundred student intake capacity shall not be less than two and half acres, three and half acres, five acres and six acres respectively and the college or institution shall have a certificate obtained from the concerned local authorities to establish the specific category of land (as applicable) as a proof. Provided further, the land shall not be in more than two plots and the radial distance between two plots shall not be more than ten kilometres; if the plots are separated by a road or canal or rivulet but connected with a bridge shall be treated as one piece of land.

Table-1

Minimum Essential Requirement of Land as per the Student Intake Capacity

Serial No.	Student Intake Capacity	Minimum Requirement of Land (in acres)	
		A	B
		Areas other than mentioned under column ‘B’	Tier I and II cities (X and Y categories), North-eastern states, Hilly areas and notified tribal areas
1	60	3.0	2.5
2	100	5.0	3.5

3	150	7.0	5.0
4	200	9.0	6.0

(3) The designated land for an Unani Medical College or institution, its attached teaching hospital and hostels shall be clearly demarcated and should not be used for any other purpose other than activities of Unani Medical College or institution.

(4) The land shall be owned by the college or possessed on lease, in the name of the college, for a period not less than thirty years or the maximum permissible period as per rules or regulations of the respective State Government or Union territory Administration and the renewal of permission shall, however, be required on expiry of lease.

6. Minimum Constructed Area Required for the College and its Attached Teaching Hospital.- (1) For sixty student intake capacity, the Unani Medical College and attached hospital shall have the minimum constructed area of 3165 and 3140 square meters.

(2) For hundred student intake capacity, the Unani Medical College and hospital shall have the minimum constructed area of 5080 and 4475 square meters, respectively.

(3) For one hundred and fifty student intake capacity, the Unani Medical College and hospital shall have the minimum constructed area of 7045 and 5885 square meters, respectively.

(4) For two hundred student intake capacity, the Unani Medical College and hospital shall have the constructed area of 9035 and 7245 square meters, respectively as mentioned in the Schedule-I, Schedule-II and Table-2.

(5) The total constructed area of the college and attached teaching hospital shall be 6305 square meters for sixty students intake capacity, 9555 square meters for hundred students intake capacity, 12930 square meters for one hundred fifty students intake capacity and 16280 square meters for two hundred students intake capacity as shown in Table-2.

(6) The college and hospital shall be constructed in separate buildings with its departments or sections or units as per the details specified in the Schedule-I and Schedule-II.

(7) The requirement of separate college and hospital buildings shall be applicable only to the colleges established after 19th February, 2013.

Table-2

Minimum Essential Requirement of Constructed Area of College and Attached Teaching Hospital

Section (1)	Minimum Constructed Area in Square Metres			
	Sixty students intake capacity (2)	One hundred students intake capacity (3)	One hundred fifty students intake capacity (4)	Two hundred students intake capacity (5)
College	3165	5080	7045	9035
Hospital	3140	4475	5885	7245
Grand total	6305	9555	12930	16280

[Note:-The minimum constructed area and the total constructed area mentioned from sub-regulations (1) to (5) shall be the same for the Unani Medical College and attached teaching hospital constructed in Tier I and Tier II cities (X and Y categories), as mentioned above in Table-2]

7. The college campus and general considerations.- (1) The campus designated for Unani Medical College or institution shall accommodate:-

(a) Unani Medical College or institution along with departments, ancillary sections or units or facilities;

(b) teaching hospital along with ancillary sections or units or facilities;

(c) hostels (separately for boys and girls including interns) with or without staff quarters;

(d) in case of two plots, hostel for interns (male and female separately) shall be in the teaching hospital campus.

- (2) The campus designated for Unani Medical College and attached teaching hospital shall have proper approach road, well-constructed compound wall with proper arrangements for security.
- (3) All the buildings shall have all relevant permissions from concerned authorities.
- (4) There shall be fire safety, fire No Objection Certificate (if applicable), sewage treatment plant, permission from pollution control board, disaster management measures, bio-medical waste management etc. as per extant norms.
- (5) Institution must provide a barrier-free environment for the independence, convenience, and safety of the physically challenged persons apart from ramp and lift.
- (6) The campus shall have appropriate layout plan for free vehicular movement and demarcated parking area. The parking area shall be labelled or marked for higher officials, employees and students.
- (7) The campus shall have adequate water supply, proper drainage system, and electricity supply including power back-up system.
- (8) Central Workshop or Maintenance Cell.- There shall be a central workshop or maintenance cell in the campus, equipped suitably as per the requirements of the institution, along with appropriate technical staff or outsourced staff for the maintenance related works in the areas such as electrical, plumbing, carpentry, sanitary, civil works, water supply, waste management, drainage, housekeeping, etc.
- (9) The college or institution shall be fully functional and shall provide teaching and training to students of Unani as per the course curriculum and syllabus as specified by the Commission by establishing an educational ecosystem and shall be ready to impart education over and above the minimum essential standards specified by the Commission.
- (10) An educational ecosystem of the college or institution shall be established in which all stakeholders of the college or institution, all the departments, and other units or sections of the college or institution shall function in coordination and collaboration with each other to provide comprehensive education to students in an ideal academic environment.

8. Official Contact Details.- (1) All official communication shall be through the official contact number and official mail ID of the Unani Medical College or institution only.

- (2) Each Unani Medical College or institution shall have an official mobile number for the Head of the institution (Director or Dean or Principal).
- (3) Each Unani Medical College or institution shall have an official e-mail ID created in the pattern as shown below: -

[Year of establishment of the college unique college Identity Document provided by MARBISM@service provider or domain (Eg, 2023uni00001@gmail.com)]

- (4) Unani Medical College or institution shall communicate to the National Commission for Indian System of Medicine or autonomous boards under the National Commission for Indian System of Medicine or secretariat of the National Commission for Indian System of Medicine through official mobile number and official e-mail Identity Document only.
- (5) Communication through the mobile numbers and e-mail Identity Documents other than official mobile number and official mail Identity Document shall not be entertained.
- (6) The National Commission for Indian System of Medicine or Autonomous Boards shall communicate to the Unani Medical College or institution only through official mobile number of the head of the College or institution and official e-mail Identity Document of the Unani Medical College or institution;

However, in certain specific cases the National Commission for Indian System of Medicine may instruct the Unani Medical College or institution for separate or exclusive mobile number and or e-mail Identity Document for a particular activity; such exclusive contacts shall be used for that specified purpose or period only.

9. Bank Accounts.- (1) There shall be independent official bank accounts in the names of the Unani Medical College or institution and the attached teaching hospital separately for non-government institutions.

- (2) In case, a drug manufacturing unit (commercial production) is attached to the Unani Medical College or institution, the drug manufacturing unit shall maintain a separate bank account.
- (3) All the said official accounts in sub-regulations (1) and (2) shall be either in nationalised banks or any commercial banks approved by Reserve Bank of India.
- (4) All official transactions (income and expenditures) of respective units (college, hospital, and drug manufacturing unit, if any) shall be in specified official accounts only.

- (5) All types of fees for students, including penalties (if any), shall be collected through the official bank account only.
- (6) The Unani Medical College or institution shall have to issue receipts for all fee payments, including penalties (if any), received from the students.
- (7) All types of institutional expenditure, such as salaries of teaching, non-teaching staff, hospital staff, payments to outsourcing agencies, purchases, payments of taxes, maintenance, and establishment expenditure, etc., shall be through the official bank account only.
- (8) The annual audit of accounts shall be audited by a registered chartered accountant firm or audit firm.
- (9) Details of transactions and the annual audit report shall be made available to Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine in such manner specified by the Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine from time to time.
- (10) The Medical Assessment and Rating Board for Indian System of Medicine shall consider only those transactions that are reflected in institutional official bank accounts for assessment and rating purposes.

10. Information Technology Cell and Infrastructure.- (1) The Unani Medical College or institution shall have an Information Technology cell equipped to manage all Information Technology related activities and attend to Information Technology related issues of the college or institution.

- (2) The Unani Medical College or institution shall have an internet connection with broad band connectivity and bandwidth not less than five hundred megabits per second.
- (3) The Information Technology cell shall maintain the website of the Unani Medical College or institution, Hospital Management System Software (compatible with Ayushman Bharath Health Account, Health Professional Registry, Health Facility Registry and Unique Health Identification Number), Learning Management System, digital library, smart boards and multimedia projectors, virtual laboratories, intranet, local area network connectivity, biometric or Aadhar enabled biometric or iris recognition or face recognition attendance system, closed-circuit television, and other items as specified by the National Commission for Indian System of Medicine.
- (4) The Information and Technology Cell shall be in a position to interface or connect online platforms such as Learning Management System, Hospital Management System or Hospital Information Management System Software (compatible with Ayushman Bharath Health Account, Health Professional Registry, Health Facility Registry and Unique Health Identification Number), Biometric or Aadhar enabled biometric or iris recognition or face recognition attendance system, or any other systems specified by the National Commission for Indian System of Medicine with online platforms or information technology systems run by the National Commission for Indian System of Medicine as per their specifications for real-time transfer of data and to Coordinate virtual meetings, webinars, video recording of lectures and practical or clinical demonstrations, virtual or hybrid modes of visitation or assessment, etc., and all other Information Technology related activities.
- (5) The Information Technology Cell shall support all sections of the college or institution in which Information Technology support is essentially needed, including the Human Resources and Development Cell of the Unani Medical College or institution.

11. Biometric Attendance System.- (1) Biometric or Aadhar enabled biometric attendance system or iris recognition or face recognition attendance system shall be installed as specified by the National Commission for Indian System of Medicine for marking attendance by teaching staff, non-teaching staff, hospital staff, postgraduate students, and interns.

- (2) Biometric attendance devices shall be installed at the entrances of the Unani Medical College and attached teaching hospital and shall be under closed-circuit television surveillance. These devices serve the purpose of recording attendance of teaching staff, non-teaching staff, hospital staff, postgraduate students, and interns.
- (3) The closed-circuit television shall be installed in such a way that the marking of attendance is clearly visible on both the face of the staff and the biometric attendance device.
- (4) The biometric attendance device as well as closed-circuit television feed shall be connected or aligned to command-and-control centre of the Commission. The commission or its autonomous boards shall have the power to review the data stored at command-and-control centre and in the devices installed at colleges and to take necessary actions.
- (5) Biometric attendance data shall be made available to the concerned regulatory body or autonomous boards of the National Commission for Indian System of Medicine on real time basis throughout the year through any agency as assigned by the National Commission for Indian System of Medicine.
- (6) For recording attendance of undergraduate students, devices as specified by the Commission shall be adopted.

12. Unani Medical College Website.- (1) Each and every Unani Medical College or institution shall have to maintain an exclusive website in the name of the college or institution.

(2) The college website shall be updated periodically and upload the details as specified by the National Commission for Indian System of Medicine and its autonomous boards.

(3) The National Commission for Indian System of Medicine shall capture the data continuously at different levels.

(4) It shall be the responsibility of the Unani Medical College or institution to ensure that the data, information, and details available on the website are authentic and are uploaded on time as per the requirements of the National Commission for Indian System of Medicine.

(5) Every month, on or before the 10th, the data pertaining to the previous month shall be updated or uploaded.

(6) The following details shall be maintained on the Unani Medical College or institution website: -

(a) details of the head of the institution (Director or Dean or Principal) and Medical Superintendent, including their name, date of birth, photograph, unique teacher's code, council registration number, educational qualification, designation, date of joining, experience, contact mobile number, e-mail Identity Document, etc;

(b) details of teaching staff, including their unique teacher's code, photograph, council registration number, date of birth, educational qualification, designation, date of joining, experience, teaching department, contact mobile number, e-mail Identity Document, etc;

(c) details of non-teaching staff of college and hospital staff including educational qualification, name of the post, department or section or unit etc;

(d) details of the warden and deputy warden of hostels;

(e) specialties of the hospital and consultants, their out-patient department days, consultation timings;

(f) details of permission status, sanctioned student intake capacity, and affiliation;

(g) list of students admitted, merit-wise and category-wise, for the current and previous year;

(h) University examination results and a comparative graph with the previous three years;

(i) details of the research publications by the students or faculties in the last year;

(j) details of Continuous Medical Education programmes, seminars, conferences, workshops, faculty development programmes, capacity building programmes, hands-on training, research projects, collaborative programmes, and any other academic or clinical programmes conducted by the institution in the last one year;

(k) accreditations, awards, achievements, and appreciations, if any, received by the institution;

(l) hospital patients' statistics and comparative data or graph with the previous three years;

(m) announcements of forthcoming events like seminars, workshops, etc.

13. Minimum Essential Standards for the Unani Medical College or Institution.- The Unani Medical College or institution shall have the following departments or sections or units or cells or facilities,-

(1) Administrative section: The administrative section of the college shall accommodate,-

(a) head of the institution (Director or Dean or Principal) room;

(b) room for personal assistant to head of the institution (Director or Dean or Principal);

(c) visitor's room for visitors to head of the institution (Director or Dean or Principal);

(d) staff committee room or Meeting room;

(e) office superintendent room;

(f) establishment and accounts section with cash counter;

(g) waiting area or lounge for office visitors;

(h) record room;

(i) central store;

(j) pantry;

(k) toilets for office staff (male, female and physically abled separately); and the details of the total constructed area are shown in the Schedule-II i.e minimum two hundred square meters for sixty students intake capacity,

two hundred fifty square meters for hundred students intake capacity, three hundred square meters for one hundred fifty students intake capacity and three hundred fifty square meters for two hundred students intake capacity.

(2) Lecture Hall or Classrooms.- (a) there shall be five lecture halls or classrooms, each of which shall have an area of not less than one hundred square meters for sixty students intake capacity, one hundred fifty square meters for one hundred students intake capacity, two hundred square meters for one hundred fifty students intake capacity and two hundred fifty square meters for two hundred students intake capacity, and the requirements of the total constructed area are mentioned in Schedule-II i.e. minimum five hundred, seven hundred fifty, one thousand and one thousand two hundred fifty square meters for sixty, hundred, one hundred fifty and two hundred students intake capacity respectively;

(b) each lecture hall or classrooms shall have a seating capacity more than twenty per cent of the student intake capacity. i.e., with seating capacities of seventy-five for sixty students intake capacity, one hundred twenty for hundred students intake capacity, one hundred eighty for one hundred fifty students intake capacity, and two hundred forty for two hundred students intake capacity;

(c) all lecture halls or classrooms shall be Information Communication Technology enabled classrooms equipped with Information Communication Technology tools such as smart boards, audio-visual gadgets, internet connection or wireless fidelity facility, etc;

(d) all the lecture halls or classrooms shall be under closed-circuit television surveillance, and the closed-circuit television coverage shall be for the entire class room;

(e) the classroom shall not be too long or too wide;

(f) the seating arrangement in classrooms should be gallery-type or theatre-type and may be preferably semi-circular so that every student has clear visibility of the teacher, the blackboard, and the smart board;

(g) the size of the central display in the classroom shall be in proportion to the classroom capacity and size, and additional displays may be arranged for the students sitting at the rear end.

(3) Seminar or Conference or Examination or Yoga and Riyazat Hall (Multipurpose hall).- (a) there shall be a Multipurpose hall having an area of one hundred fifty, three hundred, four hundred fifty, and six hundred square meters, with appropriate seating arrangements made available for sixty, hundred, one hundred fifty, and two hundred students intake capacity, respectively, as shown in Schedule-II;

(b) the multipurpose hall shall be used for the conduct of meetings, seminars, conferences, workshops, continuing medical education programmes, examinations, yoga and riyazat training, college functions etc;

(c) the multipurpose hall shall have audio-visual facilities, Closed-Circuit Television, and toilet facilities.

(4) Central library.- (a) each Unani Medical College or institution shall have a central library with good ventilation, proper lighting, appropriate seating arrangements, well-arranged bookshelves, etc. as detailed below;

(b) the central library shall have a minimum area of one hundred fifty square meters for sixty students intake capacity, two hundred fifty square meters for one hundred students intake capacity, three hundred fifty square meters for one hundred fifty students intake capacity, and four hundred fifty square meters for two hundred students intake capacity, as specified in Schedule-II;

(c) the central library shall have seating capacity more than twenty per cent of its students intake capacity. i.e., with the seating capacity of seventy-five for sixty students intake capacity, one hundred twenty for hundred students intake capacity, one hundred eighty for one hundred fifty students intake capacity, and two hundred forty for two hundred students intake capacity as specified in Table-3;

(d) the central library shall maintain a minimum of eight thousand books for sixty students intake capacity, ten thousand books for one hundred students intake capacity, twelve thousand books for one hundred fifty students intake capacity, and fourteen thousand books for two hundred students intake capacity;

(e) the minimum number of indexed scientific journals in the central library irrespective of intake capacity shall be ten, as shown in Table-3 and such journals shall be indexed in PubMed or Web of Science or University Grants Commission-Consortium for Academic and Research Ethics or Science Citation Index or Scopus, etc;

(f) biometric attendance for all students and teaching staff shall be made available in the central library;

(g) a catalogue coding system (physical or automated) shall be made available at the library entrance;

(h) there shall be a display facility at an appropriate place in the library for newly arrived books;

(i) all the newly arrived books are to be displayed for a specific duration as per the institutional library policy, or a minimum of fifteen days;

- (j) the seating arrangement in the reading room shall be in a unidirectional pattern, and face-to-face seating arrangements shall be avoided, or partitions shall be provided in case of face-to-face seating arrangements. The reading room table shall have an adequate number of charging ports for laptops;
- (k) all books and journals shall be kept on open shelves without locking to provide students with free access to books. Rare and out-of-print books, old manuscripts, and listed books may be kept on closed shelves;
- (l) the entire library shall be under closed-circuit television surveillance;
- (m) the library etiquette, institutional library discipline maintenance policy and instructions for library users approved by the college council shall be displayed prominently at the entrance of the library;
- (n) the minimum working hours of the library on all working days (Monday to Saturday) shall be from 9:00 a.m. to 8:00 p.m. without any break;
- (o) on Sundays, the working hours for the library shall be 10 a.m. to 2 p.m.;
- (p) hours prescribed in clauses (n) and (o) are the minimum prescribed working hours; however, colleges can maintain extended library hours;
- (q) the central library shall also include a library office, seating arrangements for librarians and other library staff, dedicated space for new arrivals and books under maintenance or binding, book issue and return, separate toilets for male and female students, a drinking water (hot and cold) facility, etc;
- (r) the library shall keep all journals published by Central Council for Research in Unani Medicine, Central Council for Research in Ayurvedic Sciences, Central Council for Research in Siddha, National Institutes (Unani, Ayurveda, Siddha), Institute of Teaching and Research in Ayurveda (the Institute of National Importance), etc. in the library for students and staff.

Table-3

Minimum Requirement of Books, Journals, and Seating Capacity

Serial Number	Student Intake Capacity	Seating Capacity	Minimum Number of Books	Minimum Number of Indexed Scientific Journals
(1)	(2)	(3)	(4)	(5)
1	Sixty	Seventy-five	8000	ten
2	One hundred	One hundred twenty	10000	
3	One hundred fifty	One hundred eighty	12000	
4	Two hundred	Two hundred forty	14000	

(s) library services include book issue and return, indexing, copying facilities, a book reservation system, and assistance in using the library;

(t) the library shall provide magazines and newspapers for non-teaching staff and suitable study and reading material, competitive examination books, etc., for the students who are attending various competitive examinations;

(u) entire library shall be barrier free movement to facilitate, easy access to all people including differently abled students;

(v) if the college is located on a university campus and the university library is in a separate building, then an exclusive wing for Unani shall be provided in the university library with all the requirements as specified in these regulations.

(5) Digital Library.- (a) the digital library shall have the minimum required area of forty square meters for sixty students intake capacity, fifty square meters for one hundred students intake capacity, sixty square meters for one hundred fifty students intake capacity and seventy square meters for two hundred students intake capacity, as mentioned in Schedule-II;

(b) the digital library shall include office space and seating for the digital library in-charge, stations with computer systems having broad band connectivity, storage facilities for compact discs, headphone sets, etc;

(c) the digital library shall have fifteen computer systems with stations for sixty students intake capacity, twenty five computer systems with stations for one hundred students intake capacity, thirty five computer systems with stations for one hundred fifty students intake capacity and forty five computer systems with stations for two hundred students intake capacity;

(d) the digital library with the infrastructure detailed in Table-4 shall be provided for students to browse the internet and access e-journals, e-contents, e-books, educational compact discs, e-resources, etc;

(e) the minimum working hours of the digital library on all working days (Monday to Saturday) shall be from 9 a.m. to 8 p.m. without any break;

(f) on Sundays, the working hours for the digital library shall be 10 a.m. to 2 p.m.;

(g) the working hours mentioned in clauses (e) and (f) are the minimum working hours. However, colleges or institutes can maintain extended library hours.

Table-4

Minimum Essential Requirements for Digital Library

Serial Number (1)	Students Intake Capacity (2)	Number of Stations with Computer Systems (3)
1	Sixty	Fifteen
2	One hundred	Twenty-five
3	One hundred fifty	Thirty-five
4	Two hundred	Forty-five

(6) Teaching Departments.- (a) there shall be fourteen teaching Departments;

(b) each Department shall be provided with rooms or cubicles for teachers, a departmental library, working accommodations for non-teaching staff, and a practical laboratory, dissection hall, museum cum tutorial room, or tutorial room as per the requirements of the individual Department as specified in these regulations (Schedule-II), and all units or sections of one Department shall be located together in the Department with adequate space;

(c) the minimum area required for all Fourteen Departments shall be one thousand four hundred seventy-five square meters for sixty students intake capacity, two thousand five hundred twenty-five square meters for one hundred students intake capacity, three thousand six hundred twenty-five square meters for one hundred fifty students intake capacity, four thousand eight hundred square meters for two hundred students intake capacity, and break-up area for each Department and their ancillary sections or units shall be as per Schedule-II;

(d) teachers shall be accommodated in their respective Departments, and each Head of The Department, Professor, Associate Professor, and Assistant Professor shall be provided privacy in a separate room or cubicle in their respective Departments. The minimum area for each Professor, Associate Professor, and Assistant Professor shall be fifteen, thirteen and ten square meters respectively. Open seating arrangements for teachers in the common hall, room, or Department shall not be permitted;

(e) each Department shall be provided with computers, printers, and internet facilities;

(f) each Department shall be provided with an e-display (smart board or smart television or light emitting diodes display and the like) facility to display e-contents such as videos, images, posters, charts, subject related information, models, treatment methods, surgical procedures, pathological slides, instruments, preparation of medicines, medicinal plant images, herbarium, X-rays, diagnostic tools, etc. as applicable to each department for effective teaching;

(g) minimum equipment, instruments, chemicals, reagents, glassware, etc., required for practical laboratories shall be as per Schedule-VII to XIV;

(h) minimum models, specimens, etc. required for the departmental museum shall be as per Schedule-VII, VIII, X, XI, XII, and XIII;

(i) the Departments conducting practical training, shall maintain all facilities as per the student capacity to conduct all practical listed in the syllabus;

(j) Language laboratory under the Department of Kuliyat (Basic Principles of Unani Medicine) shall be provided with computers with internet facilities, compact discs, audio-visual facilities, microphones, headsets,

etc., to promote language skill, communication skill, and skill in phonetics, etc., in Arabic, Urdu, Persian or English, as the case may be;

(k) dissection hall: (i) the dissection hall under the Department of Tashreehul Badan (Anatomy) shall have proper ventilation, an exhaust facility, an adequate hand wash facility, and a storage tank or freezer to preserve two to four cadavers;

(ii) a virtual dissection or e-dissection facility in the dissection hall may also be provided to augment the quality of training;

(iii) there shall be one demonstration station in the dissection hall and one dissection station for ten students, i.e., six, ten, fifteen, and twenty dissection stations for sixty, one hundred, one hundred fifty and two hundred students intake capacity, respectively;

(iv) demonstration and Dissection Stations: Demonstration station shall have shadow less operation theatre lights and an inbuilt high-resolution closed-circuit television camera, and the dissection hall shall have a display unit (smart television, light emitting diode screen, smart board, etc.) that is connected to the closed-circuit television camera;

(v) if it is required, the embalming facility may also be provided;

(vi) this Department shall have waste disposal facilities as per the norms.

(l) Teaching Pharmacy (Ilmul Saidla Practical Laboratory): (i) it shall be for teaching, demonstration, and training of students but not for commercial production of medicines.

(ii) the medicines prepared as a part of practical training in teaching pharmacy shall not be administered to patients;

(iii) in the event that the institution is attached to a pharmacy of commercial production, that pharmacy shall not be treated as a teaching pharmacy;

(iv) the teaching pharmacy may preferably be located at the end of the college building on the ground floor or in a separate building on campus and shall be equipped with a proper exhaust system and fire and safety measures;

(v) the teaching pharmacy shall have adequate infrastructure and facilities as mentioned in Schedule-XI to conduct Ilmul Saidla practical as per the syllabus.

(m) Quality testing laboratory: (i) the quality testing laboratory under the Department of Ilmul Saidla (Unani Pharmacy) is a common facility for both Ilmul Saidla (Unani Pharmacy) and Ilmul Advia (Pharmacology) departments;

(ii) the quality testing laboratory shall maintain all facilities, including equipment, instruments, chemicals, and reagents, as mentioned in Schedule-XI for quality testing of drugs and for demonstrative teaching and training.

(n) Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) practical laboratory under the Department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) a poison or toxin detecting or analysing facility shall also be provided to study various poisons or toxins or food contaminants.

(o) Mahiyatul Amraz (Pathology) Department: (i) college or institution shall have an independent practical laboratory with adequate facilities as mentioned in Schedule-XII for the students to pursue practical training as per the syllabus;

(ii) the clinical or pathology laboratory of the attached teaching hospital shall not be considered as a Mahiyatul Amraz (Pathology) practical laboratory.

(p) Nutrition laboratory: Nutrition laboratory under the Department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine), with all minimum requirements as specified in Schedule-XIII to analyse the nutritional value of diet, culinary medicine, and functional foods as per the list of practicals prepared by the department based on the syllabus;

(q) Jarahat (Surgery) department shall maintain specimens in the museum cum tutorial room like gall stones, renal stones, tumours, etc. for teaching purposes;

(r) Ain, Uzn, Anaf halaq wa Asnan (Ophthalmology, Ear, Nose Throat and Dentistry) Department shall maintain specimens in the museum cum tutorial room for teaching purposes;

(s) the working tables of all the practical laboratories of teaching Departments wherever applicable, should be of hard stone or stainless steel, and there should be an arrangement of proper shelves and running water taps in wash basins;

(t) the National Commission for Indian System of Medicine may revise the syllabus from time to time, and accordingly, the requirements for equipment and other facilities may vary. It is the responsibility of the institution or concerned Department to provide such facilities, specified by the National Commission for Indian System of Medicine from time to time.

(7) Clinical Skill or Simulation Laboratory.-(a) each Unani Medical College or institution shall have a minimum constructed area of one hundred twenty five square meters, two hundred square meters, two hundred seventy five square meters and three hundred fifty square meters for sixty, one hundred, one hundred fifty and two hundred students intake capacity, respectively, as specified in Schedule- II and shall be equipped with manikins or simulators as specified in Schedule-XIV;

(b) the virtual or augmented reality facility may also be provided for effective teaching and training;

(c) the Clinical Skill or Simulation Laboratory shall have a proper storage facility for manikins, simulators, and other training materials or equipment or devices;

(d) the Clinical Skill or Simulation Laboratory shall accommodate the coordinator, office assistant with an adequate space, and attendant;

(e) there shall be an office and seating arrangement for staff, demonstration cum practice rooms (as mentioned in Table-5) and all demonstration cum practice rooms shall be equipped with smart board and other suitable audio-visual equipment or gadgets;

(f) there shall be a reception, a record-keeping facility, and shoe racks at the entrance with enough slots.

Table-5

Minimum Essential Requirements for Clinical Skill or Simulation Laboratory

Serial Number (1)	Students Intake Capacity (2)	Demonstration cum Practice Rooms	
		Number (3)	Capacity (4)
1	Sixty	1	Each demonstration cum practice room shall accommodate minimum thirty students
2	One hundred	2	
3	One hundred fifty	3	
4	Two hundred	4	

(8) Human Resource Development Cell.- (a) Human resource and development cell shall be with a with a minimum space of one hundred thirty square meters, one hundred fifty square meters, one hundred seventy square meters and one hundred ninety square meters for sixty, one hundred, one hundred fifty, and two hundred students intake capacity, respectively, and the minimum break-up space for workshop area, office, store, circulation area and toilets as mentioned in the Schedule-II;

(b) Human Resource Development Cell shall serve as a Medical Education Technology Training Unit or Quality Input Programme Unit for teachers and an orientation cum training unit for medical, paramedical, technical, administrative, and supportive staff of the institution;

(c) Human Resource Development Cell shall have an office with adequate space to accommodate the coordinator, office assistant, and attendant;

(d) the Human Resource Development Cell Hall or room shall be suitable for conducting workshops with a seating capacity of minimum thirty participants and be equipped with adequate furniture;

(e) the hall shall be equipped with an audio-visual system, multimedia projector or smart interactive board, computer, laptop, Wi-Fi connectivity, laptop charging points for participants, printer, copier, photographing facility, and video recording facility to develop e-teaching contents;

(f) the Human Resource Development Committee, comprising a chairman (the head of the institution-(Director or Dean or Principal), a coordinator (Professor or Associate Professor), and members (one teaching faculty member from each professional, a medical superintendent or deputy medical superintendent, and one person from administration or human resource development), shall be constituted by the institution, which shall plan, execute, and monitor the activities of human resource and development cell. The committee may co-opt any expert or any other member as required;

(g) the term of the committee shall be two years, or as per institutional policies;

(h) the Committee shall identify the skills, techniques, or knowledge that are to be trained or oriented as per the guidelines issued by the National Commission for Indian System of Medicine for each category of employees, prepare the schedule, and announce and implement it accordingly;

(i) category of employees of an Unani Medical College and attached teaching hospital shall be as follows:

(i) teaching staff, physical education instructor, yoga instructor, and library staff;

(ii) administrative staff;

(iii) nursing staff and lab technicians;

(iv) therapists in Ilaj bit Tadabeer therapy sections;

(v) technical staff (information technology, electrical, plumbing, etc.);

(vi) cook in the hospital kitchen for Ghiza Makhsoosa (Specific diet) including instant medicine preparation section;

(vii) supportive staff (gardener, drivers, security personnel, etc.);

(viii) menial staff, Group D, housekeeping, multi-tasking staff, attendants etc.

(j) Human Resource and Development Cell shall be provided with staff as specified in Schedule-VI for the smooth functioning of human resource and development cell, including planning of requirements, recruitment methodology and criteria, induction, training, and development;

(k) technical support for operating multimedia projector and other information technology related activities, technical support shall be obtained from the institutional Information Technology cell;

(l) human resource development cell ensures 360-degree approach and inclusive development of the institution by upscaling the skill of the employees through capacity building orientation and training.

(9) Research and Innovation Cell.- (a) a room with minimum of thirty square metres as mentioned in the Schedule -II with adequate furniture and document storage facility shall be provided;

(b) this cell facilitates activities such as innovation, incubation, research, documentation, publication and intellectual property rights;

(c) the college shall constitute Institutional Research and Innovation Committee with Coordinator and members [coordinator for Research, Publication, and intellectual property rights, three faculty members, one from each professional and two students (one boy and one girl) from each batch]. The head of the institution (Director or Dean or Principal) shall be the chairman of the committee;

(d) the Coordinator of the Research and Innovation Cell [a senior faculty known for visionary and creative activity], shall be the coordinator of the Institutional Research and Innovation Committee;

(e) the Institutional Research and Innovation Committee shall identify or invite the innovative ideas from students, teachers and other staff of the college and facilitate to incubate or nurture the ideas and to translate to useful products or outcome;

(f) innovations may be in teaching, training, diagnostics, therapeutic equipment, surgical equipment, dosage forms, technology, software, apps, assessment scales etc.;

(g) the coordinator of the Research and Innovation Cell shall have been undergone training conducted by the National Commission for Indian System of Medicine or as specified by the commission. If not, he or she shall undergo the same within six months of the appointment as coordinator;

(h) coordinator for Research, Publication and Intellectual Property Rights: A faculty member of the college familiar with research, publication and Intellectual Property Rights aspects or who have undergone training on these aspects shall be nominated as coordinator;

(i) every institution shall develop institutional policy to support activities related to innovation, incubation, research, publication, Intellectual Property Rights, disbursement of research grants, research incentives, publication incentives, etc.;

(j) the policy must be oriented to all stakeholders and have developed implementation and monitoring mechanism.

(10) Co-Curricular or Extra-Curricular Activities.- Adequate facilities shall be provided by the institution for conduction of Co-Curricular or Extra-Curricular activities and the activities may include,-

(a) physical education facility;

- (b) recreational facility;
- (c) National Service Scheme unit;
- (d) college may have various student club such as Science club, Environment club, Fine Arts club, Sports club, Literary club, Language club, Photography club, Adventures club, animal lovers club, etc.;
- (e) Community outreach programme;
- (f) medical camps or village adoption or health awareness programme;
- (g) field visit or survey;
- (h) conducting seminar, workshop, brainstorming, symposium etc.

(11) Common rooms for students.- Two common rooms (one for boys and one for girls separately), with a minimum total area of one hundred square meters, two hundred square meters, three hundred square meters and four hundred square meters for sixty, hundred, one hundred fifty, and two hundred student intake capacity, respectively, as mentioned in Schedule-II required to accommodate a minimum of twenty per cent of the sanctioned intake capacity and adequate seating arrangements and attached toilets, shall be made available.

(12) Staff amenities.- (a) two common rooms (one for male and one for female separately) for teaching staff, shall be provided with a minimum total area of fifty square meters, sixty square meters, seventy square meters and eighty square meters for Sixty , hundred , one hundred fifty , and two hundred student intake capacity, respectively, as mentioned in the Schedule-II and adequate furniture, seating arrangements, attached toilets, drinking water and refreshment facilities shall be made available;

(b) adequate number of toilets at appropriate and easily accessible places separately for teaching staff (male and female) for non-teaching staff (male and female) shall be provided in each floor;

(c) sanitary napkin dispenser and incinerator shall be provided in female toilets.

(13) Student amenities.- (a) facilities like transportation, Bank or Automated Teller Machine, playground (indoor and outdoor games), stationery store, cafeteria etc. are to be made available;

(b) adequate numbers of toilets at appropriate and easily accessible places in each floor separately for male and female students shall be provided;

(c) sanitary napkin dispenser and incinerator shall be provided in female toilets.

(14) Hostels.- (a) there shall be separate hostels for boys, girls and intern-boys and intern-girls in the campus with adequate accommodation, furniture, reading room, recreational facility, attached bath and toilet facility and security;

(b) apart from college canteen mentioned in sub-regulation (15), hostel may also maintain a separate mess if required;

(c) interns to be provided separate hostels, preferably near the hospital, to perform assigned clinical duties conveniently;

(d) the colleges established before notification of these regulations, may continue the hostels in the campus or outside campus or in outsourced building.

(15) Canteen.- (a) canteen facility with sitting arrangement for about one hundred persons shall be available for sixty and hundred students intake capacity and sitting arrangement for two hundred persons for one hundred fifty and two hundred students intake capacity and the space required for the canteen shall be as specified in the Schedule-II i.e. hundred square meters for sixty students intake capacity, one hundred fifty square meters for hundred students intake capacity, two hundred square meters for one hundred fifty students intake capacity and two hundred fifty square meters for two hundred students intake capacity;

(b) if the college and hospital are in same campus in such case common canteen or in case if the hospital is on a separate campus, then a separate canteen in hospital premises shall be made available;

(c) the canteen shall have separate sections for teaching staff including consultants of the hospital.

(16) Herbal Garden.- (a) college shall have a well-developed medicinal plant garden with minimum area of two thousand five hundred square meters for sixty students intake capacity and four thousand square meters for hundred, One hundred fifty and two hundred students capacity with demonstration room under the Department of Ilmul Advia (Pharmacology) as mentioned in the Schedule -III and it shall have minimum two hundred species of medicinal plants including common and rare or endangered species;

(b) medicinal plants in the garden are to be labelled with Quick Response Code code to provide the details of medicinal plants including local name, vernacular names, botanical name, family name, identification points, medicinal properties etc.

(17) Closed-Circuit Television.- (a) closed-circuit television cameras shall be installed at biometric attendance systems installed area, classrooms, library, digital library, practical laboratories, clinical skill or simulation laboratory, corridors, examination hall, entrance and exit of college and hospital, reception and registration zone, out-patient zone, and pharmacy of the hospital. Installation may be made in other areas as per the requirement of the institution;

(b) cameras shall be high-resolution and capable of day-time and night-time recording;

(c) the Digital Video Recorder shall have the capacity to store the data for a minimum of three months.

(18) College Council.- (a) every Unani Medical College or Institution shall have a College Council comprising of the Head of the Departments, the Medical Superintendent or Deputy Medical Superintendent as members, and the Head of the Institution (Director or Dean or Principal) as Chairperson;

(b) the College Council shall meet four times in a year to draw up the implementation strategy of the curriculum and training programme, the enforcement of discipline, and other academic matters and shall keep records of the same;

(c) the College Council shall organise regular interdepartmental meetings like grand rounds, statistical review meetings, clinical meetings and periodical research reviews in the institution;

(d) the College Council shall plan, review and upgrade academic, healthcare, research and co-curricular or extra-curricular activities of the institution, strategic planning and implementations, students' performance and improvisation;

(e) the College Council shall review the annual (January to December) academic events of the Unani Medical College or institution and prepare the academic audit report of the institution as per the guidelines of the National Commission for Indian System of Medicine and the institution shall submit the academic audit report in the prescribed format and such manner to the National Commission for Indian System of Medicine within the timeframe, specified by the National Commission for Indian System of Medicine;

(f) the minimum area required for the college council room shall not be less than fifty square meters for sixty students intake capacity, hundred square meters for hundred students intake capacity, and one hundred fifty square meters for one hundred fifty and two hundred students intake capacity, as specified in Schedule -II;

(g) Academic Committee.- (i) the college council shall constitute an academic committee comprising a vice principal, deputy director, deputy dean (if any), or senior faculty member as chairperson and one faculty member from each department as a member;

(ii) the planning, execution, and monitoring of teaching schedules shall be the responsibility of the academic committee;

(iii) the teaching schedule shall be integrative in nature and shall be announced one month before;

(iv) the teaching schedule shall be hosted on the institutional website as well as the Learning Management System portal.

(19) Student Council.- (a) student Council shall have a room having minimum of twenty square meters as shown in the Schedule-II with adequate seating capacity, storage facility to maintain files shall be made available;

(b) student Council is the representative body of the student community of the college or institution and it shall be a group of ambitious, hardworking and dedicated students working together with a faculty advisor to provide a means of expression and assistance in college affairs, conduct various programme or institutional fest or activities, give opportunities for student experience in leadership and encourage student or faculty or community relations;

(c) student Council make suggestions to the head of the institution (Director or Dean or Principal) in respect to welfare of students, discipline, hostel management, arts and sports, student's health, social activities, working of library, Co-Curricular or Extra-Curricular activities etc.;

(d) student Council shall communicate its views, observations and recommendations to head of the institution (Director or Dean or Principal) in respect to student concern matters through 'Student Welfare Officer' (faculty member nominated by the institution);

(e) college shall constitute Student Council by selection process or as specified by the affiliated university;

(f) institution shall have to developed policy for constitution of student council and its functionality;

(g) if such guidelines of university are not available, the composition of student council shall be as under:

(i) Chairman;

(ii) Secretary;

(iii) Members (class representatives of all batches, literary club secretary, fine arts club secretary, sports club secretary, science club secretary, secretary of any other club, National Service Scheme representative, and additional member as per requirement).

(20) Student Support and Guidance including Career Guidance and Placement Cell.- (a) each Unani Medical College or Institution shall have Student Support and Guidance including Career Guidance and Placement Cell which is intended to support, guide and encourage students in academic, scholastic, social, emotional, personal, career development, and placements; having minimum area of twenty-five square meters as shown in the Schedule-II;

(b) distinct care shall be given for new batch of students to become as confident professional and to overcome academic learning related difficulties that they face in the initial phase of their undergraduate programme;

(c) student support and guidance including career guidance and placement cell will identify various opportunities for higher education and placements and advice the students accordingly;

(d) the cell orients the students in preparation of various competitive examinations and to face interviews;

(e) college or institution shall constitute Student Support and Guidance including Career Guidance and Placement Cell as per the guidelines of the affiliated university;

(f) If such guidelines are not available, it shall be constituted as per the following:

(i) convener: a senior faculty;

(ii) members;

(A) three faculty members (one faculty from each professional, at least one female);

(B) two student representatives (1 male and 1 female) from each batch;

(C) two representatives from Parent-Teachers Association;

(g) the institution shall have the policy of constitution of Student Support and Guidance including Career Guidance and Placement Cell and its functionality.

(21) Grievance Redressal Cell.- (a) the Unani Medical College or institution shall establish Grievance Redressal Cell and constitute Grievance Redressal Committee;

(b) there shall be complaint or suggestion boxes appropriately labelled including the details of next opening and shall be kept at appropriate places of the institution;

(c) the complaints or suggestions boxes are to be periodically opened by the Grievance Redressal Cell committee, a record of complaints or suggestions, action taken report and the outcome shall be maintained;

(d) the institution shall have the policy of constitution of Grievance Redressal committee and its functionality;

(e) Grievance Redressal Cell may use Student Support and Guidance including Career Guidance and Placement Cell room as a common facility for meetings and have separate almirah to keep related files and documents separately.

(22) Pharmacovigilance Cell.- (a) every Unani Medical College or institution shall have an established Pharmacovigilance Cell with minimum of twenty square meters area as mentioned in the Schedule-II. The cell will function in association with the Regional or National or Central Pharmacovigilance Cell;

(b) the composition of pharmacovigilance cell shall be as under:

(i) one senior faculty member from Ilmul Advia (Pharmacology) or Ilmul Saidla (Unani Pharmacy) or Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) as a coordinator;

(ii) one faculty member from each department of Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics) as members;

(c) the committee shall meet once in two months, identify adverse drug reactions and other related issues analyse and report to the Regional or National or Central Pharmacovigilance as per the procedure.

(23) Committee against sexual harassment.- (a) each Unani Medical College or institution shall have a “Committee Against Sexual Harassment” for the creation of safe, equitable and inclusive campus environment;

(b) the Committee shall deal the complaints or grievances pertaining to sexual harassment, sexual misconduct, and sexual assault committed by students, faculty, staff and other staff and visitors on campus and shall create awareness on sexual harassment;

(c) the Committee shall ensure that there is a confidential procedure are followed in receiving and handling of complaints;

(d) each institution shall have their institutional policy in the constitution of the committee and its function;

(e) Committee Against Sexual Harassment may use Student Support and Guidance including Career Guidance and Placement Cell room as a common facility for meetings and have separate almirah to keep related files and documents separately.

(24) Internal Quality Assurance Cell.- (a) each Unani Medical College or institution shall have internal quality assurance cell for planning, guiding, and monitoring quality assurance and quality enhancement activities of the institution;

(b) the composition of Internal Quality Assurance Committee shall be as per the following:-

(i) the head of the institution ((Director or Dean or Principal) – Chairperson;

(ii) medical superintendent or deputy medical superintendent- Member;

(iii) three senior faculties (one from each professional course)-Members;

(iv) senior administrative staff (one from the college and one from the hospital)- Members;

(v) one external expert on quality management- Member;

(vi) a senior faculty member- Member secretary;

(c) the members and member secretary as mentioned in sub-clause (iii), and (vi) shall be nominated by the head of the institution(Director or Dean or Principal);

(d) the membership of nominated members shall be for a period of two years from the date of constitution;

(e) the Internal Quality Assurance Committee shall meet once in quarter;

(f) main functions of Internal Quality Assurance Cell are: -

(i) development and application of quality parameters for various academic, clinical and administrative activities of the institution;

(ii) facilitating the creation of a learner-centric environment;

(iii) arrangement for 360-degree feedback on quality related institutional process;

(iv) sensitisation of stakeholders regarding quality assurance;

(v) organisation of various quality input programmes;

(vi) documentation of all activities of the college leading to quality improvement;

(vii) coordinating quality related activities and dissemination of best practices; and

(viii) development of data-base.

(g) The Internal Quality Assurance Cell shall be a dynamic system for quality changes in the college or institution.

(25) Human Resource (Minimum Requirement of Staff for the College): (a) there shall be a minimum of thirty two, forty seven, seventy and ninety two full-time teachers appointed on a regular basis for the students intake capacity up to sixty, one hundred, one hundred fifty, and two hundred students, respectively, with the addition of one part-time biostatistician to teach Research Methodology and Medical Statistics, full-time Yoga instructor (one Yoga instructor for the sixty, one hundred, and one hundred fifty students intake capacities and two Yoga instructors, i.e., one male and one female, for the two hundred students intake capacity), and one full-time Physical education instructor or trainer as specified in the Schedule-V;

(b) the Biostatistician shall be with the minimum qualification as mentioned in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations, 2022 and shall be working in the Department of Tahaffuzi wa Samaji Tib;

(c) the Physical education instructor shall be minimum a bachelor’s degree holder in physical education;

(d) the Yoga instructor shall be with the minimum qualification as mentioned in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations, 2022;

(e) the yoga instructor shall be working in the Department of Tahaffuzi wa Samaji Tib and shall serve in both the college and hospital;

(f) the head of the institution (Director or Dean or Principal) of each Unani Medical College or institution shall undergo the orientation programme on Educational Administration conducted by the National Commission for Indian System of Medicine within the period specified by the Commission and it is a mandatory requirement for holding the post of the head of the institution. Failing which he or she shall not be considered for the post of head of the institution by the Medical Assessment and Rating Board for Indian System of Medicine;

(g) the minimum number of non-teaching staff (technical and other staff) in various units or section or departments of the college and their educational qualifications shall be as per the details given in the Schedule-VI;

(h) there shall be minimum forty, forty-one, sixty-four and sixty-eight non-teaching staff appointed on regular basis for the students intake capacity up to sixty, one hundred, one hundred fifty and two hundred respectively.

(26) Teaching Days.- (a) the attendance of teaching staff shall be assessed in terms of teaching days;

(b) teaching days shall be calculated individually for every teacher and cumulatively for all teachers in the institution;

(c) teaching days shall be calculated as follows:-

(i) 'Period of Calculation' shall be considered as the twelve months preceding the month of visitation or assessment;

(ii) working days of a teacher shall be considered from the attendance (biometric or Aadhar enabled biometric or iris recognition or face recognition or any other as specified by the National Commission for Indian System of Medicine) available at the central server;

(iii) working days of an institution shall be considered as the total number of days in that particular assessment period minus official holidays of that period;

(iv) the holidays notified by the Central and State Governments and the holidays declared by the District Collector shall only be considered holidays;

(v) the college shall have to upload any local official holidays, etc., with a proper document within ten days of the declaration of the holiday in the manner as specified by the National Commission for Indian System of Medicine;

(vi) no request shall be considered beyond ten days;

(vii) data available on the central server shall only be considered for the calculation of individual teaching days as well as cumulative teaching days for the institution;

(viii) "Individual teaching days" are calculated based on the number of days a teacher attended the duties of the college as a full-time teacher during the period of calculation and the number of working days the teacher was attached to the institution during the period of calculation;

(ix) individual teaching days are calculated as per the formula given below:

Number of days attended the college as full-time teacher	X	100
Number of working days in the period the teacher attached to the institution		

(x) each teacher shall have to attend a minimum of seventy-five per cent. of working days as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations 2022, and continuous absence for the rest of twenty-five per cent. from the teaching shall not be permitted except maternity leave and medical leave for prolonged illness;

(xi) the National Commission for Indian System of Medicine may constitute a "Medical Board" to examine and verify prolonged medical leave, if it is necessary;

(xii) the cumulative teaching days of the institution are calculated as per the below mentioned formula:

Total working days attended by all the teachers during the assessment period*	X	100
---	---	-----

Total number of working days of all teachers of the institution during the assessment period#		
---	--	--

Explanation:

*Total working days attended by all the teachers during the assessment period may be calculated by adding the individual attendance of all teachers;

#Total number of working days of all teachers of the institution during the assessment period may be calculated by multiplying the number of working days in that assessment period by the minimum number of teachers specified for that particular student intake capacity. For example, if thirty teachers were present in the college for the entire period of assessment and the working days were three hundred days for that assessment period of twelve months, then the total working days would be: $30 \times 300 = 9000$.

(27) Relieving and replacement of teaching staff.- (a) the teaching staff shall be relieved on resignation as per the terms and conditions in the appointment order or within the notice period of a maximum of thirty days, whichever is less, except in the case of teachers with pending legal issues;

(b) the Unani Medical Colleges or institutions withholding the staff beyond the specified period and not issuing a relieving order and experience certificate shall be penalised by the Medical Assessment and Rating Board for Indian System of Medicine;

(c) if the teacher gets a Government appointment, he or she shall be relieved as per his or her request;

(d) in the case of teaching staff relieved from the institution, the institution shall replace the vacant post with an eligible teacher within three months from the date of relieving the teacher. In the event of a delay in appointment, the college shall be penalised three times the minimum salary per month or as specified by the Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine for each month of the delayed period;

(e) the period of delay shall not be more than three months;

(f) the delay beyond three months shall be treated as non-appointment;

(g) the provision of three months' time for the appointment of teaching staff shall not be applicable in cases of vacancies due to the retirement of a teacher;

(h) Experience of consultants and teaching staff for the period before the issue of Letter of Permission:

(i) calculation of experience of the teaching faculty that: (A) if the teacher joined after receiving a Letter of Intent, the teaching experience shall be counted from the date of joining;

(B) if the teacher joined before receiving the Letter of Intent, the teaching experience shall be counted from the date of issue of the Letter of Intent;

(ii) calculation of experience of consultants that: (A) for the period prior to receiving the Letter of Intent, the teaching experience shall be counted for the period of actual work, up to a maximum of two years;

(B) if joined after receiving the Letter of Intent, experience shall be counted from the date of appointment;

(i) Penalty etc.- the colleges involved in any malpractice with the payment of salary to teaching and other staff shall be penalised or initiated/ disciplinary action as per the recommendations of the disciplinary committee of the Medical Assessment and Rating Board for Indian System of Medicine.

(28) Deputing teaching staff.- (a) the college or institution shall depute the staff on official duty under the following conditions, namely:

(i) in cases of official assignment by the Commission or its autonomous boards;

(ii) in the event that the Commission is conducting any training programme or capacity building programme or any other such programmes and if indicated to delegate the staff for such programmes;

(b) In such cases, on-duty leave shall be sanctioned for the duty days specified in the official communication of the Commission, along with the days of travel.

14. Minimum Essential Standards for an Attached Teaching Hospital.- (1) Teaching hospital in general.- (a) a fully functional teaching hospital attached to the Unani Medical College or institution, fulfilling all the minimum essential standards as specified by the National Commission for Indian System of Medicine in these regulations, shall offer clinical training to medical students and provide medical services including consultation, diagnosis (clinical and investigational), treatment (medical, procedural, and surgical), preventive health care, medicine dispensing, medical

advice, counselling, nursing care, emergency care, public outreach activities, with proper documentation, and maintain hospital management systems. All related expenses shall be reflected in the official bank account of the hospital, and the hospital shall be ready to treat or attend any type of patient at any point in time with its manpower and infrastructure;

- (b) the teaching hospital shall fulfil all the statutory requirements of the concerned state, union territory, or local authority to establish and run the hospital and submit updated copies of such permission(s) or clearance(s) to the Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine;
- (c) the concerned state or union territory shall issue the No Objection Certificate or Essentiality Certificate to such applicant colleges after verifying the availability of such permission(s) or clearance(s);
- (d) the attached teaching hospital shall be easily accessible to patients, and there shall be provision for free vehicular movement, including ambulances;
- (e) all entries and exits of the hospital shall be clearly demarcated and displayed appropriately;
- (f) there shall be proper and adequate parking facilities;
- (g) the entire hospital, including all entrances and exits, shall be wide enough and barrier-free for easy movement for non-ambulant (wheelchair, stretcher), semi-ambulant, visually impaired, and elderly persons;
- (h) all the corridors of the hospital should have a minimum width of eight feet to ensure easy movement and turning of stretchers;
- (i) irrespective of the availability of staircases, escalators, or lifts, a ramp connecting all floors is mandatory.
- (j) the ramp also must be at least eight feet wide with properly curved turning points to facilitate the free movement of the stretcher;
- (k) there shall be disabled-friendly toilets for males and females separately;
- (l) all the doors of toilets and bathrooms are to be openable to the outside to rescue the patients in case of emergencies;
- (m) there shall be a centralised announcement system connected to the entire hospital for emergency announcements and alerts;
- (n) the entire hospital shall be connected telephonically, and each and every unit shall have an intercom facility;
- (o) the entire hospital shall have a proper fire safety and fire extinguishing system;
- (p) disaster prevention as well as disaster management measures should be in place;
- (q) drinking water (hot and cold) facilities; an adequate number of toilets for male and female (separately for patients, hospital staff, medical students, interns, doctors, and consultants) shall be made available at appropriate places in the hospital;
- (r) the entire hospital should have clear signage in at least two languages, including one in the local language, with appropriate pictorial displays;
- (s) trained security should be deployed at appropriate places for the hours required. The details about Patient's rights, responsibilities, and legal aspects of attacking medical professionals on duty shall be displayed in prominent places;
- (t) for the administrative purpose the hospital is divided into seven zones, and their minimum essential standards are as follows:
 - (i) Reception and Registration Zone;
 - (ii) Out-Patient Department Zone;
 - (iii) Diagnostic Zone;
 - (iv) In-Patient Department Zone;
 - (v) Procedural Management Zone;
 - (vi) Administrative Zone; and
 - (vii) Services Zone.

(2) Reception and Registration Zone.- (a) Reception and Registration zone shall have the minimum constructed area for the reception and registration as per Schedule- I, i.e., one hundred square meters for sixty students intake capacity, one hundred fifty square meters for one hundred students intake capacity, two hundred square meters for one hundred fifty students intake capacity, and two hundred fifty square meters for two hundred students intake capacity of the students;

(b) reception and enquiry counter: (i) the reception and enquiry counter shall be available in a prominent place at the entrance of the hospital;

(ii) the receptionist must be preferably multi-lingual and well versed with all the services of the hospital, department or specialty-wise consultants and their days of Out-patient Departments, days and timings of availability of hospital services, etc;

(iii) the counter shall have a computer system with updated information on hospital services and a telephone connection with a call transfer facility;

(iv) this counter provides a space for the Public Relations Officer, if any; and

(v) a suggestion box, complaint box, or feedback box shall be provided in this area;

(c) Registration and Billing Counter: (i) there shall be an adequate number of registration counters with waiting areas for central Out-patient Department registration for new patients or clients, renewal of registration for old patients or clients, Central In-Patient Department registration and admission, and billing and payments;

(ii) there shall be a computerised central registration system that facilitates the National Commission for Indian System of Medicine monitoring of real-time data;

(iii) the National Commission for Indian System of Medicine recommends any hospital management system or hospital information management system, it is mandatory to shift to the recommended software;

(iv) the Hospital Management system or Ayush-Hospital Management Information System must be aligned with the National Ayush Morbidity and Standardized Terminologies Electronic Portal developed by Central Council for Research in Ayurvedic Sciences.

(d) Medical Record Room and Maintenance of Records: (i) all the medical records belonging to Out-patient Department and In-Patient Department patients shall be maintained in medical room by the hospital;

(ii) the hospitals that are not fully computerised shall maintain all medical records in physical form, and there shall be a medical record technician to maintain medical records;

(iii) in fully computerised hospitals, the maintenance of physical records is not required;

(iv) the hospital shall maintain department-wise case records of Out-Patient Department Patients, In-Patient Department patients, laboratory, radiological or sonographic investigation reports, medicine dispensing register, diet register for In-Patient Department patients, Ilaj bit Tadabeer therapy section register, labour room register, operation theatre and minor operation theatre register, pharmacy stock register, medicine indent register, duty roster of hospital staff, birth or death certificate, etc., so as to prove of genuine functional Unani hospital fulfilling the norm as specified in regulation clause (j) , sub-regulation (3) of regulation 14 and clause (q) , sub-regulation (5) of regulation 14;

(v) the Department of Tahaffuzi wa Samaji Tib, may access and analyse the hospital data from an epidemiological perspective.

(e) Entrance Lobby and Circulation Area: (i) an adequate circulation area for free movement of medical, paramedical, and supportive staff, patients, students, interns, visitors, etc.;

(ii) at the entrance lobby, adequate seating shall be provided. Provision for keeping wheelchairs and stretchers shall be provided.

(3) Out-Patient department zone.- (a) the out-patient department zone shall have the minimum constructed area as per Schedule-I i.e., four hundred forty square meters for sixty students intake capacity, six hundred fifty square meters for one hundred students intake capacity, eight hundred sixty square meters for one hundred fifty students intake capacity, and one thousand seventy square meters for two hundred students intake capacity of the students;

(b) the Out-Patient department Zone shall consist of Screening Out-patient Departments, Department wise Out-Patient Departments and their associated units, Specialty Out-Patient Departments, an online consultation facility, the office of the Out-patient Department zone in-charge, a drug store or pharmacy or dispensary, a patient waiting area, an area for breast feeding, a store, a drinking water facility, separate male and female toilets for patients and staff, etc., with minimum space as shown in Schedule-I;

- (c) any senior faculty member from the Out-Patient Department side authorised by the head of the institution (Director or Dean or Principal) shall be in charge of the Out-Patient Department Zone;
- (d) Out-Patient Department Consultation Room: each Out-patient Department consultation room shall have adequate space and seating arrangement for preliminary consultation by interns and consultation by consultants and shall be equipped with an examination table with footstep stool, medical instruments and equipment, furniture, etc., as specified in Schedule- XXIII;
- (e) an Ideal Out-patient Department consultation room shall have adequate space and furniture, preferably two interconnected chambers, one for preliminary consultation by interns (history taking, recording vital data, and examination) and the other for consultation by consultants;
- (f) the hospital shall have minimum eleven Out-Patient Departments as under, namely- Screening Out-patient Department, Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine), Ilmul Samoom (Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) and Isabat (Emergency or Casualty).
- (i) Screening Out-patient Department: (A) All newly registered patients (except patients of emergency) shall be screened at the screening out-patient Department as per the institutional screening criteria and directed to the respective Out-patient Department for consultation;
- (B) the screening system facilitates patient consultation with the appropriate department;
- (C) screening shall be carried out by trained persons in the case of colleges under establishment and by interns in the case of fully established colleges;
- (D) screening criteria shall be developed by each Unani institution in accordance with departmental Out-Patient Departments and the availability of specialty Out-Patient Departments and shall be implemented after proper orientation and training for the concerned;
- (E) at the screening Out-Patient Department, the chief complaint, height, weight, Body Mass Index, blood pressure, temperature, Nabz (pulse), Mizaj (Temperament) and other basic parameters as required shall be recorded; For pulse reading, any reliable equipment or device is available that can be used;
- (F) an adequate number of screening counters in accordance with the patient flow shall be made available (i.e. minimum two counters for sixty and one hundred students intake capacity, three for one hundred fifty students intake capacity and four for two hundred students intake capacity);
- (G) for each counter, a computer linked with hospital management software and instruments and equipment as per Schedule-XXIII shall be provided;
- (H) there shall be a token system for Out-Patient Department consultation, and patients or clients are to be directed to the respective Out-Patient Department by quoting the Out-patient Department number;
- (I) the screening Out-patient Department shall provide opportunity for the first and second professional Bachelor of Unani Medicine and Surgery students for early clinical exposure; accordingly, adequate seating arrangements shall be provided;
- (J) the clinical exposure and clinical training are different; the clinical exposure to the students for getting acquainted with the clinical atmosphere and to get trained in examinations of vital signs, body temperament etc; clinical training to the students is to train them in clinical diagnosis, correlation between diagnostic investigations and disease and treatment of the disease; and
- (K) the Screening Out-Patient Department shall function independently under the administrative control of the resident medical officer, deputy medical superintendent, or designated Out-Patient department Zone In-Charge.
- (ii) Moalajat (Medicine): Out-Patient Department shall function under the Department of Moalajat (Medicine) Patients with general complaints or conditions as per the institutional screening criteria consult this Out-Patient Department.
- (iii) Ilaj bit Tadabeer (Regimenal therapy): (A) this Out-Patient Department shall function under the Department of Ilaj bit Tadabeer (Regimenal therapy);
- (B) patients who exclusively require Ilaj bit Tadabeer (Regimenal therapy) Procedures like Hijama (Cupping), Fasd (Venesection), Irsale Alaq (Leech application), Dalk (Massage), Riyazat (Exercise) and other regimens will consult this Out-Patient Department;

- (C) other Out-Patient Departments and speciality Out-Patient Departments may refer the patients to this Out-Patient Department based on the need of such treatments;
- (D) in case of referral, the consultants of this Department shall work in coordination with the consultants who referred the case to this department; and
- (E) this Out-Patient Department shall be attached with therapy or minor procedure room with adequate facilities to provide Out-Patient Department based Hijama (Cupping), Fasd (Venesection), Irsale Alaq (Leech application), Dalk (Massage), Riyazat (Exercise) and other regimens.
- (iv) Jarahat (Surgery): (A) this Out-Patient Department shall function under the Department of Jarahat (Surgery);
- (B) patients with specific conditions related to Jarahat (Surgery) as per the institutional screening criteria are to be referred to this Out-Patient Department; and
- (C) this Out-Patient Department shall be attached with minor procedure room to carry out Out-Patient Department based minor surgical and para surgical procedures.
- (v) Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry): (A) This Out-Patient Department shall function under the Department of Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry);
- (B) patients with specific conditions related to Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) as per the institutional screening criteria are to be referred to this Out-Patient Department; and
- (C) this Out-Patient Department shall be attached with minor procedure room to carry out Out-Patient Department based minor Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) related surgical and para surgical procedures.
- (vi) Amraze Jild wa Tazeeniyat (Dermatology and cosmetology): (A) This Out-Patient Department shall function under the Department of Amraze Jild wa Tazeeniyat (Dermatology and cosmetology);
- (B) patients with specific conditions related to Amraze Jild wa Tazeeniyat (Dermatology and cosmetology) as per the institutional screening criteria are to be referred to this Out-Patient Department; and
- (C) this Out-Patient Department shall be attached with minor procedure room to carry out Out-Patient Department based minor procedures related to Amraze Jild wa Tazeeniyat and the instrument and equipment for the procedure room shall be as mentioned in Schedule-XVII (Dermatology and cosmetology).
- (vii) Qabalat wa Niswan (Obstetrics and Gynaecology): (A) this Out-Patient Department shall function under the Department of Qabalat wa Niswan (Obstetrics and Gynaecology);
- (B) ante-natal, natal, post-natal, and gynaecological problems as per institutional screening criteria consult this Out-Patient Department; and
- (C) this Out-Patient Department shall have attached examination cum minor procedure room and toilet facility.
- (viii) Ilmul Atfal (Paediatrics): (A) this Out-Patient Department shall function under the Department of Ilmul Atfal (Paediatrics);
- (B) paediatric patients (up to the age of eighteen years) with general complaints as per institutional screening criteria consult this Out-Patient Department; and
- (C) there shall be adequate facility for providing immune boosting medicines and immunisation.
- (ix) Tahaffuzi wa Samaji Tib (Preventive and Social Medicine): (A) this Out-Patient Department shall function under the Department of Tahaffuzi wa Samaji Tib and this Out-Patient Department caters the need of people in terms of preventive and promotive healthcare;
- (B) Unani based Tahaffuzi-Health Card through which Unani Dietetics, Preventive care, Lifestyle management and Mizaj based personalized or customised preventive measures including Yoga and Riyazat, Ghiza (Diet), occupational health counselling, vaccination etc. are to be prescribed and promoted;
- (C) this Out-Patient Department shall not entertain any patients for prescribing medicines and treatment procedures except the cases of Ilmul Samoom (Toxicology). However, patients belonging to any other

departments may get referred to this Out-Patient Department for preventive measures, and advice on lifestyle and diet regulations, exercise, yoga and riyazat etc.;

(D) this Out-Patient Department advice Unani preventive or promotive or prophylactic medicines and measures in case of seasonal or epidemic outbreaks;

(E) if necessary, the services of the consultants of this Out-Patient Department may be utilised in In-Patient Department to provide advice in the perspective of diet and lifestyle management, preventive and promotive healthcare measures;

(F) vaccination facilities to be provided by the department in coordination with the department of Ilmul Atfal; and

(G) this Out-Patient Department shall have cubicles for counselling purposes (minimum one, two, three and four cubicles for sixty, one hundred, one hundred fifty and two hundred students intake capacity respectively).

(x) Ilmul Samoom (Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine): (A) this Out-Patient Department shall function under the Department of Tahaffuzi wa Samaji Tib;

(B) patients with poisonous conditions such as poisonous bites or stings, intoxication of unknown origin, toxic manifestations due to incompatible food, toxic symptoms or adverse effects due to drugs, etc., as per institutional screening criteria, consult this Out-Patient Department.

(xi) Isabat (Emergency or Casualty Unit): (A) this shall function under the Department of Moalajat (Medicine); services of the consultants from other departments of the hospital shall be utilised as per the need;

(B) the emergency or casualty unit shall function twenty-four hours and there shall not be any holiday for emergency or casualty unit;

(C) there shall be observation beds, and such beds shall not be counted as In-Patient beds. The observation beds shall be minimum two for sixty and one hundred students intake capacity, three for one hundred fifty students intake capacity, and four for two hundred students intake capacity;

(D) Resident Medical Officer, Resident Surgical Officer and Emergency Medical Officer shall be posted round the clock to attend emergency cases;

(E) the institution may appoint Bachelor of Medicine, Bachelor of Surgery (M.B.B.S) qualified doctor if required to fulfil the state rules related to clinical practice;

(F) this unit shall be equipped with instruments and equipment as prescribed in Schedule-XXIII; and

(G) the service of medical specialists under modern medical staff (Schedule-IV) to be utilised.

(g) Each Unani Medical College or Institution may have Speciality Out-Patient Departments or Clinics: (i) any faculty member from the Departments viz. Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine), if interested and possess expertise or exposure may be provided a speciality Out-Patient Department in the name of the concerned disease or therapeutic procedure;

(ii) any Unani faculty member belonging to the departments of Kulliyat (Basic Principles of Unani Medicine), Tashreehul Badan (Anatomy), Manafeul Aza (Physiology), Ilmul Advia (Pharmacology), Ilmul Saidla (Unani Pharmacy), and Mahiyatul Amraz (Pathology), if interested in offering clinical services, may be provided speciality Out-Patient Department as per their expertise gained through special training or attending speciality hospitals etc. and such speciality Out-Patient Department shall be in the name of the concerned disease or therapeutic procedure;

(iii) these speciality Out-Patient Departments mentioned above (i) and (ii) shall function under any one of the following departments such as Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) in accordance to clinical relevance and the respective head of the Department will be the administrative head for that speciality Out-Patient Department and concerned department shall maintain all the records; and

(iv) speciality clinics or Out-Patient Departments are over and above the minimum requirement and hence will not be accounted for under minimum area required for the hospital.

- (h) Online Consultation Facility: (i) the institution shall provide an online consultation facility through teleconsultation platforms;
- (ii) this Out-Patient Department section shall be under the administrative control of the Out-Patient Department in charge; and
- (iii) the availability of specialist consultants, along with timings for teleconsultation, shall be displayed on teleconsultation platforms and institutional websites.
- (i) Each Unani Medical College or Institution shall have drug store or dispensary or pharmacy: (i) a designated faculty member of Ilmul Advia (Pharmacology) or Ilmul Saidla (Unani Pharmacy) department or exclusively appointed person (with Bachelor of Unani Medicine and Surgery qualification and five years of experience in Unani pharmacy or dispensary or drug store) shall be the in-charge of drug store or dispensary or pharmacy;
- (ii) there shall be hospital formulary duly approved by Drug Procurement or Purchase Committee;
- (iii) the Drug Procurement or Purchase Committee comprising of Heads of departments of Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) and in-charge of drug store or dispensary or pharmacy;
- (iv) the committee shall meet once every three months and refresh or update the formulary as required;
- (v) medicines shall be procured from Good Manufacturing Practice-certified pharmacies only; Medicines prepared for demonstration purposes or by students as part of a practical training in teaching pharmacy or practical laboratory shall not be dispensed to patients, as such medicines are not prepared under Good Manufacturing Practice and are not subjected to quality control standards;
- (vi) there shall be facilities for weighing, compounding, packing, and dispensing of medicines;
- (vii) qualified and trained pharmacists, as specified in these regulations, shall dispense the medicines;
- (viii) proper record of removal of expired medicines shall be maintained;
- (ix) an adequate seating arrangement for drug store in-charge, interns and students, shall be provided;
- (x) pharmacy shall provide the medical students exposure to medicine, medicine prescription, medicine dosage, badraqa or adjuvant, compounding, dispensing, shelf-life etc.;
- (xi) The drug store and dispensary shall be computerised.
- (j) Out-Patient Department Attendance: (i) the ratio of students with out-patient department attendance shall be 1:2, and the minimum per-day average number of patients in Out-Patient Department as per student intake capacity of the institute shall be as mentioned in Table-6;
- (ii) the Out-Patient Department patient attendance data for the last one calendar year shall be calculated based on the average number of Out-Patient Department patients for three hundred days.

Table-6

Minimum Essential Requirement of Out-Patient Department Patients Attendance

Students Intake capacity per year	Minimum per day average number of patients in Out-patient Department during last one calendar year (three hundred days) (1:2 student-patient ratio)
(1)	(2)
Sixty	One hundred twenty
Hundred	Two hundred
One hundred and fifty	Three hundred
Two hundred	Four hundred

(4) Diagnostic Zone.- (a) Diagnostic zone shall have the minimum constructed area as per Schedule-I i.e., one hundred fifty square meters for sixty students intake capacity, one hundred seventy five square meters for one hundred students intake capacity, two hundred square meters for one hundred fifty students intake capacity, and two hundred twenty five square meters for two hundred students intake capacity of the students;

(b) the Diagnostic zone shall function under the department of Mahiyatul Amraz (Pathology);

- (c) the head of the department of Mahiyatul Amraz (Pathology) or faculty member of Mahiyatul Amraz authorised by the head of the institution (Director or Dean or Principal) shall be the administrative head of the diagnostic zone and authenticate investigatory reports by interpreting in terms of Unani principles;
- (d) the Diagnostic zone shall consist of a clinical laboratory, an imaging section, other diagnostics like Electrocardiogram, and instruments as mentioned in the Schedule-XXI and XXII;
- (e) the Diagnostic zone shall have a patient waiting area with adequate seating arrangements, an area for sample collection and processing, a counter for the issue of reports and payments, an office for the diagnostic zone in-charge, a store, and toilets for male and female patients separately;
- (f) there shall be a biomedical waste management system as per standards;
- (g) the clinical laboratory should be well equipped with separate sections for conducting haematology, biochemistry, microbiology, pathology, and immunology-related tests;
- (h) the imaging section shall comprise X-ray (preferably digital) and ultrasonography as shown in Schedule-XXII;
- (i) the radiology section shall be as per the standards laid down by under Atomic Energy Regulatory Board;
- (j) the imaging section shall have a dress changing room. Seating arrangements for radiology staff shall be made available;
- (k) there shall be a proper display of mandatory information like the Pre-conception and Pre-natal Diagnostic Techniques (Prohibition of Sex Selection) Act, 1994 (57 of 1994) etc.;
- (l) a separate section for other diagnostics like Electrocardiogram, etc. shall be provided;
- (m) unani diagnostic equipment or devices for conducting pulse assessment or reading, Unani anthropometry by measuring wrist circumference, assessment of body constitution or temperament etc., also be used as per the need.

(5) In-Patient Department Zone.- (a) In-Patient Department zone shall have the minimum constructed area as per Schedule-I i.e., one thousand three hundred fifty square meters for sixty students intake capacity, two thousand one hundred fifty square meters for one hundred students intake capacity, two thousand nine hundred fifty square meters for one hundred fifty students intake capacity, and three thousand seven hundred fifty square meters for two hundred students intake capacity of the students and accommodate In-Patient Department wards, concerned procedure rooms, nursing station, clinical classroom etc. as mentioned in these regulations;

- (b) there shall be Department-wise wards having in-patient beds not less than the specified number of beds for respective departments as specified by in these regulations (Table-7);
- (c) there shall be a clear demarcation between male and female beds; separate toilets shall be provided for male and female patients and their attendants and hot water facilities for baths shall be provided;
- (d) hot and cold water for drinking purposes shall be made available in all In-Patient Department wards;
- (e) every twenty beds shall have a nursing counter or station, be provided with seating arrangements for nurses and interns, an intercom facility, a medicine storage facility, a medicine compounding facility, medicine trolleys, a wash basin, a record-keeping facility, etc.;
- (f) each ward shall have designated places for trolleys and a biomedical waste management facility;
- (g) accommodation for night duty staff, i.e., nursing staff, interns, and doctors or consultants, shall be provided;
- (h) an emergency nurse call-bell arrangement shall be provided at appropriate places in the general ward (male and female) and every bed in the special, semi-deluxe, deluxe wards, if any;
- (i) there shall be cloth washing and drying facility or laundry facility for In-Patient Department patients;
- (j) for administrative purposes, the departmental In-Patient department wards may be grouped or maintained as detailed below:
 - (i) Medical In-Patient Department Section: In-Patient Department wards of Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology) and Ilmul Atfal (Paediatrics) are to be grouped and maintained under Medical In-Patient Department Section as shown in Table-7. The minimum area required for Medical In-Patient Department section shall be seven hundred fifty square meters (sixty students intake capacity), one thousand two hundred fifty square meters (one hundred students intake capacity), one thousand seven hundred fifty square meters (one hundred fifty students intake capacity) and two thousand two hundred fifty square meters (two hundred students intake capacity) as shown in Schedule-I.

(ii) Surgical In-Patient Department Section: In-Patient Department wards belonging to Department of Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (ophthalmology, ear, nose, throat and dentistry), Qabalat wa Niswan (Obstetrics and Gynaecology) are to be grouped and maintained under Surgical In-Patient Department Section as shown in Table-7. The minimum area required for Surgical In-Patient section shall be six hundred square meters (sixty students intake capacity), nine hundred square meters (one hundred students intake capacity), one thousand two hundred square meters (one hundred fifty students intake capacity) and one thousand five hundred square meters (two hundred students intake capacity) as mentioned in Schedule-I.

(k) departmental In-Patient department wards with the minimum number of beds as specified by the National Commission for Indian System of Medicine in these regulations are to be grouped and maintained under the Medical In-Patient Department section and the Surgical In-Patient Department section separately with the concerned ward procedure rooms.

(l) (i) each In-Patient department ward shall have an attached concerned ward procedure room to perform minor ward procedures and attached kitchen for medicine preparation i.e. four Department wise ward procedure rooms under Medical In-Patient Department section and three procedure rooms under Surgical In-Patient Department section; the major treatment procedures shall be performed in the procedural management zone; and

(ii) each procedure room shall be well-equipped with instruments, equipments, devices, consumables, and medicines to provide in-ward procedures as per the need of concerned department along with basic tools and equipment for clinical examination;

(m) all In-Patient Department beds of that particular clinical department with the concerned procedure room need to be in one place so that the ward procedures can be administered to the patients in a convenient and efficient manner;

(n) in case the hospital is maintaining different categories of beds, such as general ward (male and female), special ward, semi-deluxe, deluxe, etc., to accommodate different categories of patients or subjects, all such categories of beds are to be grouped and kept at one place with concerned In-Patient Department ward procedure rooms under Medical In-Patient section and Surgical In-Patient section separately;

(o) such grouping of wards under Medical In-Patient section and Surgical In-Patient section, minimises the duplication of equipment and human resources and facilitates the departments' ability to offer specialty-wise services to patients conveniently, efficiently, effectively, and economically;

(p) department wise distribution of In-Patient department beds.- The in-patient department of the hospital shall have the distribution of beds as shown in the Table-7.

Table-7

Minimum Essential Requirement of In-Patient Department Beds (Department wise)

Department (1)	Distribution (2)	Students intake capacity and number of In-Patient Department beds (3)				
		60	100	150	200	
Medical In-Patient Section						
Moalajat	20%	55 %	33	55	82	110
Ilaj bit Tadabeer	20%					
Amraze Jild wa Tazeeniyat	10%					
Ilmul Atfal	05%					
Surgical In-Patient section						
Jarahat	20%	45%	27	45	68	90
Ain, Uzn, Anaf, Halaq wa Asnan	05%					
Qabalat wa Niswan	20%					
Total number of beds			60	100	150	200
Note: Ilmul Samoom patients are to be admitted in Moalajat In-patient department only						

(q) the ratio of students with number of beds, and In-Patient Department bed occupancy shall be 1:1, and forty per cent. respectively, as given in Table-8 and the distance between two beds in general ward shall not be less than one and a half meter;

Table-8

Minimum Essential Requirement of Beds and Bed occupancy

Students Intake capacity per year	Minimum number of beds in In-Patient Department on 1:1 student-bed ratio	Minimum per day average number of patients in In-Patient Department during last one calendar year (365 days) (40% bed occupancy)
(1)	(2)	(3)
Sixty	sixty beds	24
Hundred	One hundred beds	40
One hundred and fifty	One hundred fifty beds	60
Two hundred	Two hundred beds	80

(r) to calculate the number of beds occupied, the college shall maintain the date and time of admission and discharge of each patient;

(s) the bed occupied by a patient at mid-night, shall be counted as one bed day occupied and if a patient is discharged before mid-night that shall be counted as 0.5 bed day occupied. To calculate bed occupancy following formula shall be applicable-

Number of bed days occupied x 100

Number of beds x Number of days

(t) In-Patient Department (IPD) Wards.-

(i) Moalajat (Medicine) In-Patient Department Ward: (A) It shall be under the Department of Moalajat (Medicine);

(B) the consultants of Moalajat and related speciality Out-Patient Departments or Clinics if any, are authorised to admit the patients in this ward;

(C) the head of the Department of Moalajat (Medicine) shall be the administrative head of the Moalajat In-Patient Department ward and Intensive Care Unit section;

(D) the patients of emergency or casualty out-patient Department, if necessary, may be admitted in Moalajat (Medicine) In-Patient ward by the Isabat (Emergency or Casualty) unit for further observation and treatment. Consultants from relevant Department will attend and care the patient as per the nature of clinical condition;

(E) Moalajat (Medicine) In-Patient Department ward shall have a separate Intensive Care Unit section, air-conditioned and provided with two to four beds as per their requirement for admitting such cases, with oxygen or vacuum or compressed air outlets at each Intensive Care Unit bed and sufficient electric points;

(F) intensive care unit section in Moalajat (Medicine) In-Patient Department shall have similar facilities of casualty as specified in the Schedule- XXIII.

(ii) Ilaj bit Tadabeer In-Patient Department Ward: (A) It shall be under the Department of Ilaj bit Tadabeer (Regimenal Therapy);

(B) the consultants of Ilaj bit Tadabeer and the related speciality Out-Patient Departments or clinics if any, are authorised to admit the patients in this ward;

(C) the head of the department of Ilaj bit Tadabeer (Regimenal Therapy) shall be the administrative head of the Ilaj bit Tadabeer In-Patient ward (Regimenal Therapy);

- (iii) Jarahat (Surgery) In-Patient Department Ward: (A) it shall be under the Department of Jarahat (Surgery);
- (B) the consultants of Jarahat (Surgery) and the related speciality Out-Patient Departments or clinics if any, are authorised to admit the patients in this ward;
- (C) the head of the department of Jarahat (Surgery) shall be the administrative head of the Jarahat In-Patient ward.
- (iv) Ain, Uzn, Anaf, Halaq wa Asnan IP Department Ward: (A) it shall be under the Department of Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry).
- (B) the consultants of Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) and the related speciality Out-Patient Departments or clinics if any, are authorised to admit the patients in this ward;
- (C) the head of the department of Ain, Uzn, Anaf, Halaq wa Asnan shall be the administrative head of the Ain, Uzn, Anaf, Halaq wa Asnan In-Patient ward.
- (v) Amraze Jild wa Tazeeniyat In-Patient Ward: (A) it shall be under the department of Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology);
- (B) the consultants of Amraze Jild wa Tazeeniyat and the related speciality Out-Patient Departments or clinics if any, are authorised to admit the patients in this ward;
- (C) the head of the department of Amraze Jild wa Tazeeniyat shall be the administrative head of the Amraze Jild wa Tazeeniyat In-Patient ward.
- (vi) Qabalat wa Niswan In-Patient Department Ward: (A) it shall be under the Department of Qabalat wa Niswan (Obstetrics and Gynaecology);
- (B) the consultants of Qabalat wa Niswan and the related speciality Out-patient Departments or clinics if any, are authorised to admit the patients in this ward;
- (C) the head of the department of Qabalat wa Niswan shall be the administrative head of the Qabalat wa Niswan In-Patient ward;
- (D) new-born babies are to be taken care of by Ilmul Atfal (Paediatrics) consultants.
- (vii) Ilmul Atfal In-Patient Department Ward: (A) it shall be under the Department of Ilmul Atfal (Paediatrics);
- (B) the consultants of Ilmul Atfal and the related speciality Out-Patient Departments or clinics if any, are authorised to admit the patients in this ward;
- (C) the head of the department of Ilmul Atfal shall be the administrative head of the Ilmul Atfal In-Patient ward.
- (viii) (A) the consultants of Ilmul Samoom (Clinical Toxicology) Out-Patient Department under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) and its related speciality Out-Patient Departments or clinics if any, are authorised to admit cases of Ilmul Samoom (Clinical Toxicology) in Moalajat (Medicine) In-patient department ward;
- (B) in-patient department ward, however the bed occupancy shall be calculated under Moalajat In-Patient Department only, hence no separate beds are allocated;
- (C) the consultants of Ilmul Samoom (Clinical Toxicology) Out-Patient Department shall admit the patients in Moalajat (Medicine) In-patient department ward under intimation to the head of the Department of Moalajat (Medicine), however the responsibility of the patients is vested with the consultants of Ilmul Samoom (Clinical Toxicology); and
- (D) further, it is added that the consultants of Tahaffuzi wa Samaji Tib Out-Patient Department and related speciality Out-Patient Departments or Clinics if any, under the department of Tahaffuzi wa Samaji Tib are authorised to admit the normal individuals for seasonal cleansing therapies or preventive or promotive therapies, rejuvenation therapies in Ilaj bit Tadabeer In-Patient Department ward, and they are not authorised to admit any kind of patients in In-Patient Department.
- (u) Clinical classrooms: (i) There shall be minimum four clinical classrooms (minimum two clinical classrooms for Medical In-Patient section and two for Surgical In-Patient section) with Information and Communications Technology enabled (interactive panel or smart board or multimedia projectors or Liquid Crystal Display projectors or other advance audio-visual systems, desktop or laptop and internet connection etc.);

- (ii) clinical classrooms shall have the capacity to accommodate a clinical batch size or minimum thirty students for the conduct of clinical classes or bedside clinics;
- (iii) each clinical classroom should have examination table, an X-ray view box, and common diagnostic tools (stethoscope, Blood Pressure apparatus, thermometer, torch light, tongue depressor, measuring tape, skin marking pencil, knee hammer etc.);
- (iv) the clinical classrooms attached to Jarahat (Surgery), Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) and Qabalat wa Niswan (Obstetrics and Gynaecology) under Surgical In-Patient Section shall have interactive Closed-Circuit Television connected to operation theatre for live demonstration of surgical and parasurgical procedures.

(6) Procedural Management Zone.- The Procedural Management Zone shall be comprising of Ilaj bit Tadabeer Procedural Management Section, Masrah Amaliya (Operation Theatre), Ghurfatul wilada (Labour room) and other therapy sections.

(a) Ilaj bit Tadabeer Therapy or Procedure Section: (i) there shall be different procedure or therapy sections under this major section for different procedures or therapies;

(ii) the minimum requirement of area for this block shall be two hundred square meters for sixty students intake capacity, three hundred square meters for one hundred students intake capacity, four hundred square meters for one hundred fifty students intake capacity and five hundred square meters for two hundred students intake capacity as per the Schedule-I. There should be separate allocated chamber for common modes of Ilaj bit Tadabeer like Hijama (Cupping), Fasd (Bloodletting) and Irsale Alaq (Leech application), Dalk (Massage) and Takmeed Bukhari (Steam Fomentation), Hammam (Steam bath), Nutool (Irrigation), Nushooq, Suoot, Shumoom, and Bukhoor, Huqna (Enema), Abzan (Sitz bath) and Qai (Emesis), or other important procedures as per requirement and the instruments, equipment and other facility shall be as per the Schedule-XVIII and the manpower shall be as per the Schedule- IV;

(iii) this section shall provide the treatment or procedural management such as Hijama (Cupping), Fasd (Venesection), Irsale Alaq (Leech application), Dalk (Massage), Hammam (Steam bath), Nutool (Irrigation), Huqna (Enema), Abzan (Sitz bath), Qai (Emesis) etc.;

(iv) this section shall comprise of reception, patients waiting room with adequate seating arrangement, consultation room, preparation room, therapy or procedure room separately for males and females, storeroom, record room, toilets separately for male and female, drinking water facility (hot and cold) and provision for waste management;

(v) this section is common facility for both Out-Patient Departments and In-Patient Department patients;

(vi) this unit or section shall be under the department of Ilaj bit Tadabeer and under the administrative control of the head of the department of Ilaj bit Tadabeer or designated faculty of the department or exclusively appointed specialist with post-graduation in the concerned subject;

(vii) the reception counter preferably be computerised with hospital management system or hospital information management system and shall keep the schedule of therapies of the day, and details of consultant, nurses and therapists on duty;

(viii) the consultation room in this section shall be provided with adequate seating for consultant and interns, equipped with examination table, diagnostic instruments such as stethoscope, Blood Pressure apparatus, thermometer, weighing machine, knee hammer, torch light etc., Every patient or client or subject must undergo consultation to ensure fitness before and after undergoing external therapy procedures;

(ix) Ilaj bit Tadabeer procedural management section shall have medicine preparation room with proper exhaust facility and electric chimney and storage facilities including refrigerator etc. there shall be arrangements for the supply of fresh drugs;

(x) there shall be a specified area for clean and dirty utility, washing area with hot water facility, for cleaning used items, and a designated area and mechanism for biomedical management;

(xi) all the procedure or therapy sections shall provide adequate space and privacy for dress change and attached toilets wherever necessary according to the treatment procedure;

(xii) the therapists shall have been trained properly and shall undergo periodical health check-up to rule out any contagious diseases to avoid cross infection; There shall be room for therapists, male and female separately with adequate seating arrangement, personal lockers and attached baths and toilets;

(xiii) store to be maintained in this section for the storage of equipment, medicines, consumables etc;

(xiv) an emergency kit shall also be made available at prominent place and drugs are to be periodically replaced to avoid expiry of medicines as specified under Schedule-XVIII; and

(xv) Ilaj bit Tadabeer procedural management section shall contain therapist rooms separately for male and female with attached toilet and bathroom.

(b) Masrah Amaliya (Operation Theatre and Minor Operation Theatre) (i) masrah amaliya (Operation Theatre) section shall come under the Department of Jarahat (Surgery) and

(ii) this section provides general surgical, Unani Surgical and para-surgical procedural treatment facilities for Jarahat (Surgery) and Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry);

(iii) the head of the Department of Jarahat (Surgery) or the designated faculty of the department shall be the administrative head of this section;

(iv) the minimum total constructed area shall be one hundred seventy-five square meters for sixty students intake capacity, two hundred twenty-five square meters for one hundred students intake capacity, two hundred seventy-five square meters for one hundred fifty students intake capacity and three hundred twenty-five square meters for two hundred students intake capacity as per the Schedule-I and instruments, equipment and other facility as per the Schedule-XVI;

(v) this Section shall have reception, waiting room for patients, preparation room, operation theatre with all instruments or equipment, aseptic measures, post-operative recovery room, scrub room, an instrument room, a surgeon and anaesthetist room, a nurse's room, an assistant's room etc.;

(vi) there shall be a sterilisation and autoclave facilities; and

(vii) there shall be an adequately equipped Minor Operation Theatre (Jarahat Procedure Room) attached to the operation theatre for providing Unani surgical and para-surgical treatments as specified in Schedule-XVI for Jarahat and XVII for Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry).

(c) Ghurfatul Wilada (Labour room and Maternity Operation Theatre).- (i) the labour room and Maternity Operation Theatre shall come under the Department of Qabalat wa Niswan (Obstetrics and Gynaecology) and shall have the minimum space i.e. one hundred fifty square meters for sixty and one hundred students intake capacity, two hundred square meters for one hundred fifty and two hundred students intake capacity as specified in Schedule-I and instruments or equipment and facility as per Schedule-XV;

(ii) there shall be a reception, patient waiting room, patient preparation room, labour room, maternity operation theatre, post-partum recovery room, neonatal care room, procedure room, instrument room, sterilisation facility, storeroom, toilets, drinking water facility and bathroom; and

(iii) the head of the department of Qabalat wa Niswan (Obstetrics and Gynaecology) shall be the administrative head of this section and the designated faculty of the department shall be the in-charge of the Ghurfatul Wilada (Labour room and Maternity Operation Theatre) and Qabalat wa Niswan (Obstetrics and Gynaecology) Procedural room.

(d) Physiotherapy Unit.- (i) this unit shall function under the Department of Ilaj bit Tadabeer;

(ii) the head of the Department of Ilaj bit Tadabeer shall be the administrative head of this unit and Physiotherapist shall be in-charge of this unit;

(iii) there shall be adequate space i.e. seventy-five square meter for sixty students intake capacity, one hundred square meters for one hundred students intake capacity, one hundred twenty-five square meters for one hundred fifty students intake capacity and one hundred fifty square meters for two hundred students intake capacity as per the Schedule-I and equipment or instrument for administering physiotherapies as per the Schedule-XVIII; and

(iv) this section shall have waiting area, physiotherapy room, in-charge room, toilets, drinking water facility etc.;

(e) yoga and riyazat Section.- (i) yoga teacher or instructor shall be the in-charge of this section or unit and the head of the Department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) or the designated faculty of the department shall be the administrative head of this section or unit;

(ii) this section shall function under the Department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine);

(iii) yoga and riyazat therapy section shall have the space as prescribed in the Schedule-I i.e. fifty square meters for sixty and one hundred students intake capacity, seventy-five squares for one hundred fifty

students intake capacity and one hundred square meters for two hundred students intake capacity and the instruments or equipment or facility as specified in the Schedule-XX;

(iv) this section shall have waiting area, yoga and riyazat therapy room, in-charge room, toilets, drinking water facility etc.;

(v) this section shall offer yoga and riyazat demonstration and training to patients and healthy individuals;

(vi) the consultants of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) or any other Out-patient or In-patient department prescribe Yoga and Riyazat Therapy and the yoga teacher or instructor will demonstrate yoga therapy as per the prescription of the consultants

(7) Administrative Zone.- (a) the administrative zone shall have the space as specified in the Schedule-I i.e. Four hundred square meters for sixty students intake capacity, Four hundred fifty square meters for one hundred students intake capacity, five hundred square meters for one hundred fifty students intake capacity, five hundred fifty square meters for two hundred students intake capacity and shall accommodate office of Medical Director, Medical Superintendent, Personal Assistant to the Medical Superintendent, Deputy Medical Superintendent, Resident Medical Officers, Resident Surgical Officer, Emergency Medical Officer, Matron, Assistant Matron, Office Superintendent, Accountant and other office staff, biometric attendance system, doctor's lounge, intern's room, staff room, waiting lounge, meeting hall, store, toilet, pantry etc;

(b) a doctor's lounge with adequate seating arrangements, attached toilets along with recreational facilities such as television, newspapers, magazines and refreshment facilities like coffee vending machines, etc. shall be provided with toilets;

(c) adequate privacy for female consultants in doctor's lounge shall be available;

(d) interns room with adequate storage of personal belongings, furniture, recreational facilities such as television, newspapers, magazines etc. shall be provided with attached toilets;

(e) a Staff room shall be provided for the hospital staff with adequate seating facilities and individual lockers or pigeon almirah compartments; the room shall be attached with toilets;

(f) a meeting hall with well-equipped audio-visual facilities, online and offline conferencing systems, to accommodate at least thirty members to participate in meetings shall be made available for the conduction of hospital related meetings and routine clinical meetings of hospital consultants;

(g) a store with adequate storage facilities for maintaining hospital-related items shall be made available and the store must have been computerised;

(h) the hospital shall have established biometric attendance system as specified by the National Commission for Indian System of Medicine;

(i) all hospital staff and interns should mark their daily attendance in the specified biometric attendance system.

(8) Service Zone.- (a) the service zone shall contain adequate space as specified in the Schedule-I i.e. a minimum of fifty square meters for sixty students intake capacity, seventy five square meters for one hundred students intake capacity, one hundred square meters for one hundred fifty students intake capacity and one hundred twenty five square meters for two hundred students intake capacity;

(b) Ghiza Makhsoosa (Specific diet) including Instant Medicine Preparation Section: (i) the Head of the Department of Tahaffuzi wa Samaji Tib (Preventive and Social medicine) or designated faculty member of Tahaffuzi wa Samaji Tib department, as in-charge of Ghiza Makhsoosa (Specific diet) section;

(ii) there shall be trained cooks and multi-tasking workers;

(iii) the section shall contain adequate space and necessary arrangement for washing, cleaning, cooking, packing, supplying etc;

(iv) indent for Ghiza Makhsoosa (Specific diet) including instant medicines like Mā' al-Sha'īr, Mā' al-'Asl, Joshānda, Khīsānda etc. raised by respective wards on suggestion or prescription by respective consultants shall be prepared and supplied by Ghiza Makhsoosa (Specific diet) section;

(v) there shall be arrangements for supply of raw materials and fresh herbs for the preparation of Mā' al-Sha'īr, Mā' al-'Asl, Joshānda, Khīsānda etc.;

(vi) cooks and other working staff shall undergo periodical health check-up.

(c) Mortuary: the hospital may have a mortuary with cold storage or may have Memorandum of Understanding with the medical establishments having mortuary facility, and the staff for mortuary may be outsourced;

- (d) Ambulance: the hospital may have their own ambulance service for twenty-four hours a day or may have Memorandum of Understanding with authorised ambulance services;
- (e) Biomedical Waste Management: (i) the hospital shall have an adequate system of biomedical waste management, as per the Biomedical Waste Management Rules, 2016;
- (ii) the institution can have its own biomedical waste disposal system or may have a memorandum of understanding with the authorised biomedical waste management agencies.
- (f) Laundry: The hospital shall have laundry with facilities for washing, drying, and pressing; storage of soiled and cleaned linens;
- (g) Housekeeping: housekeeping services for college, hospital and other units shall be provided with adequate housekeeping staff. The housekeeping staff may be on a contract basis or outsourced through registered outsourcing agencies.
- (h) Centralised Sterilisation Services: (i) there shall be an independent centralised sterilisation unit capable of taking the total working load of operation theatres, Ilaj Bit Tadabeer, Out-Patient Department minor procedure rooms, In-Patient Department ward procedure rooms, casualty room, labour room, laboratories, etc.;
- (ii) it shall have adequate equipment with separate ends for loading and unloading, sterile racks, packaging machine, instruments cleaning machine, steriliser, autoclave, pass box and tray etc. as required.
- (i) Security services: (i) security services for the campus, college, hospital, and other units of the institution shall be provided with trained security personnel in adequate numbers;
- (ii) security services may be outsourced through registered security agencies.
- (j) Maintenance Cell: (i) if the college and hospital are on the same campus, then a common maintenance cell as mentioned in sub-regulation (8) of regulation 7 shall be adequate; if not on the same campus, then a separate maintenance cell is required for the hospital;
- (ii) the maintenance cell shall take care of maintenance works related to civil, electrical, plumbing, carpentry, mechanical, sanitary, water supply, waste management, drainage, air conditioning, refrigeration equipment, etc.; and
- (iii) there shall be adequate space, equipment for maintenance, and suitable manpower, either appointed or outsourced.
- (k) Medical Gases: (i) for medical gases fixed cylinders for pipe gas supply as well as portable cylinders shall be appropriately placed;
- (ii) all gas pipelines shall be periodically maintained with proper record; there shall be a proper refilling and replacement system to ensure safety and uninterrupted supply.
- (l) Photography and Videography Section: (i) photography and audio-visual recording facilities to document clinical presentations and clinical success stories shall be made available for academic and research purposes;
- (ii) this section shall be equipped with a green backdrop, a suitable lighting system, a camera, a video camera, an audio recording system, and an audio-video editing facility; and
- (iii) the staff for this section may be outsourced.
- (9) Human Resources for the Hospital.- (a) the minimum essential requirement of hospital staff shall be sixty five, seventy eight, one hundred seven and one hundred twenty seven for the students intake capacity of sixty, one hundred, one hundred fifty and two hundred respectively as per the Schedule-IV and the qualifications for the hospital staff as under,-
- (b) the attached teaching hospital of the college or institution shall be under the academic, administrative, and disciplinary control of the Dean or Principal or Director as a Medical Director;
- (c) (i) the medical Superintendent shall be a postgraduate with qualifications not less than those of a professor in anyone of the following subject viz. Moalajat, Ilaj bit Tadabeer, Amraze Jild wa Tazeeniyat, Ilmul Atfal, Qabalat wa Niswan, Jarahat, Ain Uzn Anaf Halaq wa Asnan, Tahaffuzi wa Samaji Tib recognised by the National Commission for Indian System of Medicine or the erstwhile Central Council for Indian Medicine with minimum three years of administrative experience as Head of the Department (or)
- A postgraduate in anyone of the following subjects viz. Moalajat(Medicine), Ilaj bit Tadabeer(Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Ilmul Atfal (Paediatrics), Qabalat wa Niswan (Obstetrics and Gynaecology), Jarahat, Ain Uzn Anaf Halaq wa Asnan(Ophthalmology, Ear, Nose, Throat and Dentistry), Tahaffuzi wa Samaji Tib(Preventive and Social Medicine) recognised by the

National Commission for Indian System of Medicine or erstwhile Central Council of Indian Medicine with ten years of experience as Deputy Medical Superintendent in Unani hospital (or)

A Bachelor of Unani Medicine and Surgery graduate with a Master degree or Master of Business Administration in Hospital Administration or Hospital Management or Hospital and Healthcare Management with ten years of experience as Deputy Medical Superintendent in Unani hospitals (or) as Hospital Administrator or Human Resource Manager in National Accreditation Board for Hospitals accredited Multi-speciality Hospital;

(ii) the Medical Superintendent shall be a full-time regular incumbent and shall not be a teaching staff of any Department concurrently;

(iii) a medical superintendent with postgraduation degree in Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Ilmul Atfal (Paediatrics), Qabalat wa Niswan (Obstetrics and Gynaecology), Jarahat, Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) or Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) appointed or deputed from health services shall report and discharge duties under the Medical Director.

(d)(i) Deputy Medical Superintendent shall be a Post-graduate in any of the following subjects viz. Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Ilmul Atfal (Paediatrics), Qabalat wa Niswan (Obstetrics and Gynaecology), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) recognised by the National Commission for Indian system of Medicine or the erstwhile Central Council for Indian system of Medicine; or

Bachelor of Unani Medicine and Surgery with Master degree or Master of Business Administration in Hospital Administration or Hospital Management or Hospital and Healthcare Management with ten years of clinical or professional experience shall be appointed as Deputy Medical Superintendent;

(ii) The Deputy Medical Superintendent shall be a full-time regular incumbent and shall not be concurrently on the teaching staff of any Department, i.e., other than a teaching staff.

(iii) A deputy medical superintendent with postgraduation degree in Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Ilmul Atfal (Paediatrics), Qabalat wa Niswan (Obstetrics and Gynaecology), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine), appointed or deputed from health services shall report to the Medical Superintendent.

(e) a candidate with Master of Business Administration in Human Resource Management or Operations Management or Health Care Management shall be appointed as administrator for the general administration of the hospital, and the administrator shall discharge duties under the Medical Superintendent;

(f) an Unani graduate (Bachelor of Unani Medicine and Surgery) with five years of clinical or professional experience shall be appointed as Resident Medical Officer or Resident Surgical Officer or Emergency Medical Officer;

(g) physiotherapist shall have the qualification of bachelor degree in Physiotherapy;

(h) matron shall have Bachelor of Science in Nursing with ten years of experience or General Nursing and Midwifery with twelve years of experience, registered with the Nursing Council, or nursing in Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH) or Indian System of Medicine or Unani of duration not less than three years awarded by a recognised university or institution with ten years of experience in Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH) or Indian System of Medicine or Unani Hospital;

(i) assistant matron shall have Bachelor of Science in Nursing with five years of experience or General Nursing and Midwifery with seven years of experience, registered with the nursing council, or nursing in Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH) or Indian System of Medicine or Unani Nursing of duration not less than three years awarded by a recognised university or institution with five years of experience in Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH) or Indian System of Medicine or Unani hospital;

(j) a candidate with bachelor of Science in Nursing or General Nursing and Midwifery registered with the Nursing Council or nursing in Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy (AYUSH) or Indian System of Medicine or Unani nursing of a duration of three years awarded by a recognised university or institution shall be appointed as nursing staff;

- (k) a candidate with a diploma or degree in Medical Laboratory Technician shall be appointed as Lab Technician;
- (l) pharmacist: Diploma or Certificate in Unani Pharmacy from recognised institution. In case of non-availability of candidates with Diploma or Certificate in Unani Pharmacy, candidates with 12th standard having minimum five-year experience in Unani pharmacy under qualified registered Unani Medical Practitioner may be considered;
- (m) modern medical staff with a Postgraduate degree or specialists in the concerned speciality or subject shall be engaged on a full-time or part-time or contract basis to extend their services in the concerned area or section or unit of the hospital as mentioned in Schedule-IV;
- (n) X-Ray Technician: with minimum Diploma in X-Ray technician course from any recognised Institution;
- (o) therapist: Minimum 10th standard with 2 years experience in Ilaj bit Tadabeer procedures. Preference shall be given to candidates with diploma or certificate course in Ilaj bit Tadabeer;
- (p) operation theatre Technician- Bachelor or Diploma course in Operation theatre technician;
- (q) operation theatre Assistant- One-year certificate course in operation theatre technician.
- (r) the qualification of hospital staff other than those on the above list shall be as per the Schedule-IV.

CHAPTER-II

TIMELINES TO FULFILL THE ADDITIONAL MINIMUM ESSENTIAL STANDARD REQUIREMENTS SPECIFIED IN THIS REGULATION BY UNANI MEDICAL COLLEGES OR INSTITUTES ESTABLISHED BEFORE COMMENCEMENT OF THESE REGULATIONS

15.(1) The Unani Medical Colleges or institutions established before the commencement of this regulation shall fulfil the additional minimum essential standards as mentioned in these regulations with required staff in a phase-wise manner within the specific timeline, except building infrastructure; all such additional standards can be accommodated in the existing building itself.

(2) The timeline mentioned in Table-9 to fulfil additional standards or requirements is the maximum, and no relaxation shall be given thereafter.

(3) The new construction to accommodate such additional units or sections or facilities or standards as per the minimum build-up area specified in these regulations shall be mandatory when the institution is applying for an increase in the number of seats in an existing course or starts any postgraduate or new courses recognised by the commission.

Table-9

Timelines to Comply the Additional Minimum Essential Standards by Unani Medical Colleges or Institutes Established Before the Commencement of these Regulations.

Serial No.	Standard or Unit or Section or Facility	Timeline for Fulfilling Minimum Standard Requirements (From the date of official Notification of this Regulation)
(1)	(2)	(3)
Campus in General		
1	Central Workshop or Maintenance cell	18 months
2	Closed-Circuit Television	06 months
College		
3	Information Technology Cell and Information Technology Infrastructure	06 months
4	Digital Library	18 months
5	Clinical Skill or Simulation Lab	24 months
6	Human Resource Development Cell	18 months
7	Research and Innovation Cell	18 months

8	College Council Room	18 months
9	Students Council Room	18 months
10	Student Support and Guidance including Career Guidance and Placement Cell	18 months
11	Pharmacovigilance Cell room	18 months
12	Kulliyat Umoore Tabiya Practical Lab cum Tutorial Room and Language laboratory	18 months
13	Nutrition Laboratory, Tahaffuzi wa Samaji Tib Practical Lab and Museum cum Tutorial Room and Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) Practical Lab and Museum cum Tutorial Room	18 months
14	Equipment and Instruments for Quality Testing Laboratory	18 months
Hospital		
15	Screening Outpatient Department	Immediate
16	Medical Record Room	18 months
17	Ilmul Samoom (Clinical Toxicology) Out-Patient Department	Immediate
18	Minor Procedure Room (Ilaj bit Tadabeer Out-Patient Department)	06 Months
19	Minor Procedure Room (Jarahat Outpatient Department)	06 Months
20	Minor Procedure Room (Qabalat wa Amraze Niswan Out-Patient Department)	06 Months
21	Minor Procedure Room (Amraze Jild wa Tazeeniyat Out-Patient Department)	06 Months
22	Minor Procedure Room (Ain, Uzn , Anaf, Halaq wa Asnan Outpatient Department)	06 Months
23	Clinical Classrooms	24 months
24	In-Patient Department ward attached procedural rooms under Medical In-Patient Department section and Surgical In-Patient Department section	24 months
25	Ilaj bit Tadabeer Procedure Section, Physiotherapy Unit (Equipment and Instruments)	24 months
26	Yoga and Riyazat Therapy Section	24 months
27	Ghiza Makhsoosa (Specific Diet) Centre	18 months
28	Maternity Operation Theatre	24 months
29	Minor Operation Theatre for Unani surgical and parasurgical procedures	24 months
30	Doctors Lounge	24 months
31	Interns Room	24 months
32	Hospital Staff Room	24 months
33	Hospital Meeting Hall in Administrative Zone	24 months

CHAPTER-III

INSPECTION OR VISITATION OR ASSESSMENT OF FULLY ESTABLISHED EXISTING UNANI MEDICAL COLLEGES OR INSTITUTIONS

16. Inspection or Visitation or Assessment.- After commencement of this regulation, the fully established existing Unani medical institution under Section 28 of the Act shall be categorised under the following two categories: i.e., college or institution under 'Extended Permission' category and college or institution under 'Yearly Permission' for inspection or visitation or assessment, permission and admission purposes.

(1) (a) a fully established college or institution under Section 28 that have been permitted by Medical Assessment and Rating Board for Indian System of Medicine consecutively for the previous three years before the commencement of these regulations shall be considered as the college or institution under the extended permission category by the Medical Assessment and Rating Board for Indian System of Medicine;

(b) the provision of extended permission shall not be applicable under the following conditions:

(i) if the college or institution acted upon by Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine within the provisions as mentioned in clause (f) of sub-section (1) of section 28 of the National Commission for Indian System of Medicine Act, 2020;

(ii) if any pending legal issues or disciplinary actions against the college or institution;

(iii) if the college or institution violated the provisions of regulations on admission of students as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations, 2022 as well as counselling and admission guidelines issued by the National Commission for Indian System of Medicine;

(iv) if the college or institution that have applied to the Medical Assessment and Rating Board for Indian System of Medicine to increase number of seats or students intake capacity in undergraduate programme or course; and

(v) if the institution that have not deposited the annual inspection fee including digitisation fee for the year of extended permission in the bank account of the National Commission for Indian System of Medicine through the procedure specified by the Medical Assessment and Rating Board for Indian System of Medicine;

(c) medical institutions under the category of extended permission are entitled to participate in counselling process to admit students every year as per the sanctioned intake capacity without seeking or obtaining permission from the Medical Assessment and Rating Board for Indian System of Medicine unless otherwise denied or specified by the Medical Assessment and Rating Board for Indian System of Medicine as a result of annual inspection or visitation or assessment.

(2) (a) fully established medical institution under Section 28 that are not fulfilling the criteria as specified in clause (a), sub-regulation (1) of regulation 16 shall be categorised under the "Yearly Permission" category by the Medical Assessment and Rating Board for Indian System of Medicine;

(b) the medical institution under the "yearly permission category shall participate in counselling process to admit students every year, only after obtaining permission for admission from Medical Assessment and Rating Board for Indian System of Medicine.

(3)(a) suo-moto inspection or visitation or assessment carried out by the Medical Assessment and Rating Board for Indian System of Medicine every year shall be for continuation of extended permission or granting of yearly permission for admitting students or for taking such measures under the provisions mentioned in clause (f), sub-section (1) of section 28 of the Act;

(b) all the medical institution, irrespective of category either extended permission or yearly permission, shall keep uploading (self-disclosure) data (real time or periodical) or information or documents on National Commission for Indian System of Medicine online portal in the format and timeline specified by the Medical Assessment and Rating Board for Indian System of Medicine;

(c) all the medical institution, irrespective of category (extended permission or yearly permission), shall deposit the annual inspection or visitation fee (visitation fee plus digitization fee) as given below within the time period and mode specified by the Medical Assessment and Rating Board for Indian System of Medicine;

(i) Visitation fee: two lakh rupees for sixty students intake capacity; three lakh rupees for one hundred students intake capacity; four lakh rupees for one hundred fifty students intake capacity and five lakh rupees for two hundred students intake capacity;

- (ii) Digitisation fee: fifty thousand rupees
- (iii) Annual visitation fee in total shall be (visitation fee plus digitization fee): two lakh fifty thousand rupees, three lakh fifty thousand rupees, four lakh fifty thousand rupees and five lakh fifty thousand rupees for sixty, one hundred, one hundred fifty and two hundred students intake capacity respectively along with applicable taxes;
- (d) the medical institution categorised under 'Extended Permission' category by the Medical Assessment and Rating Board for Indian System of Medicine shall submit an affidavit (as per the format and period of submission specified by Medical Assessment and Rating Board for Indian System of Medicine from time to time) stating full compliance with the all minimum essential standards mentioned in these regulations;
- (e) Medical Assessment and Rating Board for Indian System of Medicine shall conduct inspection or visitation or assessment (in the manner and mode as specified in the manual developed by Medical Assessment and Rating Board for Indian System of Medicine from time to time as required) every year at any time during the academic year to assess the fulfilment of minimum essential standards requirements mentioned in these regulations by the college or institution;
- (f) the period of assessment shall be twelve months preceding the month of visitation or inspection or assessment;
- (g) *Explanation:* If an institution is being assessed or inspected or visited in the month of August 2024, then the period of assessment shall be from August 1st, 2023, to July 31st, 2024;
- (h) after assessment, the Medical Assessment and Rating Board for Indian System of Medicine shall communicate the decision of the assessment or inspection or visitation to the institution under "Yearly Permission Category," ordinarily sixty days before the date of commencement of central counselling process by All-India AYUSH Central Counseling Committee for admission every year;
- (i) if a college under extended permission category, did not receive any communication ordinarily sixty days before the central counselling by All-India AYUSH Central Counseling Committee for admission every year, then it is presumed that the college holds its status of extended permission and shall be allowed to participate in counseling and admission process as per the provision of the relevant regulations;
- (j) during the process of assessment or visitation or inspection, any, deficiency is found either in the documents, in the data, or in the fulfilment of minimum essential standards or in the functionality of the institution or college under Extended Permission category, and based on this, if the Medical Assessment and Rating Board for Indian System of Medicine initiates any action due to non-fulfilment of minimum essential standards as per clause (f) of sub-section (1) of section 28 of the National Commission for Indian System of Medicine Act, 2020, in such case, the extended permission status shall be withdrawn for such institutes, and shall be categorised under 'yearly permission' category and all rules and regulations related to the yearly permission category shall be applicable; such institutes may again attain 'Extended Permission' status only after fulfilling the conditions specified in clause (a) of sub-regulation (1) of regulation 16 in these regulations;
- (k) Medical Assessment and Rating Board for Indian System of Medicine shall have the power to re-visit the institutions for assessment or inspection or visitation at any time and any number of times in the year;
- (l) the colleges seeking permission to not admit students or the college or institution has denied permission to admit students consecutively for five academic sessions by the Medical Assessment and Rating Board for Indian System of Medicine shall be treated as deemed to be closed; If such college would like to restart, it shall undergo the process of new establishment under Section 29 of the National Commission for Indian System of Medicine Act, 2020.
- (m) the provision to 'rectify the defects' specified under Section 29 of the National Commission for Indian System of Medicine Act, 2020, for new medical institutions shall not be applicable to the existing fully established institutions under section 28; as these are the minimum essential standards, no chance to "rectify the defects" shall be given to the fully established existing medical institutions under section 28; however, before issuing the order of denial of permission or reduction of seats, etc., an opportunity for preferring an appeal and hearing shall be given to the such medical institution;
- (n) (i) if a college or institution is aggrieved by the decision of the Medical Assessment and Rating Board for Indian System of Medicine, may prefer an appeal to the Commission against such decision within thirty days of the communication of such decision by the Medical Assessment and Rating Board for Indian System of Medicine as per the sub-section (3) of the Section 24 of the Act;
- (ii) if an institution is aggrieved by any decision of the commission, may prefer an appeal to the Central Government against such decision within fifteen days of the communication of such decision by the Commission as per the sub-section (6) of the Section 9 of the Act.

CHAPTER-IV**RATING OF FULLY ESTABLISHED UNANI MEDICAL COLLEGE OR INSTITUTION**

17.(1) After the commencement of this regulation, every fully established existing Unani Medical College or institution possessing extended permission status, shall be rated every year.

(2) the rating process shall be carried out by the Medical Assessment and Rating Board of Indian System of Medicine or any agency designated by Medical Assessment and Rating Board for Indian System of Medicine under Section 28 of the Act, through the procedure based on the key areas and standards determined by the Board of Unani Siddha and Sowa-Rigpa qualitatively and quantitatively.

(3) The Medical Assessment and Rating Board for Indian system of Medicine shall identify independent rating agencies through a committee constituted for this cause by the Medical Assessment and Rating Board for Indian system of Medicine and make the list of rating agencies.

(4) The list of the independent rating agencies identified by the Committee shall be placed before the National Commission for Indian System of Medicine from time to time by the Medical Assessment and Rating Board for Indian System of Medicine for the approval of the Commission to finalize the list and draw up the “Medical Assessment and Rating Board for Indian System of Medicine-Empanelled Rating Agencies” and also for related financial implications.

(5) It shall be obligatory on such medical institutions eligible for rating as per the criteria mentioned in Sub-regulation (1) to provide access to such rating agency.

(6) The Unani Medical College or institution shall be rated based on the criteria or standards over and above the minimum essential standards.

(7) The data uploaded by the institutions on the National Commission for Indian System of Medicine online platform shall be considered for rating purposes.

(8) The proportion of weightage between online data submitted by the institution and physical verification or assessment for rating shall be 70:30 (Seventy per cent. online data verification and thirty per cent. physical verification).

(9) (a) After the assessment for rating, the Unani Medical College or institution under extended permission category shall be graded into Grade ‘A’, Grade ‘B’, Grade ‘C’ or Grade ‘D’ based on the assessment score obtained by the college or institution and the Medical Assessment and Rating Board for Indian System of Medicine shall make available on the Commission’s web site or in public domain, the assessment and ratings of medical colleges or institutions before the commencement of counselling for admissions by All-India AYUSH Central Counselling Committee; the Medical Assessment and Rating Board for Indian System of Medicine shall frame the format and procedure for uploading such data of assessment and rating on the National Commission for Indian System of Medicine website.

(b) Unani Medical Colleges or institutions that are not eligible for rating are,-

(i) undergoing establishment under the provisions of section 29 of the Act;

(ii) categorised under yearly permission category;

(iii) denied permission by the Medical Assessment and Rating Board for Indian System of Medicine;

(iv) measures taken by the Medical Assessment and Rating Board for Indian System of Medicine as per the provisions specified in clause (f), sub-section (1) of section 28 of the Act.

(10) The institution awarded Grade ‘A’ are entitled to charge a five percent development fee over and above the prescribed fee by the concerned fee fixation authority of Central Government or State Government or Union territory Administration as the case may be, from the students admitted during the years of possessing Grade ‘A’.

(11) In the event that a deemed university or an autonomous institution is awarded Grade ‘A’ such medical institution are eligible for curricular freedom, i.e., modification of the “nice to know category mentioned in the course curriculum and syllabus by the National Commission for Indian System of Medicine.

(12) The Unani Medical Colleges or institutes graded ‘A’ and ‘B’ shall only be eligible for applying increase in student intake capacity in existing programmes or starting any new or postgraduate programmes recognised by the National Commission for Indian System of Medicine under the Act.

(13) The Unani Medical College or institution of any grade, if acted upon by Medical Assessment and Rating Board for Indian System of Medicine for the provisions in clause (f), sub-section (1) of Section 28 of the act, the grade shall be deemed to have been withdrawn, and no communication will be sent for the withdrawal of the

grade. If such a college or institutes continues to use grade, such institution shall be subjected to disciplinary action by the Medical Assessment and Rating Board of Indian System of Medicine.

(14) Medical institutions shall be graded based on the rating score obtained by the institution as mentioned in the following Table-10.

Table-10
Rating Score and Grades

Rating Score (1)	Grade (2)
75 and above	A
50-74	B
25-49	C
Up to 24	D

(15) Annual rating fee shall be paid along with applicable taxes through online (National Electronic Fund Transfer or Real Time Gross Settlement) to the National Commission for Indian System of Medicine account in favour of National Commission Fund for Indian System of Medicine within the period specified by the Medical Assessment and Rating Board of Indian System of Medicine and the fee details are as under.

- (i) undergraduate college with sixty students intake capacity: two lakh and fifty thousand rupees;
- (ii) one hundred students intake capacity: three lakh rupees;
- (iii) one hundred and fifty students intake capacity: three lakh and fifty thousand rupees;
- (iv) two hundred students intake capacity: four lakh rupees.

CHAPTER-V

ESTABLISHMENT OF NEW UNANI UNDERGRADUATE MEDICAL COLLEGE OR INSTITUTION

18 . Establishment of new Unani Undergraduate College or Institution shall be as per Section 29 of the National Commission for Indian System of Medicine Act, 2020.

(1) **General instructions.-** (a) the last date for receipt of application for new schemes shall be as displayed on the NCISM website every year;

(b) application submitted by a person (a university, society, trust, or any other body, but does not include the Central Government) shall be in the prescribed format annexed to this regulation, along with the applicable non-refundable application fee and processing fee as mentioned in sub-regulation (5) of regulation 18;

(c) incomplete application shall not be entertained in any case;

(d) there is no provision for withdrawal of application after the last date and in such a case of withdrawal before the last date, the processing fee shall not be refunded;

(e) any document in the local language shall be submitted with a transcript in Hindi and English;

(f) No person shall establish a new Unani Medical College or institution without obtaining permission from Medical Assessment and Rating Board for Indian System of Medicine.

(g) it is understood that, before submission of the application, the applicant should have gone through and understood the National Commission for Indian System of Medicine Act, 2020, and the concerned regulations.

(2) **Pre-Requisite.-** (a) the application for establishment of the new Unani undergraduate medical college shall be for a student intake capacity of sixty, one hundred, one hundred fifty and two hundred seats per year;

(b) at the time of submission of the application or proposal or scheme, the functional Unani Medicine Hospital shall have been completed for a minimum of twenty-four months (i.e., not less than two years) after establishment with proper registration;

(c) it is mandatory for the hospital to have the appropriate registration from the local authorities;

(d) the following shall be considered for the two years of functionality of the hospital;

- (i) bank transactions depicting the salary of consultants and other hospital staff in a nationalised bank in an independent account in the name of the hospital;
 - (ii) the bank transactions indicating the functionality of the hospital, such as periodic purchases of medicines and hospital consumables, payment of relevant taxes, hospital income etc.;
 - (iii) well documented (physical or electronic) hospital records, including patient attendance in Out-patient Department or In-patient Department, documents showing maintenance of the hospital, and renewal of the necessary permissions from local or concerned authorities;
 - (iv) the hospital shall have at least entry-level National Accreditation Board for Hospitals certification at the time of application.
 - (v) a certificate from the local authority certifying or approving the construction plan of the proposed buildings having the required construction area as per Schedule-I and Schedule-II which shall be accommodated in the specified land, must be provided at the time of application.
- (e) the distance between any two Unani Medical Colleges run by the same trust or society or university shall not be less than twenty-five kilometres.

(3) Requirements of hospital with a minimum of two years of functionality: The society or university or trust or any other body intended to establish an Unani Medical undergraduate college may start the hospital in a phase-wise manner:

- (a) the hospital shall start with Out-Patient Department of Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), Tahaffuzi wa Samaji Tib (Preventive and Social Medicine); Ilmul Samoom (Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine); and Isabat (Emergency or Casualty);
- (b) with a minimum of thirty In-Patient Department beds with forty per cent. bed occupancy attached with an operation theatre, a minor operation theatre, a labour room, a clinical laboratory, an imaging section, a drug store, an Ilaj bit Tadabeer procedure section, a physiotherapy unit, and a Yoga and Riyazat section;
- (c) during the second year of the establishment of the hospital, the hospital shall enhance the In-Patient Department capacity gradually so that at the time of application, the hospital shall have sixty beds for sixty students intake capacity, one hundred beds for one hundred students intake capacity, one hundred fifty beds for one hundred fifty capacity, and two hundred beds for two hundred students intake capacity;
- (d) the gradual increase in the infrastructure and human resources shall be in not more than four stages, which shall be supported by appropriate documents such as land, construction, purchase of equipment, appointment of human resources, salary, and other hospital expenditures;
- (e) at the time of submission of the application or proposal or scheme, the hospital shall be fully functional with all Out-Patient Departments, In-Patient Departments, and other units or sections with all the minimum essential standards mentioned for hospital in these regulations;
- (f) the Out-Patient Department attendance, number of In-Patient Department beds and bed occupancy: At the time of application the hospital shall have the average Out-Patient Department attendance per day specified for each intake capacity as per the clause (j), sub-regulation (3) under the regulation 14 (i.e., one hundred twenty patients per day for sixty students intake capacity, two hundred patients for one hundred students intake capacity; three hundred patients for one hundred fifty students intake capacity and four hundred patients for two hundred students intake capacity), with minimum number of In-Patient Department beds i.e. sixty beds for sixty intake capacity, one hundred beds for one hundred students intake capacity; one hundred fifty beds for one hundred fifty students intake capacity and two hundred beds for two hundred students intake capacity as per the clause (p), sub-regulation (5) regulation 14 in these regulations and minimum average bed occupancy of forty per cent. as per the clause (q), sub-regulation (5) under the regulation 14 of these regulations;
- (g) two years of functionality shall be considered by Medical Assessment and Rating Board for Indian System of Medicine for the preceding twenty-four months from the month of submission of the application or proposal or scheme.

Explanation: if submission of the application is in the month of October 2024, then two years of existence of the hospital and its functionality are calculated from October 1st, 2022, to September 30th, 2024.

(4) **Eligibility for making an application.**- For making an application for establishment of new Unani medical undergraduate college or institution under these regulations, a person or applicant (society or trust or university or any other body) shall be eligible if,

- (a) the applicant's one of the objectives shall be to impart education in the Indian System of Medicine;
- (b) the applicant shall possess minimum requirement of land according to student intake capacity as per regulation-5 under Chapter-I;
- (c) the applicant shall either own or possess the land on lease for not less than thirty years in the name of the applicant body, and the same shall be renewed before expiry of the lease;
- (d) in the case of institution having lease agreement for land, the institution shall not be granted permission for admission in the last five years of the lease period unless the institution submits a notarised affidavit every year mentioning the lease shall be renewed before the expiry of the lease and subsequently submits the renewed lease agreement before the expiry of the lease period;
- (e) the distance between any two Unani Medical Colleges run by the same trust or society or university or any other body shall not be less than twenty-five kilo-meters;
- (f) Obtained a "No Objection Certificate or Essentiality Certificate" in Form-C (Annexure-III) from the respective state government or Union Territory Administration, which shall be submitted at the time of application;
- (g) obtained a "Consent of Affiliation" in Form-E (Annexure-V) from the respective university established under Central or State or Union territory Administration statute for establishing a new Unani Medical College, clearly mentioning the academic year(s) for affiliation, which shall be submitted at the time of application; If the university itself is an applicant, consent of affiliation may not be required;
- (h) fulfilled all minimum essential standards in terms of infrastructure, human resources and functionality as specified in the clause (a), of sub-regulation (11) of regulation 18 for the first phase of establishment at the time of application; further, the institution shall establish infrastructure, facilities, and manpower for the second third and fourth phases in time as specified clause (b), (c) and (d) in the sub-regulation (11) of regulation 18;
- (i) furnishes an affidavit that the admission of students shall be made strictly on the basis of merit for National Eligibility-cum-Entrance Test qualified students through Central or State or Union territory Administration counselling as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations, 2022;
- (j) furnishes an affidavit that the land and buildings designated for Unani Medical College and attached teaching hospital are exclusively for Unani Medical College and attached teaching hospital and no other courses, programmes, or colleges except the National Commission for Indian System of Medicine-approved programmes shall be conducted;
- (k) Furnishes an affidavit that the nomenclature of courses and teacher-student ratio will be kept as laid down in the concerned regulations;
- (l) furnishes as an undertaking that the applicant has not already admitted students in any class, course, programme, or training of the proposed Unani Medical College;
- (m) the applicant shall be in a position to deposit a security deposit valid for five years in favour of the " the National Commission Fund for Indian System of Medicine" as shown in Table-11;

Table-11

Details of Security Deposit as per Student Intake Capacity

Sl.No.	Student Intake Capacity	Security Deposit Amount (in Rupees)	Mode of Payment
(1)	(2)	(3)	(4)
1	60	1.0 crore	Online transfer (NEFT/RTGS) in favour of "the National Commission Fund for Indian System of Medicine"
2	100	2.0 crore	
3	150	3.0 crore	
4	200	4.0 crore	

(n) the applicant understand that the security amount shall be refunded to the institution only after the completion of five years since the establishment of the college.

(o) the security amount shall be returned to the college account without interest after five years; provided, there shall not be any financial grievance pending against the college or a pending penalty amount due to disciplinary action by the National Commission for Indian System of Medicine.

Provided further that, a security deposit shall not be applicable to the colleges governed by the Central or State Governments or Union territory Administration, if they give an undertaking to provide funds in their plan budget regularly till requisite facilities are fully provided as per the time-bound programme indicated by them.

(5) Method of Application and Fee Details..- (a) any person or applicant intending to establish a new Unani Medical College shall submit the application in **Form-A (Annexure-I)** online or offline or both within the time frame as specified by the Medical Assessment and Rating Board for Indian System of Medicine along with all necessary documents and a non-refundable application fee (two lakh rupees) and processing fee (ten lakh rupees, fifteen lakh rupees, twenty lakh rupees and twenty-five lakh rupees for sixty, one hundred, one hundred fifty and two hundred student intake capacity respectively), shall be paid online (National Electronic Fund Transfer or Real Time Gross Settlement) in favour of “the National Commission Fund for Indian System of Medicine” along with applicable taxes.

(b) the applicant shall provide an official e-mail Identity Document and contact number, which shall be used for all official communication by Medical Assessment and Rating Board for Indian System of Medicine. These contact details are valid until the application or proposal or scheme is approved or disapproved;

(c) once the scheme is approved, the college shall create an official mail Identity Document as specified in regulation 13 of Chapter-I and intimate it to Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine along with an official mobile number, which shall be used for all official communications.

(6) Processing of the Application..- (a) all the received applications shall be provided with a temporary Identity Document (year of application followed by "T" (Temporary), "U" (Unani), followed by the serial number of applications received in that particular year).

Explanation: The first application received in 2023 for the establishment of Unani Medical College shall be numbered as 2023TU001; the second application as 2023TU002; and so on.

(b) the same temporary Identity Document shall be quoted by the applicant in all official correspondence, and this temporary Identity Document shall be valid up to the issue of a Letter of Permission or disapproval of the application by the Medical Assessment and Rating Board for Indian System of Medicine;

(c) all the received applications shall be subjected to scrutiny by the Medical Assessment and Rating Board for Indian System of Medicine as per the following criteria:

- (i) applicant eligibility;
- (ii) pre-requisites;
- (iii) fulfilment of Minimum Essential Standards specified for the first phase of establishment;
- (iv) application fee and processing fee;
- (v) supportive documents;
- (vi) hospital data;
- (vii) transactions in official bank accounts (separate account for hospital and college);
- (viii) any other as specified by the or Medical Assessment and Rating Board for Indian System of Medicine.

(7) Issue of Letter of Intent..-

(a) after the scrutiny, the applications shall be processed under the two categories i.e. application fulfilling minimum essential standards and other requisites as per submitted data and applications with shortcomings:

(i) applications fulfilling all the minimum essential standards and other requisites as per submitted data: (A) The applicant institution fulfilling all the minimum essential standards and other requisite criteria as specified in this regulation shall be inspected or visited by Medical Assessment and Rating Board for Indian System of Medicine;

(B) the Medical Assessment and Rating Board for Indian System of Medicine shall verify the data and documents submitted by the applicant institution along with the application and the observations made by the visitors during visitation, and if found fulfilled the applicant institution shall be issued a Letter of Intent by the Medical Assessment and Rating Board for Indian System of Medicine under section 29 of the Act;

(C) in case any shortcomings are noticed by the visitors during inspection or visitation, the same shall be communicated to the applicant institution and an opportunity shall be given for rectification of defects, except for the shortcomings mentioned in item (D), sub-clause (ii), clause (a), sub-regulation (7) of regulations 18;

(D) the compliance report, along with necessary supporting documents submitted by the institution that have been given an opportunity for rectification of the defects, shall be subjected for scrutiny for the shortcomings specified, and if found fulfilled, the application is approved and a Letter of Intent shall be issued by Medical Assessment and Rating Board for Indian System of Medicine; if not found fulfilled or the compliance report is not received within the time period as specified by Medical Assessment and Rating Board for Indian System of Medicine, the application shall be disapproved and rejected.

(ii) applications with shortcomings: (A) the applications found to have shortcomings shall be communicated to the applicant institution by the Medical Assessment and Rating Board for Indian System of Medicine for rectification and submission of compliance report;

(B) the compliance report, along with supporting documents submitted after rectification of shortcomings by the applicant institution within the specified timeline, the application and attached documents shall be scrutinised again by Medical Assessment and Rating Board for Indian System of Medicine; if found fulfilled, the applicant institution shall be inspected or visited;

(C) after visitation, the Medical Assessment and Rating Board for Indian System of Medicine shall examine the compliance report submitted by the college and the observations made by the visitors during inspection or visitation; if found fulfilled, the applicant institution shall be issued a Letter of Intent by the Medical Assessment and Rating Board for Indian System of Medicine; if found not fulfilled, the application shall be disapproved and rejected;

(D) shortcomings of serious nature, like deficiencies in minimum essential standards as specified in these regulations, such as non- functionality of the hospital, inadequacy of land availability or land dispute, insufficient period of existence of the functioning hospital, non-availability of essentiality certificate or no objection certificate from the State or Union Territory government, non-availability of consent of affiliation from the university, a deficiency in the constructed area of the college or hospital, etc. an opportunity to rectify the defects shall not be given and such applications shall stand disapproved.

(b) no relaxation policy shall be applicable for new application;

(c) the letter of intent shall be valid for that particular year only; If the applicant fails to obtain Letter of Permission, the issued Letter of Intent shall not be applicable for consecutive years, and in such a case, the applicant has to submit a fresh application for the establishment of a new college; and

(d) The visitation fee and digitisation fee for visitation and for the issuance of a letter of intent shall be as per clause (c) of sub-regulation (3) of regulation 16 .

(8) Issue of a Letter of Permission.- (a) the institution that received the Letter of Intent shall submit the compliance report by fulfilling all the minimum essential standards, the details of teaching, non-teaching, and hospital staff appointed as specified for the first phase of establishment of the institution, and the security deposit as mentioned in clause (m) sub-regulation (4) of regulation 18 (as detailed in Table-11) to the commission within sixty days of the communication of the Letter of Intent;

(b) upon receipt of the compliance report along with all necessary supporting documents, the Medical Assessment and Rating Board for Indian System of Medicine shall conduct an inspection or visitation;

(c) after inspection or visitation, Medical Assessment and Rating Board for Indian System of Medicine shall examine the compliance report and the observations made by the visitors during visitation, and if it is found that the applicant institution is fulfilling all the requisite minimum essential standards, the institution shall be issued a letter of permission along with National Commission for Indian System of Medicine unique institutional Identity Document (year of issue followed by 'UNI' followed by a 5-digit serial number; for example, the Identity Document for the first college received permission during the year 2024 shall be 2024UNI00001; the second college 2024UNI00002 and so on) including institutional login credentials for the National Commission for Indian System of Medicine online portal; if found not fulfilled the minimum essential standards, the application shall be disapproved and rejected.

(d) the applicant shall be communicated either approval or disapproval of the application or proposal or scheme by Medical Assessment and Rating Board for Indian System of Medicine within six months from the last date for submission of the application or proposal or scheme;

(e) the institution received Letter of Permission shall intimate the official mobile number as well as the official e-mail Identity Document created as specified in this regulation 8 of Chapter-I within ten working days to the Medical Assessment and Rating Board for Indian System of Medicine (president.marbism@ncismindia.org) by quoting the National Commission for Indian System of Medicine unique institutional Identity Document, and thereafter all official correspondence shall be through these official mobile number and official email Identity Document only; and

(f) The visitation fee and digitisation fee for visitation for issuing a letter of permission shall be as per clause (c) of sub-regulation (3) of regulation 16.

(9) **Appeal.**- as per Section 29 of the National Commission for Indian System of Medicine Act, 2020, the aggrieved applicant may prefer an appeal in the following situations in the manner specified below:

(a) in case of disapproval of the scheme or application or proposal by the Medical Assessment and Rating Board for Indian System of Medicine, or no order is passed by the Medical Assessment and Rating Board for Indian System of Medicine within six months of submitting scheme or application or proposal for establishing new Unani medical institution, the aggrieved applicant may prefer appeal to the Commission within fifteen days of such communication of disapproval or denial; or after the lapse of six months period from the period of submission of the scheme.

(b) the appeal may be submitted online, offline, or as specified by the National Commission for Indian System of Medicine;

(c) upon receipt of the appeal, the commission shall examine the appeal, and the aggrieved applicant shall be given an opportunity for a hearing within fifteen days; If the commission finds that the applicant is fulfilling all the minimum essential standard, the commission shall direct the Medical Assessment and Rating Board for Indian System of Medicine to consider the application. If the applicant is not fulfilling the minimum essential standards, the commission shall disapprove and reject the application; In any case, the commission shall communicate such a decision to the applicant within fifteen days of receipt of the appeal;

(d) in case of disapproval or denial by the commission or no order has been passed by the commission, within fifteen days from the date of the preferring appeal, the aggrieved applicant may prefer a second appeal to the Central Government (Ministry of Ayush) within seven days of such disapproval or the lapse period of fifteen days from the date of preferring an appeal.

(10) **Issue of Renewal of Permission.**- (a) once a Letter of Permission is issued by the Medical Assessment and Rating Board for Indian System of Medicine to start a new Unani Medical College and admit first batch of students, that letter of permission shall be valid for one year only and permission of Medical Assessment and Rating Board for Indian System of Medicine shall be renewed on a yearly basis under Section 29 of the Act for admitting students until the institution attains the status of a fully established institution under section 28 of the Act as shown in the Table-12;

(b) the institution issued Letter of Permission shall submit compliance on fulfilment of the minimum essential standards as specified in these regulations for the second phase of the establishment of the institution.

(c) the compliance report shall be submitted to the Medical Assessment and Rating Board for Indian System of Medicine by the institution prior to six months from the expiry of the Letter of Permission;

(d) Upon the receipt of compliance report, the Medical Assessment and Rating Board for Indian System of Medicine shall conduct inspection or visitation.

(e) after visitation the Medical Assessment and Rating Board for Indian System of Medicine shall examine the compliance report submitted by the college and the observations made by the visitors, and on fulfilment of the minimum essential standards, the Medical Assessment and Rating Board for Indian System of Medicine shall issue the first renewal of permission to admit the second batch of students as shown in Table-12;

(f) the same procedure shall be followed for second and third renewal of permission to admit third and fourth batch of students.

(g) the institution shall be considered and treated as a fully established institution by the Medical Assessment and Rating Board for Indian System of Medicine under Section 28 of the National Commission for Indian System of Medicine Act, 2020 during the subsequent years after the third renewal as shown in Table-12 unless otherwise denied permission by Medical Assessment and Rating Board for Indian System of Medicine;

Table-12

Letter of Intent, Letter of Permission and Renewal of Permission

Serial No. (1)	Section 28 and Section 29 (2)	Permission or Renewal (3)	Category (4)	Batch (5)
1	29	Letter of Intent	Institution under consideration	No admission
2		Letter of Permission	Institution under establishment	First batch
3		First renewal		Second batch
4		Second renewal		Third batch
5		Third renewal		Fourth batch
6	28	Fully Established Institution- Entitled for Rating		Fifth batch onwards

(h) in case of non-fulfilment of minimum essential standards and not attaining annual targets at any phase of establishment of the institution, Medical Assessment and Rating Board for Indian System of Medicine shall deny permission for admission for the next academic session.

(11) Phase-wise Requirements of Minimum Essential Standards for New Unani Undergraduate Colleges or Institutions Under Establishment.- As a new college or institution under establishment category, shall fulfil or establish all four phase-wise requirements mentioned in these regulations to become a fully established institution i.e. fulfilment of Phase-I, Phase-II, Phase-III and Phase-IV requirements to obtain letter of permission, first renewal of permission, second renewal of permission, and third renewal of permission from the Medical Assessment and Rating Board for Indian System of Medicine to admit first batch, second batch, third batch and fourth batch of students respectively and to become a fully established institution; the details are as under:

(a) **Phase-I:** Before the admission of the first batch of students, the college or institution shall have.-

(i) a fully established National Accreditation Board for Hospitals and health care provider -accredited (at least entry-level) hospital with all minimum essential standards as mentioned for the hospital in these regulations (regulation 14, Schedule-I, XV to XXIII);

(ii) hospital staff as specified in Schedule-IV; as far as consultants are concerned, a minimum of one qualified consultant or specialist doctor or clinical teacher shall be available in each of Moalajat (Medicine), Ilaj bit Tadabeer (Regimenal Therapy), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat and Dentistry), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics), and Tahaffuzi wa Samaji Tib (Preventive and Social medicine) and Ilmul Samoom (Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) out-patient department;

(iii) the Departments of first professional Bachelor of Unani Medicine and Surgery viz. Kuliyat (Basic principles of Unani Medicine) including Language Lab, Practical Lab and Museum cum Tutorial room, Tashreehul Badan (Anatomy) including Dissection Hall, Practical Lab and Museum cum Tutorial room, Manafeul Aza (Physiology) including Practical Lab, and Tutorial room and attached facilities or sections, as specified in the Schedule-II and instruments or equipment as specified in Schedule VII, VIII and IX;

(iv) teaching staff with the requisite qualifications as specified in Schedule-V that are required for the first professional departments shall be appointed;

(v) all non-teaching staff (except the staff required for second and third professional departments) with the requisite qualifications as specified in Schedule-VI shall be appointed;

(vi) a minimum of two lecture halls with infrastructure and facilities as specified in sub-regulation (2) of regulation 13;

(vii) a well-developed herbal garden having a minimum of two hundred species of common medicinal plants and endangered species as per Schedule-III;

(viii) an updated dynamic institutional website as per regulation 12;

(ix) attendance system as specified in regulation 11;

(x) other sections or units or cells or facilities as specified in Table-13 with qualified human resources and fulfil other related minimum essential standards as specified in these regulations.

Table-13

Mandatory Requirements of Sections or Units or Cells in the Phase-I establishment

Serial No. (1)	Sections or Units or Cells (2)
1	Administrative section
2	Central library with minimum of four thousand, five thousand, six thousand and seven thousand books and journals for students intake capacity of sixty, one hundred, one hundred fifty and two hundred respectively
3	Digital Library
4	Clinical Skill or Simulation Laboratory (twenty-five percentage of simulators/manikins)
5	Human Resource Development Cell
6	Information Technology cell and Information Technology infrastructure
7	Research and Innovation cell
8	Co-Curricular or Extra-Curricular facilities
9	Student Amenities
10	Staff Amenities
11	Common rooms for boys and girls
12	Common room for teaching faculty
13	Examination or Multipurpose or Yoga and Riyazat or Conference Hall
14	College Council Room
15	Student Council Room
16	Student Support and Guidance including Career Guidance and Placement Cell
17	Pharmacovigilance Cell
18	Central workshop
19	Closed-circuit television
20	Hostels
21	Canteen

(b) **Phase-II:** Before the admission of the second batch of students, the college or institution shall have-

(i) the departments of second professional Bachelor of Unani Medicine and Surgery viz. Ilmul Advia(Pharmacology) including Ilmul Advia Practical Lab, Wasful Aqaqir (Pharmacognosy) Practical Lab, Herbarium and Museum cum Tutorial room, Ilmul Saidla (Unani Pharmacy) including Teaching Pharmacy (Ilmul Saidla Pharmaceutical Practical lab), Quality Testing Laboratory, Museum cum Tutorial room, Tahaffuzi wa Samaji Tib(Preventive medicine and Social Medicine) including Tahaffuzi wa Samaji Tib Nutrition Lab, Practical Lab, Museum cum Tutorial room and Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) Practical Lab and Museum, Mahiyatul Amraz (Pathology) including Mahiyatul Amraz Practical Lab and Museum cum Tutorial room, Moalajat (Medicine) with Museum cum Tutorial room and other facilities or sections as specified in the Schedule-II and instruments or equipment as specified in Schedule X, XI, XII, and XIII;

(ii) teaching staff with the requisite qualifications as specified in Schedule-V that are required for second professional Departments shall be appointed;

- (iii) non-teaching staff required for second professional Departments with the requisite qualification as specified in Schedule-VI shall be appointed;
- (iv) minimum three lecture halls (addition of minimum one lecture hall with facilities as specified in sub-regulation (2) of regulation 13;
- (v) increase in Central Library books up to a minimum of six thousand, seven thousand five hundred, nine thousand, and ten thousand five hundred for student intake capacities of sixty, one hundred, one hundred fifty, and two hundred, respectively;
- (vi) the clinical skill lab shall be expanded with at least fifty per cent. of the manikins or simulators or devices as specified in Schedule-XIV.

(c) **Phase-III:** Before the admission of the third batch of students, the college or institution shall have-

- (i) increase in Central Library books up to a minimum of seven thousand, eight thousand five hundred, ten thousand five hundred, and twelve thousand for student intake capacities of sixty, one hundred, one hundred fifty, and two hundred, respectively;
- (ii) the clinical skill lab shall be expanded with at least seventy-five percent of the manikins or simulators or devices as specified in Schedule-XIV.

(d) **Phase-IV:** Before the admission of the fourth batch of students, the college or institution shall have-

- (i) the departments of the third professional Bachelor of Unani Medicine and Surgery, viz., Ilaj bit Tadabeer (Regimenal Therapy), Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology), Jarahat (Surgery), Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat and Dentistry) Qabalat wa Niswan (Obstetrics and Gynaecology), Ilmul Atfal (Paediatrics) with Museum cum Tutorial room and other facilities or sections as specified in the Schedule-II;
- (ii) teaching staff with the requisite qualifications as specified in Schedule-V that are required for third professional departments shall be appointed;
- (iii) non-teaching staff for third professional departments with the requisite qualification as specified in Schedule-VI of this regulation shall be appointed;
- (iv) minimum five lecture halls (addition of minimum two lecture halls to the existing three in Phase I and Phase II) with facilities as specified sub-regulation (2) of regulation 13;
- (v) increase in Central Library books up to a minimum of eight thousand, ten thousand, twelve thousand, and fourteen thousand for student intake capacities of sixty, one hundred, one hundred fifty, and two hundred, respectively;
- (vi) a fully established clinical skill lab with all manikins or simulators or special devices as specified in Schedule-XIV.

(12) **Condition.-** Institution received Letter of Permission shall adhere to the following conditions namely:-

- (a) in case the parent society or trust or body that established the college wants to transfer the college to another society or trust or body, a prior No Objection Certificate from the National Commission for Indian System of Medicine shall be obtained;
- (b) if the college wants to change the affiliating university or would like to apply for deemed university status, it shall obtain a No Objection Certificate from the National Commission for Indian System of Medicine before applying for the same.

CHAPTER-VI

INCREASE IN NUMBER OF SEATS OR STUDENTS INTAKE CAPACITY OR ADMISSION CAPACITY IN EXISTING UNDERGRADUATE PROGRAMMES OR COURSES IN FULLY ESTABLISHED UNANI MEDICAL COLLEGES OR INSTITUTIONS

19. Increase Student Intake Capacity.-Fully established institutions, under Section 28 of the Act, conducting undergraduate program (Bachelor of Unani Medicine and Surgery) with students intake capacities of sixty, one hundred, and one hundred fifty, shall be eligible to apply to increase intake capacity in existing undergraduate programme under Section 29 of the Act and the pre-requisites are as under: -

- (a) it shall be a fully established Unani Medical College under Section 28 of the National Commission for Indian System of Medicine Act, 2020 with students intake capacity of sixty, one hundred, or one hundred fifty;

(b) the college or institution shall have completed at least four years and six months of undergraduate course or programme; however, the college owned or managed by the Central or State or Union territory Administration government is exempted from fulfilling this pre-requisite criteria of completion of four years and six months of undergraduate course or programme;

(c) the college shall be under the category of 'extended permission', and have not been denied permission for admission or subjected to the provisions under clause (f), Sub-section (1) of Section 28 of the Act by Medical Assessment and Rating Board for Indian System of Medicine for the preceding five years, including the year of application;

(d) the college shall be rated with a grade of "A" or "B" by Medical Assessment and Rating Board for Indian System of Medicine during the year of application;

(e) the college established building infrastructure and facilities for the additional standards mentioned in Chapter-II and Table-9 of this regulation; and

(f) No person shall increase number of seats in Unani Medical College or institution without obtaining permission of the Medical Assessment and Rating Board for Indian System of Medicine.

(2) **Eligibility:** For making an application under Section 29 of the Act, the college shall be eligible if,

(a) the applicant institution has obtained the essentiality certificate or No Objection Certificate for the proposed increase in student intake capacity Form-D (Annexure-IV) from the state or union territory government;

(b) the applicant institution has obtained the 'consent of affiliation' Form-E (Annexure-V) from the affiliated university (not applicable for deemed universities);

(c) the applicant institution has fulfilled all minimum essential standards, including the minimum number of teaching staff specified in these regulations for the proposed student intake capacity (fulfilment may be in phases as specified in this regulation);

(d) admission of students for undergraduate programmes or courses is made strictly on the basis of the merit of National Eligibility-cum-Entrance Test qualified students through Central or State Government or Union territory counselling as specified in the National Commission for Indian System of Medicine (Minimum Standards of Undergraduate Unani Education) Regulations 2022;

(e) the maximum number of admissions shall not exceed the sanctioned student intake capacity specified by Medical Assessment and Rating Board for Indian System of Medicine.

(3) **Method of Application:** (a) the college shall submit the application to the Medical Assessment and Rating Board for Indian System of Medicine for increasing number of seats or student intake capacity or admission capacity in Form-B (Annexure-II) within the prescribed period, along with the non-refundable application fee (two lakh rupees) and processing fee (five lakh rupees, ten lakh rupees, fifteen lakh rupees and twenty lakh rupees for 60, 100, 150 and 200 student intake capacity respectively), a security deposit, and the documents specified by the Medical Assessment and Rating Board for Indian System of Medicine.

(b) incomplete applications and applications received after the last date shall not be considered;

(c) there is no provision for withdrawal of an application after the last date, and in such a case of withdrawal before the last date, the processing fee shall not be refunded;

(d) it is understood that before submission of the application, the applicant should have gone through and understood the National Commission for Indian System of Medicine Act, 2020 and the concerned regulations;

(e) application fee and security deposit details are as follows (Table-14):

Table-14

Application Fee and Processing Fee for Increase in Number of Seats

Existing Student Intake Capacity (1)	Application Fee (2)	Processing Fee for the Proposed Student Intake Capacity			
		Sixty students intake capacity (3)	One hundred students intake capacity (4)	One hundred fifty students intake capacity (5)	Two hundred students intake capacity (6)
Sixty	two Lakhs	-	five Lakhs	ten Lakhs	fifteen Lakhs
One hundred		-	-	five Lakhs	Ten Lakhs

One hundred fifty		-	-	-	Five Lakhs
Two hundred		-	-	-	-

Table-15

Security Deposit for Increase in Number of Seats

Existing Student Intake Capacity (1)	Security Deposit for the Proposed Intake Capacity (in Rupees)			
	sixty students intake capacity (2)	One hundred students intake capacity (3)	One hundred fifty students intake capacity (4)	Two hundred students intake capacity (5)
Sixty	-	One Crore	Two Crores	Three Crores
One hundred	-	-	One Crore	Two Crores
One hundred fifty	-	-	-	One Crore
Two hundred	-	-	-	-

(f) the security deposit shall be refunded after five years to the institutional official bank account without interest; provided, there shall not be any financial grievance pending against the college or a pending penalty amount due to disciplinary action by the National Commission for Indian System of Medicine.

Provided that a security deposit shall not apply to the colleges governed by the state or union territory government, if they give an undertaking to provide funds in their plan budget regularly till the requisite facilities are fully provided as per the time-bound programme indicated by them;

(g) the non-refundable application fee, processing fee and security deposit shall be paid to the National Commission for Indian System of Medicine account through National Electronic Funds Transfer or Real Time Gross Settlement in favour of "the National Commission Fund for Indian System of Medicine";

(h) the process of applications as well as the issue of Letter of Intent, Letter of Permission, first renewal, second renewal, and third renewal shall be as per Chapter-V of these regulations.

(i) The visitation fee and digitization fee for visitation for issuing a letter of intent and letter of permission for an increase in student intake capacity shall be as per clause (c) of sub-regulation (3) of regulation 16 .

CHAPTER-VII**PENALTY AND DISCIPLINARY ACTIONS**

20. (1) compliance with the regulations, directions, instructions and adherence to the timeline issued by the Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine shall be the responsibility of the institutions.

(2) Non-compliance action includes following, namely:-

(a) non-compliance with regulations;

(b) any activities of the institutions, that are not in accordance with the objectives of undergraduate Unani medical education and practices, exploitation of students on fees, mal practices of attendance etc;

(c) failure to maintain minimum essential standards in terms of infrastructure, human resources, clinical material, practical material, research facilities and other institutional functionality etc in accordance with these regulations;

(d) non-cooperation or any sort of disturbance to inspection or visitation process for assessment and rating or any other activities of the Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine;

(e) providing falsified information or fabricated data or information or evidence to Autonomous boards or to the National Commission for Indian System of Medicine;

(f) any attempt to influence, pressurise, bribe or threaten assessors or officials of the National Commission for Indian System of Medicine or officials designated by the National Commission for Indian System of Medicine;

(3) For any of the non-compliance as mentioned in sub-regulation (2) or intentional attempt of non-compliance act or omission by the medical institution, the Medical Assessment and Rating Board for Indian System of Medicine shall either penalise the medical institution or take such measures as mentioned in the clause (f) of sub-section (1) of section 28 of the Act and/or conduct further enquiry in to such incidence namely, -

(a) impose monetary penalty not exceeding rupees one crore;

(b) issue warning;

(c) withhold process of application for any new scheme for that academic year or for a such number of years;

(d) reduce the number of seats to be admitted by the medical institution in the next academic year;

(e) stop the admission to one or more of the courses in the next or subsequent academic year(s);

(f) recommending the National Commission for Indian System of Medicine for the withdrawal of recognition;

(g) withhold or withdrawal of rating of the medical institutions for a period up to five academic years; and

(h) if any attempt from the institution side to pressurise the Medical Assessment and Rating Board for Indian System of Medicine or the National Commission for Indian System of Medicine through individuals or agency shall lead to immediate halt of the processing the application or request by the medical institution or withdrawal of permission, reduction in student intake capacity or monetary penalty.

SCHEDULE-I

(see regulation 6, 14 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF AN ATTACHED TEACHING HOSPITAL OF AN UNANI MEDICAL COLLEGE

Serial No.	Particulars	Constructed or Built up area (in Square Meter)			
		Sixty students intake capacity	One Hundred students intake capacity	One hundred fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
Reception and Registration Zone					
Entrance lobby and circulation area includes		100	150	200	250
1	Reception and Enquiry counter or with Public Relation Officers				
2	Registration and Billing counter				
3	Waiting area				
4	Medical record room and space for medical record technician				
Out-Patient Zone		440	650	860	1070
5	Screening Out-Patient Department	15	20	30	40
6	Moalajat Out-Patient Department	25	40	50	60
7	Ilaj bit Tadabeer Out-Patient Department (with attached minor therapy or procedure room)	40	50	60	70
8	Amraze Jild wa Tazeeniyat Out-Patient Department (with attached minor therapy or procedure room)	25	40	50	60
9	Ilmul Atfal Out-Patient Department	25	40	50	60
10	Jarahat Out-patient Department (with attached procedure room for surgical and para-surgical procedures)	40	50	60	70

11	Ain Uzn Anaf Halaq wa Asnan Out-Patient Department (with attached procedure room for surgical and para-surgical procedures)	40	50	60	70
12	Qabalat wa Niswan Out-Patient Department (with attached minor procedure room)	40	50	60	70
13	Tahaffuzi wa Samaji Tib Out-Patient Department	25	40	50	60
14	Isabat (Emergency or Casualty)	25	25	30	35
15	Drug store or Dispensary or Pharmacy	40	50	60	80
16	Online consultation facility	100	195	300	395
17	Out-Patient Department zone in-charge office				
18	Waiting lounge for patients with drinking water facility, and area for breast feeding.				
19	Area for wheelchair and stretcher, janitor room				
20	Separate male and female toilets for patients, staff and students or interns				
21	Store				
22	Speciality Out-patient Departments	twenty square meters per speciality Out-Patient Department (Space mentioned for speciality Out-Patient Department is over and above the minimum requirement, hence will not be counted under minimum required area)			
Diagnostic Zone					
23	Clinical laboratory	150	175	200	225
24	Radiology or Imaging section				
25	Other Diagnostics such as Electrocardiogram etc.,				
26	Waiting area for patients				
27	Diagnostic zone in-charge office				
28	Counter for issuing reports				
29	Toilets separately for male and female				
In-Patient Zone		1350	2150	2950	3750
	A. Medical In-Patient Section				
30	Area required to accommodate allotted In-Patient department beds under Moalajat, Ilaj bit Tadabeer, Amraze Jild wa Tazeeniyat, Ilmul Atfal	750	1250	1750	2250
31	Ward procedure rooms (four) with kitchen				
32	Nursing counter and store				
33	Area for seating interns				
34	Room for night duty doctors or consultants				
35	Room for night duty nursing staff				
36	Room for night duty interns				
37	Clinical classrooms (two)				
38	Circulation area and corridors				
39	Toilets attached to wards (separately for male, female and physically challenged)				
40	Area for potable water facility, trolleys or stretchers, clean and dirty utility, housekeeping material or janitor room, biomedical waste management facility, laundry etc.,				

B. Surgical In-Patient Section					
41	Area required to accommodate allotted In-Patient department beds under Jarahat, Ain Uzn Anaf Halaq wa Asnan, and Qabalat wa Niswan	600	900	1200	1500
42	Ward procedure rooms (three) with kitchen				
43	Nursing counter and store				
44	Area for seating interns				
45	Room for night duty doctors or consultants				
46	Room for night duty nursing staff				
47	Room for night duty interns				
48	Clinical classrooms (two)				
49	Circulation area and corridors				
50	Toilets attached to wards (separately for male, female and physically challenged)				
51	Area for potable water facility, trolleys or stretchers, clean and dirty utility, housekeeping material or janitor room, biomedical waste management facility, laundry etc.,				
Procedural Management Zone					
52	Masrah Amaliya (Operation Theatre) attached with Minor Operation Theatre: for Surgical and Para surgical treatment	175	225	275	325
53	Ghurfatul Wilada (Labour room with Maternity Operation Theatre)	150	150	200	200
54	Ilaj bit Tadabeer Procedure Section	200	300	400	500
55	Physiotherapy Section	75	100	125	150
56	Yoga and Riyazat Section	50	50	75	100
Administrative Zone					
57	Medical Director room	400	450	500	550
58	Medical Superintendent room				
59	Personal Assistant to Medical Director or Medical Superintendent room				
60	Deputy Medical Superintendent room				
61	Resident Medical Officer or Resident Surgical Officer room				
62	Matron room				
63	Assistant Matron room				
64	Office space for Superintendent				
65	Office space for Accountant and other staff				
66	Waiting lounge for the visitors				
67	Doctor’s lounge				
68	Intern’s room				
69	Staff room				
70	Meeting hall				
71	Pantry				
72	Store				
73	Toilets				

Service Zone					
74	Ghiza Makhsoosa (Specific diet) including instant medicine preparation section	50	75	100	125
75	The other provisions in the service zone				
	Total	3140	4475	5885	7245

SCHEDULE-II

(see regulation 6,13 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF AN UNANI MEDICAL COLLEGE

Serial No.	Section or Units	Minimum required area (square meters)			
		Sixty students intake capacity	One hundred students intake capacity	One hundred fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
1	Administrative section	200	250	300	350
	Head of the Institution (Director or Dean or Principal) room including anteroom and attached toilet				
	Personal Assistant to head of the institution (Director or Dean or Principal)				
	Visitors lounge for visitors to head of the institution (Director or Dean or Principal)				
	Staff committee room				
	Vice Principal or Deputy Dean or Deputy Director (If any)				
	Office superintendent				
	Office- Establishment and Administration, Account Section and Cash Counter				
	Waiting area for office visitors				
	Record room				
	Central store				
	Toilets for office staff				
	Pantry				
2	Lecture hall or Classrooms	500 (5×100)	750 (5×150)	1000 (5×200)	1250 (5× 250)
	Five lecture halls or Classrooms				
3	Seminar or Conference or Examination or Yoga and Riyazat Hall (Multipurpose hall)	150	300	450	600
4	Library				
	Central library	150	250	350	450
	Digital library	40	50	60	70
5	Teaching departments	1475	2525	3625	4800
	(1) Kuliyat (Basic Principles of Unani Medicine) Department with a. Kuliyat Umoore Tabiya Practical Laboratory cum Tutorial Room b. Museum cum Tutorial Room for Tareekh-E Tib c. Language Laboratory	100	125	150	175
	(2) Tashreehul Badan (Anatomy) Department with a. Dissection Hall b. Practical lab c. Museum cum Tutorial room	150	300	450	600

	(3) Manafeul Aza (Physiology) Department with a. Practical Laboratory b. Tutorial room	100	200	300	400
	(4) Ilmul Advia (Pharmacology) Department with a. Ilmul Advia (Pharmacology) Practical Lab b. Wasful Aqaqir (Pharmacognosy) Practical Lab c. Herbarium and Museum cum Tutorial room	175	275	400	550
	(5) Ilmul Saidla (Unani Pharmacy) Department with a. Ilmul Saidla Practical Laboratory (Teaching Pharmacy) b. Quality Testing Laboratory c. Museum cum Tutorial room	175	275	400	550
	(6) Mahiyatul Amraz (Pathology) Department with a. Mahiyatul Amraz (Pathology) Practical Lab b. Museum cum Tutorial room	100	200	300	400
	(7) Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) Department with 1. Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) a. Nutrition lab b. Practical lab c. Museum cum Tutorial room. 2. Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) a. Practical Lab b. Museum cum Tutorial room	150	275	400	550
	(8) Moalajat (Medicine) Department with Museum cum Tutorial room	75	125	175	225
	(9) Ilaj bit Tadabeer (Regimenal Therapy) Department with Museum cum Tutorial room	75	125	175	225
	(10) Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology) Department with Museum cum Tutorial room	75	125	175	225
	(11) Ilmul Atfal (Paediatrics) Department with Museum cum Tutorial room	75	125	175	225
	(12) Jarahat (Surgery) including Department with Museum cum Tutorial room	75	125	175	225
	(13) Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat, Dentistry) Department with Museum cum Tutorial room	75	125	175	225
	(14) Qabalat wa Niswan (Obstetrics and Gynaecology) Department with Museum cum Tutorial room	75	125	175	225
6	Clinical skill or Simulation Laboratory (Common area + demo or practice room)	125 (75+50X1)	200 (100+50X2)	275 (125+50X3)	350 (150+50X4)
7	Human Resources and Development Cell (Workshop area + office, store, circulation area, toilet)	130 (80+50)	150 (100+50)	170 (120+50)	190 (140+50)
8	Research and Innovation Cell	30	30	30	30
9	College Council Room	50	100	150	150
10	Student Council Room	20	20	20	20
11	Student Support and Guidance Cell including Career Guidance and Placement Cell room	25	25	25	25
12	Pharmacovigilance Cell- Room	20	20	20	20
13	Common rooms for students (Boys and Girls separately)	100 (50+50)	200 (100+100)	300 (150+150)	400 (200+200)
14	Common rooms for teaching faculty (Male and Female separately)	50 (25+25)	60 (30+30)	70 (35+35)	80 (40+40)
15	College Canteen	100	150	200	250

	Total	3165	5080	7045	9035
Note: 1. For Central workshop (see regulation 7), Information Technology cell (see regulation 10) and Internal Quality Assurance cell (see regulation 13), an adequate space separately for each shall be provided by the college or institution as per their requirement. 2. The Student Support and Guidance Cell including Career Guidance and Placement room may be a common facility for Grievance Redressal Cell (see regulation 13) and Committee Against Sexual Harassment (see regulation 13) for their meetings and keeping related records and documents.					

SCHEDULE-III

(see regulation 13 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF HERBAL GARDEN

Serial No.	Particulars	Minimum required area (square meter)			
		sixty students intake capacity	one hundred students intake capacity	one hundred fifty students intake capacity	two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
1	Herbal garden (a well-developed herbal garden with minimum two hundred species of medicinal plants with demonstration room of twenty-five to fifty square meters)	2500	4000	4000	4000

SCHEDULE-IV

(see regulation 14 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF HOSPITAL STAFF IN THE ATTACHED TEACHING HOSPITAL

Serial No.	Department/Section/Unit	Minimum Requirement of Hospital Staff (Intake capacity wise)			
		sixty students intake capacity	one hundred students intake capacity	one hundred fifty students intake capacity	two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
Administrative Zone					
1	Medical Director	Principal or Dean or Director as per the clause (b), sub regulation (9) of regulation 14.			
2	Medical Superintendent	1	1	1	1
		Full-time regular incumbent other than the teaching staff. Qualification as per the clause (c), sub regulation (9) of regulation 14.			
3	Deputy Medical Superintendent	1	1	1	2
		Full-time regular incumbent other than the teaching staff. Qualification as per the sub-clause (i), clause (d), sub regulation (9) of regulation 14.			
4	Administrator	1	1	1	2
		Qualification as per the clause (e), sub regulation (9) of regulation 14.			
5	Consultants	Teachers of Moalajat, Ilaj bit Tadabeer, Amraze Jild wa Tazeeniyat, Ilmul Atfal, Jarahat, Ain Uzn Anaf Halaq wa Asnan, Qabalat wa Niswan and Tahaffuzi wa Samaji Tib departments			
6	Resident Medical Officer-Admin	Resident Medical Officer -Admin shall be one among the Resident Medical Officer or Resident Surgical Officer in the hospital.			
7	Matron or Nursing Superintendent	1	1	1	1

		Qualification as per the clause (h), sub regulation (9) of regulation14.			
8	Assistant Matron	1	1	2	3
		Qualification as per the clause (i), sub regulation (9) of regulation 14.			
9	Office Superintendent (Graduation with five-year administrative experience)	1	1	1	1
10	Clerical staff (Graduation with computer knowledge) or Account staff (B. Com or M. Com with computer knowledge)	1	2	3	4
11	Storekeeper (Minimum 12 th Standard)	1	1	1	1
	Modern Medical Staff (physical presence of modern medical staff is not mandatory for inspection or visitation)				
12	Medical specialist	One (full time or part time or on contract basis)			
13	Surgical specialist	One (full time or part time or on contract basis)			
14	Obstetrician or Gynaecologist	One (full time or part time or on contract basis)			
15	Pathologist	One (full time or part time or on contract basis)			
16	Radiologist	One (full time or part time or on contract basis)			
17	Anaesthesiologist	One (full time or part time or on contract basis)			
18	Ophthalmologist	One (full time or part time or on contract basis)			
19	ENT specialist	One (full time or part time or on contract basis)			
Reception and Registration Zone					
20	Receptionist cum Telephone Operator (Graduate with computer knowledge and communication skill)	1	2	3	4
21	Registration cum Billing Clerk (Graduate with computer knowledge and communication skill)	1	2	3	4
22	Medical Record Technician (with graduate degree) (Medical Record Technician-not required in case of fully computerised hospital)	1	1	1	1
Out-Patient Department Zone					
23	Emergency Medical Officer	2	2	2	2
		Qualification as per the clause (f), sub regulation (9) of regulation 14.			
24	Resident Medical Officer	1	1	1	1
		Qualification as per the clause (f), sub regulation (9) of regulation 14.			
25	Nursing staff (01 for Qabalat wa Niswan Out-Patient Department and 01 for Isabat)	2	2	2	2
		Qualification as per the clause (j), sub regulation (9) of regulation 14.			
26	Pharmacist (Dispensary or Pharmacy or Drug Store)	2	2	3	4
		Qualification as per the clause (l), sub regulation (9) of regulation 14.			
27	Out-Patient Department Attendant (with minimum 10 th standard)	1	1	2	2
Diagnostic Zone					
28	Lab Technician	2	2	3	4
		Qualification as per the clause (k), sub regulation (9) of regulation 14.			
29	Lab Attendant (with minimum 10 th standard)	1	1	2	2
30	X-Ray Technician	1	1	1	1
		Qualification as per the clause (n), sub regulation (9) of regulation 14.			
31	Dark room Assistant	1	1	1	1

	(with minimum 12 th standard. Preference should be given to candidate having Certificate course of Dark Room assistant) (In case of non-digital x-ray unit)				
32	Nursing staff for Ultrasonogram (USG) and Electrocardiogram (ECG)	1	1	1	1
		Qualification as per the clause (j), sub regulation (9) of regulation 14.			
In-Patient department Zone					
	Medical In-Patient department Section				
33	Resident Medical Officers (RMO)	2	2	2	2
		Qualification as per the clause (f), sub regulation (9) of regulation 14.			
34	Nursing staff (one for every ten beds)	4	6	9	12
		Qualification as per the clause (j), sub regulation (9) of regulation 14.			
35	Ward boy or Ayah (one for every 20 beds)	2	3	4	6
Surgical In-Patient department Section					
36	Resident Surgical Officer (RSO)	2	2	2	2
		Qualification as per the clause (f), sub regulation (9) of regulation 10.			
37	Nursing staff (one for every ten beds)	2	4	6	8
		Qualification as per the clause (j), sub regulation (9) of regulation 10.			
38	Ward boy/Ayah (one for every 20 beds)	1	2	3	4
Procedural Management Zone					
	Ilaj bit Tadabeer Procedure Section				
39	IBT Specialists	Teachers of Ilaj bit Tadabeer Department			
40	Nursing staff	1 (female)	1 (female)	2 (1 male + 1 female)	2 (1 male + 1 female)
		Qualification as per the clause (j), sub regulation (9) of regulation 10.			
41	Therapist	4 (2 male+ 2 female)	8 (4 male + 4 female)	12 (6 male + 6 female)	16 (8 male + 8 female)
		Qualification as per the clause (o), sub regulation (9) of regulation 14.			
42	Attendant (minimum 10 th standard)	1	1	2	2
43	Receptionist cum clerk	1	1	1	1
44	House Officer or Clinical registrar or Senior Resident (with Bachelor of Unani Medicine and Surgery Degree)	1	1	1	1
Masrah Amaliya (Operation Theatre and Minor Operation Theatre)					
45	Jarahat and Ain Uzn Anaf Halaq wa Asnan Specialists	Teachers of Jarahat and Ain Uzn Anaf Halaq wa Asnan Departments			
46	Nursing staff (Female)	1	1	2	2
		Qualification as per the clause (j), sub regulation (9) of regulation 14.			
47	Operation theatre Technician	1	1	2	2
		Qualification as per the clause (p), sub regulation (9) of regulation 14.			
48	Operation theatre Assistant	1	1	2	2
		Qualification as per the clause (q), sub regulation (9) of regulation 14.			
49	Operation theatre Attendant (minimum 10 th standard and trained)	1	1	2	2
50	Dresser (minimum 10 th standard and trained)	1	1	2	2
Ghurfatul Wilada (Labour room and Maternity Operation Theatre)					

51	Qabalat wa Niswan Specialists	Teachers of Qabalat wa Niswan Department			
52	Nursing staff	1	1	2	2
		Qualification as per the clause (j), sub regulation (9) of regulation 14.			
53	Ayah	1	1	2	2
	Physiotherapy Unit				
54	Physiotherapist (Minimum BPT)	1	1	1	1
		Qualification as per the clause (g), sub regulation (9) of regulation 14.			
55	Attendant (Minimum 10 th standard and trained)	1	1	1	1
	Service Zone				
56	Ghiza Makhsoosa (Specific diet)-cook	1	1	2	3
57	Multitasking worker (Minimum 10 th standard)	1	1	1	1
	Total	65	78	107	127
Note: Security guards, electrician, plumber, sanitary workers, washer man, gardener, driver, housekeeping staff, attendant/peon, cook, gardener, maintenance staff, central sterile services department technician, information technology technician etc. may be obtained by outsourcing.					

SCHEDULE-V

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF TEACHING STAFF IN AN
UNANI MEDICAL COLLEGE**

Teaching Department (1)	Minimum Requirement of Teaching Staff											
	sixty students intake capacity (2)			one hundred students intake capacity (3)			one hundred fifty students intake capacity (4)			two hundred students intake capacity (5)

9. Ilaj bit Tadabeer (Regimenal Therapy)	1 or 1	1	1	1	1	1	2	2	2	2	3
10. Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology)	1 or 1	1	1	1	1	1	2	2	2	2	3
11. Jarahat (Surgery)	1 or 1	1	1	1	1	1	2	2	2	2	3
12. Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, ENT and Dentistry)	1 or 1	1	1	1	1	1	2	2	2	2	3
13. Qabalat wa Niswan (Obstetrics and Gynaecology)	1 or 1	1	1	1	2	1	2	3	2	2	4
14. Ilmul Atfal (Paediatrics)	1 or 1	1	1	1	1	1	2	2	2	2	3
Sub total	14	18	14	14	19	14	22	34	22	28	42
Total	32		47			70			92		
Note: 1. Apart from the above, one yoga teacher or instructor on full time basis (one for sixty, one hundred, one hundred fifty student intake capacity and two i.e. one male and one female for two hundred student intake capacity), one Biostatistician including Research Methodology and Medical Statistics on part time basis in the Department of Tahaffuzi wa Samaji Tib, and one Physical Education Director on full time basis shall be engaged in the college; 2. Wherever additional Professors or Associate Professor are available in the department, the additional Professor may be considered against the requirement of Associate Professor or Assistant Professor and additional Associate Professor may be considered against the requirement of Assistant Professor. For example- in a college with students intake capacity from sixty one to Hundred student intake capacity, if there are three Professors or one Professor and two Associate Professor or one Professor, one Associate Professor and one Assistant Professor against the requirement of One Professor, One Associate Professor and One Assistant Professor in the Department of Manafeul Aza the college is fulfilling the requirement of faculty in this department and there is no shortcoming of faculty in this department. 3. Additional Professor or Associate Professor (Reader) or Assistant Professor (Lecturer) available in any other Department, shall not be counted or considered in the department where there is a shortage of faculty.											

SCHEDULE-VI

(see regulation 13 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF NON-TEACHING STAFF (TECHNICAL AND OTHER STAFF) IN AN UNANI MEDICAL COLLEGE

Serial No.	Department or Section or Unit	Minimum Requirement of non-teaching staff (Students Intake capacity wise)			
		sixty students intake capacity (3)	one hundred students intake capacity (4)	one hundred fifty students intake capacity (5)	two hundred students intake capacity (6)
(1)	(2)				
Administrative section					
1	Personal Assistant or Personal Secretary to Principal or Dean or Director (Graduation with Secretarial Training)	1	1	1	1
2	Office Superintendent (Graduation with five year of administrative experience)	1	1	1	1

3	Clerical Staff for administrative and account services (Clerical staff-Graduation with computer knowledge and Accounts staff-B.Com or M.Com with computer knowledge)	3	4	6	9
Central Library					
4	Librarian (with Bachelor in Library Science or Masters in Library Science with five years of Library experience)	1	1	1	1
5	Assistant Librarian (with with Bachelor in Library Science or Masters in Library Science)	1	1	2	2
6	Library Attendant (minimum 10 th standard)	1	1	2	2
Teaching Departments					
(1) Kulliyat (Basic Principles of Unani Medicine)					
7	Attendant (with minimum 10 th standard)	1	1	1	1
(2) Tashreehul Badan (Anatomy)					
8	Cadaver lifter	1	1	1	1
9	Lab Assistant (with minimum 12 th standard)	1	1	2	2
10	Attendant cum Museum Keeper (with minimum 10 th standard)	1	1	2	2
(3) Manafeul Aza (Physiology)					
11	Lab Technician (with Diploma or Bachelor degree in Medical Lab Technology)	1	1	2	2
12	Multitasking worker (with minimum 10 th standard)	1	1	2	2
(4) Ilmul Advia (Pharmacology)					
13	Lab Technician or Pharmacognosist Ilmul Advia (Pharmacology) Practical Lab and Wasful Aqaqir (Pharmacognosy) Practical Lab (with MSc Botany); and Lab Assistant (minimum 12 th standard with Chemistry and Biology)	1+1	1+1	2+2	2+2
14	Attendant cum Museum Keeper (Herbarium and Museum cum Tutorial room) (with minimum 10 th standard)	1	1	4	4
(5) Ilmul Saidla (Unani Pharmacy)					
15	Lab Technician for Quality	1	1	1	1

	testing Laboratory (B Pharm or M Pharm)				
16	Attendant cum Museum Keeper (Teaching Pharmacy and Museum or Quality Testing Lab) (with minimum 10 th standard)	1	1	4	4
(6) Mahiyatul Amraz (Pathology)					
17	Lab Technician (with Diploma or Bachelor degree in Medical Lab Technology)	1	1	2	2
18	Attendant cum Museum Keeper (with minimum 10 th standard)	1	1	2	2
(7) Tahaffuzi wa Samaji Tib (Preventive and Social Medicine)					
19	Nutritionist or Lab Technician (Nutrition Lab) (with BSc or Nutrition and Dietetics)	1	1	2	2
20	Attendant cum Museum Keeper (with minimum 10 th standard)	1	1	2	2
(8) Moalajat (Medicine), (9) Ilaj bit Tadabeer (Regimenal Therapy) (10) Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology) (11) Ilmul Atfal (Paediatrics) (12) Jarahat (Surgery) (13) Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat and Dentistry) (14) Qabalat wa Niswan (Obstetrics and Gynaecology).					
21	Attendant cum museum keeper or multitasking worker (with minimum 10 th standard)	7	7	7	7
Clinical Skill or Simulation Laboratory					
22	Coordinator (Bachelor of Unani Medicine and Surgery graduate preferably with training or orientation on handling of manikins and simulators)	1	1	1	1
23	Office Assistant (graduation with computer knowledge)	1	1	1	1
Human Resource Development Cell					
24	Coordinator (Bachelor of Unani Medicine and Surgery preferred with Post Graduation or Postgraduate Diploma Management)	1	1	1	1
25	Office Assistant (graduation with computer knowledge)	1	1	1	1
IT Cell including Digital Library					
26	IT Officer (Bachelor of Engineering or Bachelor of Technology Computer Science or Master in Computer Application)	1	1	1	1
27	IT Assistant (Bachelor of Science Computer Science, Bachelor in Computer Application)	1	1	2	3
28	Multi-Tasking Staff	1	1	1	1
Central Workshop/ Maintenance Cell					

29	Site Engineer (with Bachelor of Engineering or Bachelor of Technology preferably civil)	1	1	1	1
Herbal garden					
30	Gardener	1	1	2	2
31	Multi-purpose worker	1	1	2	2
	Total	40	41	64	68
Note: Additional Staff like Sweeper, attendant, lifter, data entry operator, security guards, electrician, plumber, carpenter, driver, multi-purpose worker etc. may be obtained by outsourcing.					

SCHEDULE-VII

(see regulation 13 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF MODELS, EQUIPMENT AND INSTRUMENTS ETC., FOR KULLIYAT UMOORE TABIYA PRACTICAL LABORATORY CUM TUTORIAL ROOM, MUSEUM CUM TUTORIAL ROOM FOR TAREEKH-E TIBB AND LANGUAGE LABORATORY UNDER THE DEPARTMENT OF KULLIYAT

Serial No.	Instruments and Equipment	sixty students intake capacity	one hundred students intake capacity	one hundred fifty students intake capacity	two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
I. Kulliyat Umoore Tabiya Practical Lab cum Tutorial Room					
	A. Charts for Demonstration				
1	Flow Chart of ‘Ilme Tibb and its Classifications	Assorted			
2	Flow Chart of the Tabiat	Assorted			
3	Graphical representation of Kaifiyat-e Arba	Assorted			
4	Tabular representation of Arkan-e Arba with reference to Kaifiyat-e Arba	Assorted			
5	Demonstration of ‘Anāshir Insāniyya in the Periodic Table	Assorted			
6	Flow Chart of the Mizaj	Assorted			
7	Tabular description of Ajnas-e Ashra to identify Human Temperament	Assorted			
8	Flow Charts for Akhlat-e Arba	Assorted			
9	Flow Charts for A‘za	Assorted			
10	Flow Charts for Quwa	Assorted			
11	Flow Charts for Arwah	Assorted			
12	Flow Charts for Af‘al	Assorted			
	B. Models for Demonstration and Spotting				
13	Models for Aaza-e Raeesa	Assorted			
14	Models for Aazae- Adna	Assorted			
15	Models for Aaza-e Muhaiyya	Assorted			
16	Models for Aaza-e Muaddia	Assorted			
17	Models for Quwwat-e Nafsaniah	Assorted			
18	Models for Quwwat-e Haiwaniyah	Assorted			
19	Models for Quwwat-e Tabiyah	Assorted			
20	Models for Quwwat-e Tansauliyah	Assorted			
21	Models for Aaza-e Harrah	Assorted			
22	Models for Aaza-e Baridah	Assorted			
23	Models for Aaza-e Rataba	Assorted			
24	Models for Aaza-e Yabisa	Assorted			

25	Models for Aalat-e-Hawas-e Khamsa Zahirah	Assorted			
26	Models for Aaza-e Murakkaba	Assorted			
27	Models for Aaza-e Mufradah	Assorted			
28	Models for Aaza-e Manwiya	Assorted			
29	Models for Aaza-e Damwia	Assorted			
	C. Practical Lab Equipments				
30	Blood Pressure Apparatus	One	Two	Three	Four
31	Microscope with oil immersion	Two	Four	Six	Eight
32	Stethoscope	Five	Ten	Fifteen	Twenty
33	Weighing Scale	One	One	One	One
34	Height Scale	One	One	One	One
35	Stopwatch	One	One	One	One
36	Thermometer	One	One	One	One
37	Barometer	One	One	One	One
38	Glucometer	One	One	One	One
39	Pulse Oximeter	One	One	One	One
40	Globe	Three	Four	Five	Six
41	World Maps Large	Two	Two	Two	Two
42	Glassware	One	One	One	One
43	Surgical gloves	As required			
44	Gloves powder	As required			
45	Surgical blade	Assorted			
46	Soap	As required			
47	Disposable syringe and needle	Assorted			
48	Wash Basin	As required			
49	Glass jars	Assorted			
50	Refrigerator	One			
51	Prepared slides of Tissues	Assorted			
52	Spirit Lamp	As required			
53	Dropper	Assorted			
54	Test Tube	Assorted			
55	Test Tube Stand	Assorted			
56	Test Tube Holder	Assorted			
57	Yellow Top Tube or SST	Assorted			
58	Centrifuge Machine	As required			
59	Laboratory Thermometer	As required			
60	Hemocytometer	As required			
61	Cotton Bolls	Assorted			
62	Air Quality Monitor	As required			
63	Wintrobe Tube	As required			
64	Potential of Hydrogen (pH) Pen	As required			
65	A wire Loop	As required			
66	Incinerating Dish	As required			
67	Muffle Furnace	One			
68	Thermocouple	As required			
69	Newton’s Color Disc	As required			
70	Wrist Arm Strength Gripper	As required			
71	Colorimeter	As required			
72	Lancets	As required			
73	Temperature Humidity Air Pressure Meter	As required			
74	Syringe	Assorted			

75	Ethylenediaminetetraacetic acid Tube	Assorted
76	Fluoride Tube	Assorted
77	Scissors	Assorted
78	Treadmill	One
79	Pole Climbing Apparatus	As required
II. Museum Cum Tutorial Room for Tareekh-E Tib (History of Medicine)		
	A. Pictures or Text or Historical description of the following:	
1	Babylonian Medicine: Hammurabi	Assorted
2	Egyptian Medicine: Imhotep, Medical papyri	Assorted
3	Chinese Medicine: Fu Hsi, Shen Nong, Huangdi	Assorted
4	Ayurveda: Charaka, Sushruta	Assorted
5	Unani Medicine: Asclepius I, Hygeia, Panacea, Telesphorus	Assorted
6	Buqrat (Hippocrates): The Father of Medicine	Assorted
7	Siddha Medicine: eighteen Siddhars and Agasthiyar, the father of Siddha	Assorted
8	Sowa-Rigpa system of Medicine	Assorted
9	Greco-Roman: Galen (Jalinoos), Dioscorides	Assorted
10	Greco-Arab: Rabban Tabri, Abu Sahl Masihi, Avicena (Ibn-e-Sina), Abuclasis (Abul Qasim Zahrawi), Hazen (Ibn-e-Haitham), Abu Rehan Al Al Barooni, Avenzoar (Ibn-e-Zuhr), Averroes (Ibn-e-Rushd), Maimonides (Moosa Bin Maimon), Ismail Jurjani, Ibn-e-Baytar, Najeebuddin Samaqandi, Ibn-e-Nafees, Nafees Bin 'Iwad Kirmani	Assorted
11	Indian Unani Physicians: Zia Mohammad Massod Rashid Zangi, Shahab Abdul Karim Nagori, Ali Gilani, Akbar Arzani, Alvi Khan, Sharif Khan, Ahmad Gilani, Azam Khan, Ajmal Khan, Syed Ghulam Husnain Kantoori, Mohammad Kabiruddin	Assorted
12	Distinguished Unani Institutions: Madarsae Iskandria, Madarsae Jundishahpur, Baitul Hikmat	Assorted
13	Medical Code of Conduct: Hippocratic Oath, Hummurabi's Medical code of ethics, Code of Ethics of Chinese medicine, Code of Ethics of Ayurveda, Code of Ethics of Tibb-e-Nabvi, Ethical Code for the Physicians as Constituted by the National Commission for Indian System of Medicine	Assorted
14	Unani Medical Text: Kitab al-Tabiyatul Insan, Fusool-e Buqratia (Hippocratic Corpus), Mu'aedah- e Buqratia, Jawame al-Iskandreeneen (Alexandrine Collection), Kitab al-Masail, 'Ashr Maqalat fil-'Ain, Firdaus-ul Hikmat, Kitab al-Hawi, Kitab al- Mansuri, Kamil Us-Sana'at, Kitab al-Mi'at, Al- Qanoon fi-Tib, Kitab al-Tasreef, Kitab al-Kulliyat, Zakheera-e Khwarzam Shahi, Kitab al-Asbab wa al-Alamat, Mo'jaz al-Qanoon, Sharah-e Asbab wa al- Alamat, Sharah-e Nafeesi,	Assorted

	Majmua-e Ziyai Tibb-e Shahabi, Sharah-e Qanoon, Tibb-e Akbar, Qarabadeen Quadri, Talkhees Tibb-e Nabwi, Mufarreh-ul Quloob, Jame-ul Jawame Ahmad Shahi, 'Ilaj-ul Amraz	
	B. Models	
15	Stone Plates (Khishti Takhtiyan)	Assorted
16	Liver and Skull Model of Babylonian Medicine	Assorted
17	Classical Model and Equipment used in Chinese Medicine	Assorted
18	Classical Model and equipment used in Ayurveda, Siddha and Sowa-Rigpa	Assorted
19	Classical Model and equipment used in Unani Medicine	Assorted
III. Language Laboratory		
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide all facilities including equipment, instruments, specimens etc., for conducting practical listed in the syllabus and for demonstrative teaching.		

SCHEDULE-VIII

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS FOR
DISSECTION HALL, PRACTICAL LABORATORY AND MUSEUM CUM TUTORIAL ROOM UNDER THE
DEPARTMENT OF TASHREEHUL BADAN (ANATOMY)**

Serial No. (1)	Instruments and Equipment (2)	sixty students intake capacity (3)	one hundred students intake capacity (4)	one hundred fifty students intake capacity (5)	two hundred students intake capacity (6)
A. Dissection Hall					
1	Tank with a capacity to preserve 2-4 bodies	Essential			
2	Dissection Sets	Ten	Fifteen	Twenty	Twenty-five
3	Dissecting Table				
	a. Full size with stainless steel top or marble top	Three	Five	Eight	Ten
	b. Half size with stainless steel top or marble top	Three	Five	Seven	Ten
4	X-ray viewing box	Three	Four	Five	Six
5	Bone cutter of the numbers $\frac{3}{4}$, $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{8}$ – fine pointed Chisel bone dissector	As required			
6	Surgical gloves	As required			
7	Surgical blade	As required			
8	Disposable syringe and needle	As required			
9	Wash Basin	As required			
10	Preservative Chemicals	As required			
11	Glass jars	Assorted			

12	Embalming Machine (optional)	One			
13	Band saw (optional)	One			
14	Hand saw	One			
15	Histology slides	Assorted			
16	Binocular Microscope	Four	Six	Eight	Ten
17	Stools for students (preferably revolving)	Assorted			
18	Furniture and other equipment	Assorted			
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide all facilities including equipment, instruments, specimens etc., according to student intake capacity for smooth conduct of practicals listed in the syllabus and for demonstrative teaching.					
B. Museum cum Tutorial Room					
1	Specimens such as skeleton, bones, joints, preserved organs etc.,	As required			
2	Models or charts				

SCHEDULE-IX

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS FOR
MANAFEUL AZA (PHYSIOLOGY) PRACTICAL LABORATORY AND TUTORIAL ROOM UNDER THE
DEPARTMENT OF MANAFEUL AZA (PHYSIOLOGY)**

Serial No. (1)	Equipment and Instruments (2)	sixty students intake capacity (3)	One hundred students intake capacity (4)	One hundred Fifty students intake capacity (5)	Two hundred students intake capacity (6)
1	Microscope with oil immersion	Thirty	Fifty	Seventy-five	One hundred
2	Westergren's pipette for Erythrocyte Sedimentation Rate	Thirty	Fifty	Seventy-five	One hundred
3	Westergren's stand	Thirty	Fifty	Seventy-five	One hundred
4	Haematocrit Tube	Thirty	Fifty	Seventy-five	One hundred
5	Packed Cell Volume (PCV) Pipette	Thirty	Fifty	Seventy-five	One hundred
6	Sahli's Haemoglobinometer	Thirty	Fifty	Seventy-five	One hundred
7	Haemocytometer	Thirty	Fifty	Seventy-five	One hundred
8	Stethoscope	Ten	Twenty	Thirty	Forty
9	Clinical Thermometer	Ten	Twenty	Thirty	Forty
10	Knee Hammer	Ten	Twenty	Thirty	Forty
11	BP Apparatus	Ten	Twenty	Thirty	Forty
12	Tuning forks	Ten	Twenty	Thirty	Forty
13	Electrocardiograph Machine	One	One	Two	Two
14	Stop watches	Thirty	Fifty	Seventy-five	One hundred
15	Water Distillation Unit	One	One	One	One
16	Weighing machine	One	Two	Three	Four
17	Height measuring stand	One	Two	Three	Four
18	Balance-Electronic	One	Two	Three	Four
19	Snellen chart	Two	Two	Four	Four
20	Centrifuge with speed control	One	Two	Three	Four
21	Colorimeter (Photoelectric)	One	Two	Three	Four
22	pH Meter (Electric)	One	Two	Three	Four
23	pH Comparator with disc	One	Two	Three	Four
24	Newton's colour wheel	One	Two	Three	Four
25	Sterilizer	One	One	Two	Two

26	Peak expiratory flow meter	One	Two	Three	Four
27	Spirometer	One	Two	Three	Four
28	Urinometer	One	Two	Three	Four
29	Compass aesthesiometer	One	One	Two	Two
30	Thermal aesthesiometer	One	One	Two	Two
31	Hand grip dynamometer	One	One	Two	Two
32	Harvard step	One	One	Two	Two
33	Lancet pen	Ten	Fifteen	Twenty	Twenty-five
34	Disposable syringe and needles	As required			
35	Needle destroyer	As required			
36	Refrigerator	One	One	One	One
37	Bunsen burner	Ten	Fifteen	Twenty	Twenty-five
38	Spirit lamp	Six	Six	Ten	Ten
39	Tripod stand	Ten	Fifteen	Twenty	Twenty-five
40	Cover slips	As required			
41	Glassware	As required			
42	Microslides	As required			
43	Reagents	As required			
44	Torch	As required			
45	Measuring tape	As required			
46	Blotting paper	As required			
47	Stools for students (preferably revolving)	As required			
Note: The listed items in the table are minimum essential standard requirements. The department shall maintain and provide all facilities including equipment, instruments, chemicals/reagents, chart, models etc., according to student intake capacity for smooth conduct of the practicals listed in the syllabus and for demonstrative teaching.					

SCHEDULE-X

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF EQUIPMENT AND INSTRUMENTS FOR
ILMUL ADVIA (PHARMACOLOGY) PRACTICAL LABORATORY, WASFUL AQAQIR
(PHARMACOGNOSY) PRACTICAL LABORATORY, HERBARIUM AND MUSEUM CUM TUTORIAL
ROOM UNDER THE DEPARTMENT OF ILMUL ADVIA**

Serial No.	Equipment and Instruments	sixty students intake capacity	One hundred students intake capacity	One hundred Fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
A. Ilmul Advia Practical Laboratory					
1	Silbatta				
	a. Small	Two	Four	Eight	Ten
	b. Medium	Two	Four	Eight	Ten
	c. Large	Two	Four	Eight	Ten
2	Kharal (Pestle and mortar)				
	a. Sange Marmar	Two	Four	Eight	Ten
	b. Sange Siyah	Two	Four	Eight	Ten
	c. Sange Sumaaq	Two	Four	Eight	Ten
3	Distillation apparatus	One	One	One	One

4	Soxhlet apparatus with heating unit	One	One	Two	Two
5	Havan Dasta (for Pounding)	Two	Four	Eight	Ten
6	Centrifuge	Two	Four	Six	Eight
7	Clevenger Apparatus	Two	Two	Four	Four
8	Centrifuge tube	As required			
9	Test tube	Assorted			
10	Test tube holder	Assorted			
11	Test tube rack	Assorted			
12	Conical flask	Assorted			
13	Glass rod size 8	As required			
14	Dropper	As required			
15	Beaker (100 ml, 250 ml, 500 ml, 1000 ml)	As required			
16	Measuring jars (Glass) (10 ml, 25 ml, 100 ml, 500 ml)	As required			
17	Measuring jars (Plastic or Fiber) (10 ml, 25 ml, 100 ml, 500 ml)	As required			
18	Heating device				
	a. Gas stove	As required			
	b. Bunsen burner	As required			
	c. Induction stove	As required			
19	Balance				
	a. Physical	One	One	Two	Two
	b. Electronic	One	Two	Three	Four
20	Refrigerator	One	One	One	One
21	Vessels				
	a. Copper	Assorted			
	b. Steel	Assorted			
	c. Iron	Assorted			
	d. Earthen	Assorted			
22	Ladle, Spatula, Spoon etc.,	Assorted			
23	Juice extractor	As required			
24	Glass jars	As required			
25	Pasteur pipette 1 ml	As required			
26	Pipette	As required			
27	Funnel	As required			
28	Round bottom flask with iron mesh	As required			
29	Watch glass 80 mm	As required			
30	Platinum wire	As required			
31	Brush	As required			
32	Blotting or Filter paper	As required			
33	pH indicator paper	As required			
34	Knives	Assorted			

35	Steel plates	Assorted			
36	Enamel tray	Assorted			
37	Areca nut cutter	As required			
38	Chopping pad	Assorted			
39	Surgical gloves	As required			
40	Water bath	One	One	Two	Two
41	Spirit lamp	As required			
42	Chemicals and reagents	As required			
43	Almirahs and racks for storage	As required			
44	Test tubes and test tube racks	As required			
45	Fire extinguisher	One			
46	Muffle Furnace	One			

Note: 1. The listed items in the table are minimum essential standard requirements. The department shall maintain and provide all facilities including equipment, instruments, chemicals or reagents etc., according to student intake capacity for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching.

2. Fire safety measures should be available.

B. Wasful Aqaqir (Pharmacognosy) Practical Laboratory

Plant Anatomy					
1	Field magnifier	Six	Ten	Fifteen	Twenty
2	Trinocular microscope with digital camera	One	One	Two	Two
3	Compound microscope	Fifteen	Twenty	Twenty-five	Thirty
4	Watch glass	Fifteen	Twenty	Forty	Fifty
5	Microslides (boxes)	Five	Ten	Fifteen	Twenty
6	Cover glass (boxes)	Five	Ten	Fifteen	Twenty
7	Wash bottles	Five	Ten	Fifteen	Twenty
8	Slide box with permanent slides	Required as per the syllabus			
9	Plastic dropper bottle-10 ml	Thirty	Fifty	Seventy-five	Hundred
10	Petri dishes-set	Thirty	Fifty	Seventy-five	Hundred
11	Chemicals and reagents	As required			
Plant Taxonomy					
12	Dissecting Microscope	Thirty	Fifty	Seventy-five	Hundred
13	Enamel trays	Fifteen	Twenty-five	Forty	Fifty
14	Hand magnifier	Thirty	Fifty	Seventy-five	Hundred
15	Specimen bottles (500 ml)	As required			
16	Dissection box with brushes, needles, and razor/blades	Thirty	Fifty	Seventy-five	Hundred
17	Formaldehyde (Preservation)	As required			
Chromatography					
18	Thin Layer Chromatography Chamber	Fifteen	Twenty	Twenty-five	Fifty
19	Thin layer chromatography pre-coated plates (in boxes)	One	Two	Three	Four
20	Thin layer chromatography glass	Fifteen	Twenty	Twenty-five	Fifty

	plates				
21	Mortar and Pestle	Five	Ten	Fifteen	Twenty
22	Reagent bottle	Ten	Twenty	Thirty	Forty
23	Beaker-250 ml	Ten	Twenty	Thirty	Forty
24	Beaker-100 ml	Ten	Twenty	Thirty	Forty
25	Conical flask	Five	Ten	Fifteen	Twenty
26	Glass funnel	Ten	Twenty	Thirty	Forty
27	Micro pipette	Fifteen	Twenty	Twenty-five	Fifty
28	Measuring cylinder-10ml	Ten	Twenty	Thirty	Forty
29	Measuring cylinder-25 ml	Ten	Twenty	Thirty	Forty
30	Measuring cylinder- 100 ml	Ten	Twenty	Thirty	Forty
31	Whatsman filter paper roll	One	Two	Three	Four
32	Filter paper round-box	Five	Ten	Fifteen	Twenty
33	Capillary tube (Box)	One	Two	Three	Four
34	Chemicals and reagents	As required			
Miscellaneous					
35	Electronic balance	One	Two	Three	Four
36	Chemical balance	One	One	One	One
37	Ocular micrometer	One	Two	Three	Four
38	Stage micrometer	One	Two	Three	Four
39	Camera Lucida prism type and mirror type (optional)	One	Two	Three	Four
40	Hot plates	One	Two	Three	Four
41	Liquified Petroleum Gas cylinder with burner	As required			
42	Stools for students (preferably revolving)	As required			
43	Refrigerator	One			
Herbarium					
44	Plant press	Ten	Fifteen	Twenty	Twenty -five
45	Wooden Field press	Ten	Fifteen	Twenty	Twenty -five
46	Vasculum/Botanical box	Five	Ten	Fifteen	Twenty
47	Herbarium cabinet	One	One	One	One
48	Gardening tools for herbal garden (Spade, hand hoes, rake, crowbar, garden scissors, secateurs, water hose, hand sprinkler, sand bond etc.,	As required			
Note: The listed items in the table are minimum essential standard requirements. The department shall maintain and provide all facilities including equipment, instruments, chemicals or reagents etc., according to student intake capacity for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching.					
C. Museum Cum Tutorial Room					
1	Advia Nabatiya (Herbs)	Specimens of concerned categories (Poisonous substances should be preserved safely in locked display shelf cabinet)			
2	Advia Madaniya (Metals and Minerals)				
3	Advia Haywaniya (Animal				

	derivatives)				
4	Herbarium cabinet with Urdu alphabetical cases	one hundred specimens	one hundred fifty specimens	two hundred specimens	two hundred fifty specimens
5	Permanent microslide specimens	Twenty			

SCHEDULE-XI

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENT OF EQUIPMENT AND INSTRUMENTS ETC.,
FOR ILMUL SAIDLA (UNANI PHARMACY) TEACHING PHARMACY OR PRACTICAL LABORATORY,
QUALITY TESTING LABORATORY AND MUSEUM CUM TUTORIAL ROOM**

UNDER THE DEPARTMENT OF ILMUL SAIDLA (UNANI PHARMACY)

Serial No.	Equipment and Instruments	sixty students intake capacity	One hundred students intake capacity	One hundred Fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
A. Ilmul Saidla Practical Laboratory (Teaching Pharmacy)					
1	Silbatta				
	a. Small	Ten	Twenty	Thirty	Forty
	b. Medium	Ten	Twenty	Thirty	Forty
	c. Large	Ten	Twenty	Thirty	Forty
2	Kharal (Pestle and mortar)				
	a. Sange Marmar	Two	Three	Four	Five
	b. Sange Siyah	Two	Three	Four	Five
	c. Sange Summaq	Two	Three	Four	Five
	d. Porcelain	Ten	Twenty	Thirty	Forty
	e. Iron	Two	Four	Six	Eight
3	Distillation apparatus including traditional apparatus such as Qara Ambiq, Nal Bhabka, Patal Jantar, Jal Jantar, Damru Jantar, Tareeqe Lolabi, Tareeqe habli, Hammame mayiya etc.	One each	Two each	Three each	Four each
4	Havan Dasta (for Pounding)	Ten	fifteen	Twenty	twenty-five
5	Boota (Crucibles)	Ten	Twenty	Thirty	Forty
6	Putt (bhatti) (Different kinds)	Ten	Ten	Ten	Ten
7	Phunkni (Blower)	Two	Four	Six	Eight
8	Heating device				
	a. Gas stove	Fifteen	Twenty	Twenty-five	Thirty
	b. Induction stove	As required			
	c. Choolha or Angeethi (Charcoal or wooden block)	As required			
	d. Hot plate	As required			
9	Balance different capacities				

	a. Physical	One	Two	Three	Four
	b. Electronic	One	Two	Three	Four
	c. Chemical	One	One	Two	Two
10	Vessels, jars, plates, tray etc.				
	a. Brass vessels and containers	Assorted			
	b. Copper vessels and containers	Assorted			
	c. Steel vessels and containers	Assorted			
	d. Iron vessels and containers	Assorted			
	e. Mud or Earthen vessels and containers	Assorted			
	f. Frying pan	Assorted			
	g. Spatula	Assorted			
	h. Ladle and spoon	Assorted			
	i. Steel plates	Assorted			
	j. Enamel tray	Assorted			
	k. Plastic tray	Assorted			
	l. Jars and Containers	Assorted			
11	Grinding machines				
	a. Mixer grinder	One	Two	Three	Four
	b. Wet grinder	One	One	Two	Two
12	Pyrometer	Assorted			
13	Refrigerator	One	One	One	One
14	Thermometer	As required			
15	Knives	Assorted			
16	Scrappers	Assorted			
17	Chopping pad	Assorted			
18	Measuring equipment of different sizes (glass)	Assorted			
19	Porcelain jars for fermentation purpose	Assorted			
20	Sieves (Different size and numbers)	Assorted			
21	Juice extractor	Assorted			
22	Pressure cooker	Assorted			
23	Fire extinguisher	One			
24	Spirit lamp	Assorted			
25	Almirahs and Racks for storage	Assorted			
Note: 1. Putt (Bhatti) shall be maintained in the suitable area in the college premises to demonstrate different process.					
2. The listed items in the table are the minimum essential standard requirements. However, the department shall maintain facilities including equipment, instruments, etc., for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching.					
3. Fire safety measures should be available.					
B. Quality Testing Laboratory					
1	Tablet Disintegration apparatus				
2	Muffle furnace				
3	Soxhlet apparatus with heating unit				
4	Magnetic stirrer				
5	Water bath (Temperature controlled)				
6	Centrifuge				
7	Centrifuge tube				

8	Titration tube
9	Glass or steel distillation apparatus
10	Digital pH meter
11	Tablet hardness tester
12	Tablet friability tester
13	Tablet dissolution tester
14	Hydrometer
15	Alcohol determination apparatus
16	Vernier caliper
17	Hot plate
18	Heating mantles
19	Bulk density tester
20	Rotary shaker
21	Ultraviolet spectro-photometer (Optional)
22	Refractometer
23	Hot air oven (different range of temperature)
24	Microwave oven
25	Pyrometer
26	Pycnometer or Specific gravity bottle
27	Microscope (Simple)
28	Microscope with software (Motic or Carlzeis) (Optional)
29	Compound microscope
30	Microtome
31	Microslide cabinet
32	Dissection box
33	Aluminum side trays
34	Ocular micrometer
35	Stage micrometer
36	Camera Lucida Prism type and mirror type (Optional)
37	Boiling point and Melting point determination apparatus
38	Volatile oil determination apparatus (Clevenger apparatus)
39	Viscometer (Ostwald's, Redwood)
40	Glassware (beakers, funnel, test tubes, measuring cylinders, conical flasks, glass rod, dropper etc)
41	Pipette
42	Chemicals and reagents
43	Electronic balance
44	Sieve shaker (sieves 10 to 120)
45	Flask shaker
46	Slide with cover slip
47	Pestle and mortar
48	Litmus paper (blue and red)
49	Hydrion pH paper
50	Test tube rack
51	Spatula, Spoon etc.,
52	Filter paper

53	Spirit lamp	
54	Round bottom glass with iron mesh	
55	Platinum wire	
56	Watch glass	
57	Bunsen burner	
58	Refrigerator	
59	Dehumidifier	
60	Liquified Petroleum Gas cylinder with burners	
61	Silica crucible	
62	Moisture determination apparatus	
63	Conductivity meter (Hand operated and bench top model)	
64	Nephelometer and Turbidimeter	
65	Thin layer chromatography apparatus and all accessories	
Note: 1. Department shall provide facilities to demonstrate or practice traditional methods of quality assessments		
2. The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide all facilities including equipment, instruments, chemicals or reagents etc., for practical training and demonstrative teaching.		
C. Museum Cum Tutorial room		
1	Advia Nabatiya (Herbs)	Specimens (Poisonous substances should be preserved safely in locked display shelf cabinet)
2	Advia Madaniya (Metals and Minerals)	
3	Advia Haywaniya (Animal derivatives)	
4	Kushtajat, Khar, Rubb, Satt etc.	Samples in glass jars
5	Qara Ambiq	Each one
6	Nal Bhabka	
7	Patal Jantar	
8	Jal Jantar	
9	Damru Jantar	
10	Tareeqe Lolabi	
11	Tareeqe habli	
12	Hamame mayiya	
13	Jar Alaqi	

SCHEDULE-XII

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS ETC.,
FOR MAHIYATUL AMRAZ (PATHOLOGY) PRACTICAL LABORATORY AND MUSEUM CUM
TUTORIAL ROOM UNDER THE DEPARTMENT OF MAHIYATUL AMRAZ (PATHOLOGY)**

Serial No.	Equipment and Instruments	sixty students intake capacity	One hundred students intake capacity	One hundred Fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
A. Mahiyatul Amraz (Pathology) Practical Laboratory					
1	Binocular microscope with oil immersion	Fifteen	Twenty-five	Forty	Fifty
2	Microscope with oil immersion	Fifteen	Twenty-five	Forty	Fifty
3	Monocular microscope with lens 20 (e)	Fifteen	Twenty-five	Forty	Fifty
4	X-ray view box	One	One	Two	Two
5	Sahli's Square tube (Haemoglobinometer)	Thirty	Fifty	Fifty	Fifty
6	Hb pipette	Thirty	Fifty	Seventy-five	One hundred
7	White Blood Cell pipette	Thirty	Fifty	Seventy-five	One hundred

8	Dropper	Thirty	Fifty	Seventy-five	One hundred
9	Red Cell pipette	Thirty	Fifty	Seventy-five	One hundred
10	Improved Neubauer counting chamber	Thirty	Fifty	Seventy-five	One hundred
11	Incubator	One	Two	Three	Four
12	Wintrobe's tube	Thirty	Fifty	Seventy-five	One hundred
13	Pasteur's pipette	Thirty	Fifty	Seventy-five	One hundred
14	Centrifuge Graduated Machine	One	Two	Three	Four
15	Westergren's pipette	Thirty	Fifty	Seventy-five	One hundred
16	Westergren's stand or Wintrobe stand	Thirty	Fifty	Seventy-five	One hundred
17	Urinometer	Thirty	Fifty	Seventy-five	One hundred
18	Autoclave	One	One	One	One
19	Cell counter (haemo-auto analyzer)	One	One	One	One
20	Blood pressure Apparatus	Five	Ten	Fifteen	Twenty
21	Stethoscope	Five	Ten	Fifteen	Twenty
22	Thermometer	Ten	Twenty	Thirty	Forty
23	Thermal Scanner	One	Two	Three	Four
24	Tongue depressor	Five	Ten	Fifteen	Twenty
25	Stop watch	Thirty	Fifty	Seventy-five	One hundred
26	Physical Balance	One	One	Two	Two
27	Electronic balance	One	One	Two	Two
28	Hot air oven	One	One	Two	Two
29	Bunsen Burner	Thirty	Fifty	Seventy-five	One hundred
30	Refrigerator	One	One	One	One
31	Sterile vessels or bottle to collect samples	As required			
32	Torch	As required			
33	Measuring Tape	As required			
34	Weighing machine	One	One	One	One
35	Tuning Forks	Assorted			
36	Nasal speculum	As required			
37	Laryngoscope	As required			
38	Catheters	As required			
39	Probes	Assorted			
40	Kit (HBs Ag kit, HIV kit, CT-BT kit, Renal profile kit, Lipid profile kit, Blood sugar kit etc.,)	Assorted			
41	Sterile disposable lancet or needle	Assorted			
42	Glass rod	Assorted			
43	Syringe needle destroyer	As required			
44	Cover slip	As required			
45	Cleaned slides	As required			
46	Litmus paper	As required			
47	pH indicator paper strips	As required			
48	Test-tube, Test-tube holder, Test tube rack	Assorted			
49	Funnel	As required			
50	Conical flask	Assorted			
51	Glass Jars with lid of different sizes	Assorted			
52	Capillary Tubes	Assorted			
53	Magnifying lens	As required			
54	Rubber teat	Assorted			

55	Multi sticks	Assorted			
56	Colorimeter	Two	Four	Six	Eight
57	pH meter	Two	Four	Six	Eight
58	Water bath	One	Two	Three	Four
59	Albuminometer	Ten	Twenty	Thirty	Forty
60	Drawing Rack	Two	Three	Four	Five
61	Micro pipette	Assorted			
62	Lancet	Assorted			
63	Forceps	Assorted			
64	Petri dish	Assorted			
65	Transparent Urine container	Assorted			
66	Graduated Cylinder	Assorted			
67	Tourniquet	As required			
68	Revolving Stool for students	As required			
B. Museum cum Tutorial Room					
1	Pathological specimens	Models or films or photographs or visuals or charts or Specimen displaying pathological conditions			
2	Typical X-Ray or Computed Tomography or Magnetic Resonance Imaging				
3	Diagnostic devices or instrument or equipment etc.,				
Note: 1. The listed items in the table are the minimum essential standard requirements. The department shall maintain facilities including equipment, instruments, chemicals/reagents etc., according to student intake capacity for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching. 2. Safety measures shall be ensured against microbial contaminations.					

SCHEDULE-XIII

(see regulation 13 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS ETC.,
FOR NUTRITION LABORATORY, TAHAFUZI WA SAMAJI TIB PRACTICAL LABORATORY AND
MUSEUM CUM TUTORIAL ROOM AND**

**TIBBUL QANOON WA ILMUL SAMOOM (FORENSIC MEDICINE AND CLINICAL TOXICOLOGY)
PRACTICAL LABORATORY AND MUSEUM CUM TUTORIAL ROOM UNDER THE DEPARTMENT OF
TAHAFUZI WA SAMAJI TIB (PREVENTIVE AND SOCIAL MEDICINE)**

Serial No.	Equipment and Instruments	sixty students intake capacity	One hundred students intake capacity	One hundred Fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
A. Tahaffuzi Wa Samaji Tib (Preventive and Social Medicine)					
	I. Nutrition Laboratory				
1	Digital weighing Scale	One	One	One	One
2	Kjeldahl system (Digestion unit + distillation unit)	One	One	One	One
3	Digital Muffle Furnaces	One	One	One	One
4	Soxhlet Fat Extraction System	One	One	One	One
5	Abbe's Digital Refractometer	One	One	One	One
6	Flame Photometer	One	One	One	One
7	Hot Air oven	One	One	One	One
8	Refrigerator	One	One	One	One

9	Water bath	Two	Two	Four	Four
10	Grinder	Two	Two	Four	Four
11	Magnetic stirrer	Two	Two	Four	Four
12	Hot Plate	Two	Two	Four	Four
13	Digital pH meter	Two	Two	Four	Four
14	Vacuum filter system	One	One	One	One
15	Sonicator	One	One	One	One
16	Fume hood	One	One	One	One
17	Desiccator	One	One	One	One
18	Vortex mixer	One	One	One	One
19	Viscometer	One	One	One	One
20	Refrigerated centrifuge	One	One	One	One
21	Digital Polarimeter	One	One	One	One
22	Burette	Twenty	Thirty	Forty	Fifty
23	Glass pipette	Twenty	Thirty	Forty	Fifty
24	Micropipette (Different Capacities)	Five each	Five each	Five each	Five each
25	Heating mantle (Different Capacities)	Five each	Five each	Five each	Five each
26	TDS meter	Two	Four	Six	Eight
27	Lactometer	Two	Four	Six	Eight
28	Body Fat Analyser	One	One	One	One
29	Anthropometric measuring tool (set)	One	One	One	One

Note: 1. The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide facilities including equipment, instruments, etc. according to student intake capacity for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching for conducting practical and for demonstrative teaching;

2. For conducting practical on culinary medicines as per concept of Unani Tib “Ghiza Dawai” if any, the facilities of either Ilmul Advia or Ilmul Saidla Practical Lab may be used, or department may establish such facilities in the department itself.

II. Tahaffuzi Wa Samaji Tib Practical laboratory					
1	Horrock's Apparatus	Six	Ten	Fifteen	Twenty
2	TDS meter	Six	Ten	Fifteen	Twenty
3	Turbidity meter	One	Two	Three	Four
4	Psychomotor	Six	Ten	Fifteen	Twenty
5	Air quality monitoring device	Six	Ten	Fifteen	Twenty
6	Male Condom	Six	Ten	Fifteen	Twenty
7	Female Condom	Six	Ten	Fifteen	Twenty
8	Cervical Cap	Six	Ten	Fifteen	Twenty
9	Sponge	Six	Ten	Fifteen	Twenty
10	Cervical rings	Six	Ten	Fifteen	Twenty
11	Oral Contraceptive pill	Six	Ten	Fifteen	Twenty
12	Progesterone only pill	Six	Ten	Fifteen	Twenty
13	Depot Medroxy Progesterone Acetate (DMPA)	Six	Ten	Fifteen	Twenty
14	NET EN	Six	Ten	Fifteen	Twenty
15	Gossypol	Six	Ten	Fifteen	Twenty
16	Yasmine	Six	Ten	Fifteen	Twenty

17	Lippies Loop	Six	Ten	Fifteen	Twenty
18	Copper T	Six	Ten	Fifteen	Twenty
19	Multiload	Six	Ten	Fifteen	Twenty
20	Dichloro-Diphenyl-Trichloroethane (DDT)	Assorted	Assorted	Assorted	Assorted
21	Malathion	Assorted	Assorted	Assorted	Assorted
22	Pyrethrum	Assorted	Assorted	Assorted	Assorted
23	Various specimen of Vaccines	Assorted	Assorted	Assorted	Assorted
24	Various specimen of Pearls or Millet or Cereals	Assorted	Assorted	Assorted	Assorted
25	Digital glucometer	Six	Ten	Fifteen	Twenty
26	Chloroscope	Six	Ten	Fifteen	Twenty
27	Autoclave (Single Drum)	Two	Three	Five	Ten
28	Sound level meter	Six	Ten	Fifteen	Twenty
29	Digital Weighting Machine	Six	Ten	Fifteen	Twenty
30	Height scale	Six	Ten	Fifteen	Twenty
31	Shakir's tape	Six	Ten	Fifteen	Twenty
32	Harependen's Skinfold	Six	Ten	Fifteen	Twenty
33	Measuring tape (five feet)	Six	Ten	Fifteen	Twenty
III. Museum cum tutorial room					
1	Information on Asbab Sitta Zarooriya				
2	Information on public health according to concepts of Unani medicine				
3	Information on Ghiza Dawai				
4	Information on Unani preventive medicines				
5	Information on Riyazat, Dalk etc.				
6	Information on Unani Rejuvenators				
7	Information on Unani diet regimen as per Mizaj and Akhlat				
8	Information on Nutritious and balanced diet				
9	Information on Nuzj o Tanqiya (Bio-cleansing and detoxification measures) in Unani System of Medicine				
10	Information on National Health Programmes				
11	Information on vector borne diseases				
12	Information on communicable diseases				
13	Information on non-communicable diseases				
14	Information on medicinal plants, uses and importance in preventive and promotive healthcare perspective				
15	Specimens- Unani preventive medicines				
16	Specimens under different tastes and its influences over the body				
17	Specimens- Medicines nourishing body constituents				
18	Specimens- Fumigation drugs Unani				
19	Specimens of Ajza e Ghizai (foods) influencing akhlat e Arba				
20	Specimens- Unani Rejuvenators				
21	Specimens- Aqsam e Ghiza				
22	Models on Tahaffuzi wa Samaji Tib (community medicine)				
23	Charts on Tahaffuzi wa Samaji Tib				
24	Specimen of different types of Mosquitoes				

25	Models/charts/specimen of Mosquitoes’ Life cycle				
B. Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology)					
	I. Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) Practical Laboratory				
1	Test tubes	As required			
2	Test tube stands and holders	As required			
3	Glass Jar 200ml	As required			
4	Silver Stainless steel spoon	As required			
5	Glass Plate (Small)	Assorted			
6	Spirit lamp	Ten	Fifteen	Twenty	Twenty- five
7	Glass bowl	As required			
8	Plastic Spotter Container	Fifty	Fifty	Hundred	Hundred
9	Stomach Wash Tube	Two	Two	Four	Four
10	Ryle’s tube	Two	Two	Four	Four
11	Glass Beaker 200ml	Five	Five	Ten	Ten
12	Specimen Jar (Medium)	Five	Five	Ten	Ten
13	X-ray view box	One	One	Two	Two
14	Monocular Microscope with oil emersion lens Compound microscope	Five	Eight	Twelve	Sixteen
15	Dropper	As required			
16	Physical balance	One	One	One	One
17	Digital weighing scale	One	One	One	One
18	Refrigerator	One	One	One	One
19	Spatula	Assorted			
20	Enamel Trays	Assorted			
21	Almirahs and Racks for Storage	Assorted			
22	Artery Forceps (Big)	Four	Four	Four	Four
23	Conical Flask	As required			
24	Magnet Pieces	As required			
25	Glass rod	As required			
Note: The listed items in the table are minimum essential standard requirements. The department shall maintain and provide facilities including equipment, instruments, chemicals or reagents etc., according to student intake capacity for the smooth conduct of practicals listed in the syllabus and for demonstrative teaching.					
	II. Museum cum Tutorial Room				
1	Skeleton Model	Male-one, Female-one			
2	Weapons (Pistol, Revolver, Rifle, Short gun, Hammer, Iron rod, Chopper Knife, Sickle, Spear, Sword, Razor and Axe etc.)	Specimens and Models (Poisonous substances or harmful weapons should be preserved safely in locked display shelf cabinet)			
3	Injury types (Models or Photos)				
4	Asphyxial death-models set or manikins				
5	Toxic substances (Specimens: Plants, Metals, Minerals, Animals and its derivatives)				
6	Poisonous snakes’ model				
7	Human organs-specimens (Lung, Heart, Kidney, Liver, Uterus etc.)				
8	Magnifying lens to visualize fingerprints				

9	Inkpad for fingerprints	Assorted
10	X-Ray view box	One
11	Specimen of Unani and Modern Tiryāq	Assorted

SCHEDULE-XIV

(see regulation 13 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF MANIKINS OR SIMULATORS OR SPECIAL DEVICES FOR CLINICAL SKILL LABORATORY IN THE COLLEGE

Sl. No (1)	Name of the Manikins or Simulator (2)	60 students intake capacity (3)	100 students intake capacity (4)	150 students intake capacity (5)	200 students intake capacity (6)
A. Moalajat (Medicine) Section					
1	Chest auscultation trainer	One	One	Two	Two
2	Abdominal examination trainer	One	One	Two	Two
3	Injections and IV trainer	Two	Four	Six	Eight
4	IV infusion and calculation of drip rate	One	Two	Three	Four
5	CPR Training	Two	Three	Four	Five
6	Oxygen therapy	One	One	Two	Two
7	Aerosol therapy or nebulization	One	One	Two	Two
B. Ilaj Bit Tadbeer (Regimenal Therapy) Section					
1	Full body manikins-Multipurpose	One	One	Two	Two
2	Enema trainer	Two	Two	Three	Four
C. Jarahat (Surgery) & Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Dentistry) Section					
1	Ryle's tube insertion	One	One	Two	Two
2	Early management of trauma and trauma life support	One	One	One	One
3	Pleural and Ascitic fluid aspiration	One	One	Two	Two
4	Urinary catheterization – Male	One	Two	Three	Four
5	Urinary catheterization – Female	One	Two	Three	Four
6	Basic Incision and Suture Trainer	Two	Three	Four	Five
7	Basic Wound Care	One	One	Two	Two
8	Basic Bandaging	One	One	Two	Two
9	Incision and Drainage trainer	Two	Three	Four	Five
10	Basic fracture and dislocation management trainer	One	One	Two	Two
11	Prostate examination trainer	One	One	Two	Two
12	Per-rectal examination trainer	One	One	Two	Two
13	Special devices				
	a. Ophthalmoscope	One	Two	Three	Four
	b. Fundoscope	One	Two	Three	Four
	c. Dermo scope	One	Two	Three	Four
	d. ENT examination set	One	Two	Three	Four
D. Qabalat wa Niswan (Obstetrics and Gynaecology) Section					
1	Per speculum and per vaginal examination trainer	One	One	Two	Two
2	Visual inspection of cervix	One	One	Two	Two
3	Intra uterine contraceptive device insertion & removal trainer	One	One	Two	Two
4	Obstetric examination trainer	One	One	Two	Two
5	Episiotomy trainer	Two	Three	Four	Five
6	Normal labour	One	One	One	One

7	Intra uterine insemination (IUI) trainer	One	One	Two	Two
8	Examination of breast lump	One	Two	Three	Four
E. Ilmul Atfal (Paediatrics) Section					
1	Paediatric IV infusion and calculating drip rate	One	One	Two	Three
2	Neonatal resuscitation	One	One	Two	Three
F. Mahiyatul Amaraz (Pathology) Section					
1	Nursing trainer for decubitus	One	One	Two	Two
2	Blood sampling	One	One	Two	Two
G. Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine) Section					
1	Documentation and certification of trauma	Two	Three	Four	Five
2	Diagnosis and certification of death	Two	Three	Four	Five
3	Legal documentation related to emergency cases	Two	Three	Four	Five
4	Certification of medico-legal cases	Two	Three	Four	Five
5	Establishing communication in medico-legal cases with police, public health authorities, and other concerned departments	Two	Three	Four	Five
Note: The listed items in the table are the minimum essential standard requirements. However, as per the requirement, the college may increase number of manikins / simulators for providing clinical skill to the students.					

SCHEDULE-XV

(see regulation 14 and 18)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS., FOR
GHURFATUL WILADA (LABOUR ROOM AND MATERNITY OT) UNDER THE DEPARTMENT OF
QABALAT WA NISWAN (OBSTETRICS AND GYNAECOLOGY) IN THE ATTACHED TEACHING
HOSPITAL**

Serial No. (1)	Equipment and Instruments (2)	Minimum Required Quantity (3)
1	Operation Theatre Light single dome, Mobile or ceiling	One
2	Suction Machine (Neonatal)	One
3	Oxygen Cylinder and Mask	One
4	Foetal Toco Cardiograph	One
5	Radiant Warmer	One
6	Photo therapy Unit	One
7	Weighing Machine (Paediatric)	One
8	Patient trolley	Two
9	Anaesthesia trolley	One
10	Infantometer	One
11	Vacuum extractor	One
12	Foetal Doppler	One
13	Low cavity forceps	Two
14	Steriliser	Two
15	Mackintosh rubber sheet	Assorted

16	Instruments for Labour and Episiotomy. (Scissors, forceps, needle holders etc.)	Assorted
17	Baby tray	Two
18	Nebuliser	One
19	Foetoscope	Five
20	Double Drum Auto Clave	One
21	Drums	Assorted
22	Instrumental Trolley	Assorted
23	Operation Theatre tables and head Up and head Low facility	One
24	Pulse Oximeter	One
25	Resuscitation kit	One
26	Boyle's Apparatus	One
27	Electrocautery	One
28	Medical Termination of Pregnancy (MTP) Suction Machine	One
29	Anaesthesia Kit	One
30	Blunt and Sharp Curettes	Ten
31	Dilators set (Hegar's, Hawkins)	Five
32	Sims's Speculum	Five
33	Cusco's Speculum	Five
34	Anterior Vaginal Wall retractor	Five
35	Uterine sound	Five
36	Volsellum	Five
37	Medical Termination of Pregnancy Suction Curate	Five
38	Retractors abdominal (Doyne's etc.)	Five
39	Sponge holding forceps	Five
40	Green Armitage forceps	Five
41	Uterus holding forceps	Five
42	Kocher's forceps	Six
43	Artery forceps (Long, short, Mosquito) Each	Assorted
44	Scissors- different sizes	Assorted
45	Forceps obstetrics	Five
46	Endotracheal tubes	Five
47	Cord Cutting appliances	Five
48	Intra-Uterine Contraceptive Device removing hook	Five
49	Bladder Sound	Five
50	B.P. apparatus	Two
51	Human Immunodeficiency Virus kit for emergency patients	Assorted
52	Plain and Hole towels	Assorted
53	Towel Clips	Assorted
54	Suturing Material (Different Numbers)	Assorted
55	Needles	Assorted
56	Needles Holders	Assorted
57	Wheelchair	One

58	Formalin Chamber	One
59	Fogging Machine	One
60	Allis Forceps (9", 12")	Four each
61	Dressing Drum	Three
Note: 1. The listed items in the table are minimum essential standard requirements. The department shall maintain and provide facilities including equipment, instruments, chemicals, medicines etc., for conducting labour, and for providing clinical training. 2. Aseptic procedures/practices shall be followed in Labour room		

SCHEDULE-XVI

(see regulation 14)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS FOR MASRAH AMALIYA (OPERATION THEATRE WITH ATTACHED MINOR OPERATION THEATRE UNDER THE DEPARTMENT OF JARAHAT (SURGERY) IN THE ATTACHED TEACHING HOSPITAL

Serial No. (1)	Equipment and Instruments (2)	Required Quantity (3)
1	Operation Theatre light Double Dome (Shadow less ceiling fitted)	One
2	Examination Light and Single Dome Mobile Operation Theatre light	One each
3	Needle holding Forceps (big- medium-small)	four each
4	Dressing drums of Assorted size	two each
5	Drum stand	two each
6	Intravenous infusion Stand	two
7	Cheatles Forceps	Four
8	Mosquito Forceps	Twenty
9	Scissors straight (Tailor)	Four
10	Scissors curved of different sizes	Five each
11	Stitch removal scissors	Five each
12	Tissue Dissecting forceps (Tooth and Non-Tooth)	Four each
13	Sinus Forceps	Four
14	Probes - Assorted size	Five each
15	Pointed scissors	Four
16	Abdominal Self Retaining Retractors	Five
17	Laparoscope with instruments	One set
18	Bob Kock's Forceps	Five
19	Kocher's Forceps	Five
20	Metallic Urethral Dilators (clutton and lister Bougie)	two each
21	Sponge holding forceps	Four
22	Right Angle cholecystectomy Forceps (Assorted)	Two each
23	Stone holding forceps (Urethral and common bile duct stone holding forceps)	Two each
24	Allis Forceps (6", 9", 12")	Six each
25	Electro cautery (400 watt)	One
26	Artery Forceps Curved (6", 9", 12")	Six each
27	Artery Forceps Straight (6", 9", 12")	Six each

28	Formalin Chamber (Small and Large)	Two each
29	Sigmoidoscope Rigid or flexible (Fiber-optic)	One
30	Barron's Banding Set	Two
31	Laryngoscope Pediatric and Adult	One each
32	Boyles Apparatus or Anesthesia workstation	One
33	Multi-parameter Monitor (7 parameters)	One
34	Ambu Bag (Silicon)	Two
35	Suction machine (Electrical or Manual)	One
36	Skin grafting knife with handle	Assorted
37	Surgical blades of different size	Assorted
38	Retractor (Single Hook, Czerney's, Langenbeck, Devers, Eyelid)	Two each
39	Bone cutter	Two
40	Gigli Saw	Two
41	Scoop (Bone and Muscle)	One each
42	Periosteum elevator	Two
43	Maggles Forceps	Assorted
44	Double Drum Horizontal Autoclave fitted with large Drum	One
45	Nitrous Oxide Cylinder	Two
46	Operation Table or Hydraulic Operation Table or Motorized Operation Table	Two
47	Instrument Trolley	Two
48	Proctoscope with or without illumination or Digital Proctoscope	Two
49	Rib Shear	One
50	Stretcher with trolley	Two
51	Myo's trolley	One
52	Emergency power back up facility (online UPS)	As required
53	Emergency light	Four
54	Bone Nebular	One
55	BP Apparatus with stand	Two
56	Fogging Machine	One
57	Refrigerator	One
58	X-ray View Box (double)	Two
59	Surgeon Hydraulic Stool	Two
60	Fistula Curette and fistula Director	One each
61	Rubber catheters of Assorted size	As required
62	Corrugated rubber drain	Assorted
63	Suturing Needle (straight or curved) of Assorted size	Assorted
64	Surgical Thread	Assorted
65	Wheelchair	Assorted
66	Needle holder (4", 6", 9")	Two each
67	Weighing machine	One
68	Electric sterilizers	Two
69	BP Handle of different size	Two each

70	Nebulizer	Two
71	SS containers (Dressing Drum) Assorted Size	As required
72	Surgical blades	Assorted
73	Kidney trays	Assorted
74	Anesthesia trolley	One
75	Instrument Cabinet	Two
Note: 1. The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide facilities including equipment, instruments, chemicals, medicines etc., for conducting surgical procedures, and for providing clinical teaching and training as per syllabus. 2. Jarahat procedure room (Minor Operation Theatre) for providing Unani surgical and para- surgical treatments and procedures.		

SCHEDULE-XVII

(see regulation 14)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS UNDER THE DEPARTMENT OF AIN UZN ANAF HALAQ WA ASNAN (OPHTHALMOLOGY, EAR, NOSE, THROAT AND DENTISTRY) FOR MASRAH AMALIYA (OPERATION THEATRE) IN THE ATTACHED TEACHING HOSPITAL

Serial No. (1)	Equipment and Instruments (2)	Required Quantity (3)
I. Ain (Eye): Ophthalmic Equipment or Instruments for Operative Surgery		
1	Ophthalmic Operation Table with head rest (hydraulic)	One
2	Sterilizing box or case with matts	Assorted
3	Lens insertion Forceps	Assorted
4	Keratome	Assorted
5	Desmarres lid retractors	Assorted
6	Cat-paw lacrimal retractor	Assorted
7	Mueller lacrimal sac retractor	Assorted
8	Dastoor iris retractor	Assorted
9	Meyrhoefer Chalazion currete	Assorted
10	Sinsky lens manipulating hook	Assorted
11	Intraocular Lens Manipulator	Assorted
12	Foreign body spud	Assorted
13	Lewis lens loop (vectis)	Assorted
14	Cystotome and spoon	Assorted
15	Mule Evisceration spoon	Assorted
16	Iris repository (double-ended)	Assorted
17	Jameson muscle hook	Assorted
18	Wills cautery with copper ball-point	Assorted
19	Langs lacrimal sac dissector	Assorted
20	Kelly Glaucoma punch	Assorted
21	Elevator (double ended)	Assorted
22	Nasal speculum adult or child	Assorted
23	Wilder punctum Dilator	Assorted
24	Bowman lacrimal probes	Assorted

25	Hartman mosquito forceps	Assorted
26	Colibri forceps 1*2 teeth	Assorted
27	Mcpherson corneal forceps with tying platform	Assorted
28	Dressing forceps, serrated	Assorted
29	Moorfield conjunctival forceps	Assorted
30	Fixation forceps	Assorted
31	Beer cilia (epilation) forceps	Assorted
32	Arruga capsular forceps	Assorted
33	Snellen Entropion clamp	Assorted
34	Chalazion clamps	Assorted
35	Vannas straight scissors	Assorted
36	Barraquer needle holder	Assorted
37	Air injection cannula	Assorted
38	Healon aspirating cannula	Assorted
39	AC washout cannula	Assorted
40	Lacrimal cannula	Assorted
41	Hydrodialysis cannula	Assorted
42	J-loop cannula (Right or Left With silicon tubing)	Assorted
43	Simcock direct Irrigating and Aspiration cannula with silicon tubing	Assorted
44	Irrigating aspirating handle	Assorted
45	Lens dialer	Assorted
46	Superior Rectus forceps	Assorted
47	Eye wash glasses	Assorted
48	Swimming Goggles	Assorted
49	Ophthalmic Chair	One

II. ENT-Surgical or Operative Procedural Instruments

1	Aural Syringe	Assorted
2	Jobson's Aural Probe	Assorted
3	Eustachian Catheter	Assorted
4	Mastoid Retractor	Two
5	Mastoid Gouge	Assorted
6	Mallet	Assorted
7	Nasal Foreign Body hook	Four
8	Nasal packing forceps	Assorted
9	Nasal Snare	Assorted
10	Bayonet Shaped gouge	Assorted
11	Walsham forceps	Assorted
12	Laryngeal forceps	Assorted
13	Tongue plate with throat suction	Assorted
14	Tonsil holding forceps	Assorted
15	Tonsillar suction	Assorted
16	Adenoid curette with cage	Assorted

17	Peritonsillar abscess draining forceps	Assorted
18	Fuller's Tracheostomy Tube	Assorted
19	Cheatel's Forceps	Assorted
20	Nasal endoscope	One
21	Ear, Nose and throat Set (Manual and digital)	One each
22	Other consumable articles like gloves, syringes, bandages, sutras, etc.	Assorted
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide facilities including equipment, instruments, chemicals, medicines etc., for conducting surgical procedures, and for providing clinical teaching and training as per syllabus.		

SCHEDULE-XVIII

(see regulation 14)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS FOR
ILAJ BIT TADABEER PROCEDURE SECTION AND PHYSIOTHERAPY UNIT UNDER THE
DEPARTMENT OF ILAJ BIT TADABEER IN THE ATTACHED TEACHING HOSPITAL.**

Serial No.	Equipment/Instrument	Student Intake capacity			
		Sixty students intake capacity	One hundred students intake capacity	One hundred fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
A. Huqna (Enema), Abzan (Sitz Bath) and Qai (Emesis) Room					
1	Procedure table (Male+Female)	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
2	Footstep stool	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
3	Ishal chair for elders	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
4	Medicines for Huqna (Enema), Abzan (sitz bath) and Qai (Emesis)	As required			
5	Medicine trolley	As required			
6	Enema kit	As required			
7	Enema stand	As required			
8	Intravenous fluids	As required			
9	Intravenous fluid stand	2	2	4	4
10	Working table	As required			
11	Vessels and bowls	As required			
12	Abzan and Qai Tub	As required			
13	Blood Pressure apparatus	2	2	2	2
14	Stethoscope	2	2	2	2
15	Towel	As required			
16	Waterproof rubber sheet (Macintosh)				
17	Waste bin	Assorted			
18	Cupboard	As required			
B. Nushooq, Suoot and Shumoom.					
19	Procedure table	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
20	Nasal applicator	As required			
21	Medicines for therapy	As required			
22	Cupboards	As required			

23	Vessels and bowls	As required			
24	Medicine trolley	As required			
25	Waterproof rubber sheet (Macantosh)_	As required			
26	Waste bin	Assorted			
C. Hijama Therapy Section					
27	Hijama bed and chair (Male+Female)	4 (2+2)	6 (3+3)	8 (4+4)	10 (5+5)
28	Footstep stool	4 (2+2)	6 (3+3)	8 (4+4)	10 (5+5)
29	Hijama Chair	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
30	Procedure stool	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
31	Medicine trolley	As required			
32	Hijama cups (Disposable)	As required			
33	Cupboard	As required			
34	Hijama set	4 (2+2)	6 (3+3)	8 (4+4)	10 (5+5)
35	Lancet or Scalpel	As required			
36	Vessels and bowls	As required			
37	Instrument tray	As required			
38	Kidney tray	As required			
39	Betadine lotion	As required			
40	BP apparatus	2	2	2	2
41	Stethoscope	2	2	2	2
42	Towel	As required			
43	Waterproof rubber sheet	As required			
44	Normal saline	As required			
45	Sterile cotton	As required			
46	Sterile Gauze swab	As required			
47	Cotton	As required			
48	Adhesive tape	As required			
49	Disposable Personal Protective Equipment Kits or Linen Surgical dress	As required			
50	Medicines for procedures (Applicable Roghaniyat or Safoof Zaj Abiyaz)	As required			
51	Surgical Gloves	As required			
52	Bandage	As required			
53	Waste bin	Assorted			
D. Hammam Section					
54	Steam bath chamber (Lying type)	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
55	Footstep stool	2	4	6	8
56	Stem bath Chamber (Sitting type)	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
57	Steam generator or boiler	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
58	Medicine trolley	As required			
59	Working table	As required			
60	Cupboard	As required			
61	Gas or Induction stove	As required			
62	Cooker	As required			
63	Towel	As required			
64	Medicines and raw drugs for procedures	As required			

65	Waste bin	Assorted			
E. Irsale Alaq (Leech Therapy) and Fasd (Bloodletting) Section					
66	Aquarium for storage of Leeches	2	2	2	2
67	Roller Bandage (four inch)	As required			
68	Lukewarm water	As required			
69	Gauze Pad	As required			
70	Blood Pressure apparatus	1	1	1	1
71	Stethoscope	1	1	1	1
72	Bandage cutting scissor	2	2	2	2
73	Kidney tray	As required			
74	Hole towel	As required			
75	Chob Zard Powder	As required			
76	Sang Jarahat Powder	As required			
77	Zaj Abiyaz Powder	As required			
78	Gile Armani Powder	As required			
79	Micro pore plaster	As required			
80	Surgical Gloves	As required			
81	23-gauge needle	As required			
82	18-gauge needle	As required			
83	Transparent Jars	As required			
84	Spirit	As required			
85	Povidone iodine solution	As required			
86	Tourniquet	As required			
87	Surgical Blade or Scalpel or Scarificator	As required			
88	Sponge holding forceps	As required			
89	Medicine trolley	As required			
90	Mackintosh Sheet	As required			
91	Fasd Table or Irsale Alaq Bed	2 (1+1)	4 (2+2)	6 (3+3)	8 (4+4)
92	Waste bin	Assorted			
F. Dalk and Takmeed Bukhari Section					
93	Procedure table	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
94	Footstep stool	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
95	Procedure stool	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
96	Steam generator set or Pressure Cooker with pipe	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
97	Procedure Apron	As required			
98	Cloth to make bundle	As required			
99	Towel	As required			
100	Scissors	As required			
101	Knife	As required			
102	Surgical gloves	As required			
103	Tray	As required			
104	Gas or Induction stove	As required			
105	Medicines and Raw drugs for Dalk or Takmeed Bukhari	As required			
106	Medicine preparation table	As required			

107	Medicine trolley	As required			
108	Cupboards	As required			
109	Waste bin	Assorted			
G. Nutool Section					
110	Procedure Set (Including Table and Stand)	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
111	Chair	2 (1+1)	2 (1+1)	4 (2+2)	4 (2+2)
112	Stool	2	4	6	8
113	Medicine trolley	As required			
114	Cupboard	As required			
115	Enamel Tray	As required			
116	Containers	As required			
117	Towel	As required			
118	Cloth	As required			
119	Scissors	As required			
120	Required medicines	As required			
121	Waste bin	Assorted			
H. Physiotherapy Unit					
122	Treatment table -wooden plinths	As required			
123	Treatment table-high-low adjustable	As required			
124	Mat table	As required			
125	Treatment room cabinets and chairs	As required			
126	Large mirror for visual feed back	As required			
127	Adjustable height exercise steps	As required			
128	Linens including towels	As required			
129	Step stools	As required			
130	Therapist stools on wheels	As required			
131	Variety of bolsters, wedges, supports	As required			
132	Mobilization of belt and devices	As required			
133	Gait belt	As required			
134	Various assistive devices	As required			
135	Tapping supplies	As required			
136	Orthotics and splining materials	As required			
137	Office equipment	As required			
138	Devices for test and measurements	As required			
139	First Aid	As required			
140	Basic modalities	As required			
141	Fitness and exercise equipment	As required			
142	Emergency Kit (Oxygen cylinder with trolley and regulator, Face Mask, Ambu Bag)	One			
143	Transcutaneous Electrical Nerve Stimulation (TENS)	One			
144	Interferential Therapy Machine (IFT)	One			
145	Electrical stimulator	One			
146	Quadriceps table	One			
147	Ankle exerciser	As required			
148	Finger exerciser	As required			

149	Ultrasound machine	One
150	Infrared lamp	Two
151	Shoulder pulley	As required
152	Shoulder wheel	As required
153	Parallel bar	One
154	Staircase trainer	One
155	Walking aids	As required
156	Activities Daily Living Kit	As required
157	Wax bath	One
158	Swiss ball	As required
159	Thera band	As required
160	Peg boards	As required
161	Wobble boards	As required
162	Dumbbells of different weights	Assorted
163	Static cycle	One
164	Wheelchair	One
165	Weight cuffs of different weights	Assorted

SCHEDULE-XIX

(see regulation 14)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS ETC.,
AMRAZE JILD WA TAZEENIYAT OUT-PATIENT DEPARTMENT WITH ATTACHED PROCEDURE
ROOM UNDER THE DEPARTMENT OF AMRAZE JILD WA TAZEENIYAT IN THE ATTACHED
TEACHING HOSPITAL**

Serial No.	Equipment and Instruments	Sixty students intake capacity	One hundred students intake capacity	One hundred fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
1	Wood's Lamp	One	One	Two	Two
2	Spot Narrow band ultraviolet B (NBUVB) therapy or comb	One	One	Two	Two
3	Wart Remover	One	One	Two	Two
4	Byfricator (Electrodessicator)	One	One	Two	Two
5	Dermatoscope (Digital Microscope)	One	One	Two	Two
6	Derma Chair	One	One	Two	Two
7	Derma Stool	One	One	Two	Two
8	Magnifying Glasses	Two	Two	Four	Four
9	Instrument Trolley	One	One	Two	Two
10	Autoclave	One	One	Two	Two
11	Scalpel Handle	One	One	Two	Two
12	BP apparatus	One	One	Two	Two
13	Stethoscope	One	One	Two	Two
14	Bandage or Cotton or Gauze or Betadine or Sprit	As per requirement			

15	Torch	As per requirement
16	Towel	As per requirement
17	Waterproof rubber sheet	As per requirement
18	Normal Saline	As per requirement
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide all facilities including equipment, instruments for Amraze Jild Wa Tazeeniyat and for providing clinical teaching and training.		

SCHEDULE-XX

(see regulation 14)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS ETC.,
FOR YOGA AND RIYAZAT UNDER THE DEPARTMENT OF TAHAFUZI WA SAMAJI TIB IN THE
ATTACHED TEACHING HOSPITAL**

Serial No.	Equipment and Instruments	Sixty students intake capacity	One hundred students intake capacity	One hundred fifty students intake capacity	Two hundred students intake capacity
(1)	(2)	(3)	(4)	(5)	(6)
1	Yoga mat	Five	Ten	Fifteen	Twenty
2	Yoga folded blanket	Five	Ten	Fifteen	Twenty
3	Yoga foam rollers	As required			
4	Yoga exercise ball	As required			
5	Yoga wheel	As required			
6	Yoga wedge	As required			
7	Yoga wooden block	As required			
8	Yoga bolster	As required			
9	Yoga sandbag	As required			
10	Yoga belt or straps	As required			
11	Yoga -Resistance band	As required			
12	Meditation cushion	As required			
13	Meditation chair or Backless chair	As required			
14	Yoga anti-gravity wall rope full set	As required			
15	Yoga head stand bench	One	One	Two	Two
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide all facilities including equipment, instruments for Yoga and Riyazat and for providing clinical teaching and training.					

SCHEDULE-XXI

(see regulation 14)

**MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS FOR CLINICAL LABORATORY UNDER THE
DEPARTMENT OF MAHIYATUL AMRAZ (PATHOLOGY) IN THE TEACHING HOSPITAL**

Serial No. (1)	Equipment and Instruments (2)
Haematology or Pathology Section	
1	Fully or semi-automated haematology analyser
2	Binocular microscope
3	Colorimeter
4	Other necessary equipment/instruments
Biochemistry Section	
1	Fully or semi-automated biochemistry analyser
2	Electrolyte analyser
3	Centrifuge
4	Hot air oven
5	Chemiluminescence or Enzyme-Linked Immunosorbent Assay (ELIZA)
6	Glycated Haemoglobin (HbA1C) analyser or Card based
7	Other necessary equipment or instruments
Microbiology Section	
1	Binocular microscope
2	Incubator
3	Autoclave (vertical)
4	Hot air oven
5	Automated blood culture system
6	Bio-safety cabinet
7	Other necessary equipment and instruments
Note: 1. The listed items in the table are minimum essential standard requirements. However, the department shall maintain all facilities including equipment, instruments, medicines etc., for conducting routine haematological, pathological, biochemical and microbiological diagnostic tests. 2. The requirement of equipment and instruments mentioned for clinical laboratory in Schedule-XXI is applicable only for the new colleges to be established after notification of this regulation; All existing colleges (before notification) are permitted to continue with the existing facilities in clinical laboratories; however, they are allowed to upgrade the facilities as per their requirements in the future. 3. For higher diagnostic tests, the college may have a tie-up with the nearest National Accreditation Board for Testing and Calibration Laboratories -accredited diagnostic laboratory.	

SCHEDULE-XXII

(see regulation 14)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF RADIOLOGY SECTION/IMAGING SECTION UNDER THE DEPARTMENT OF MAHIYATUL AMRAZ (PATHOLOGY) IN THE TEACHING HOSPITAL

Serial No. (1)	Equipment or Instrument (2)	Requirements (3)
1	X-Ray unit with machine and accessories	Essential
2	Ultrasound scan	
3	Electrocardiogram Machine	
4	Digital X-ray	Desirable
Note: For higher imaging studies such as Computed tomography, Magnetic Resonance Imaging, Positron Emission Tomography, Doppler etc., college may have tie-up with nearest National Accreditation Board for Testing and Calibration Laboratories accredited diagnostic center.		

SCHEDULE-XXIII

(see regulation 14 and 18)

MINIMUM ESSENTIAL STANDARDS: REQUIREMENTS OF EQUIPMENT AND INSTRUMENTS FOR OUT-PATIENT DEPARTMENTS IN THE TEACHING HOSPITAL

Serial No. (1)	Out-Patient Department (2)	Equipment and Instrument (3)	Required Quantity (4)
1	Moalajat (Medicine)	Stethoscope	Four
		Blood Pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Tuning forks	Assorted
		Face Mask	As required
		Surgical gloves	As required
2	Ilaj bit Tadabeer (Regimenal Therapy)	Stethoscope	Four
		Blood Pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Tuning forks	Assorted
		Surgical gloves	Assorted
		Face Mask	As required
		Instruments and equipment for the therapy section (male and female) attached to Out-Patient Department to perform Ilaj bit Tadabeer Out-Patient Department based procedures	As required
3	Jarahat (Surgery)	Stethoscope	Four
		Blood Pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Proctoscope (Assorted sizes)	As required

		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Tuning forks	Assorted
		Surgical gloves	Assorted
		Cheete's forceps	Four
		Face Mask	As required
		Instruments and equipment for the minor surgical therapy section (male and female) attached to Out-Patient Department to perform Out-Patient Department based surgical procedures.	Assorted
4	Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology)	Stethoscope	Four
		Blood Pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Surgical gloves	Assorted
		Face Mask	As required
		Magnifying Lens	One
5	Ain Uzn Anaf Halaq wa Asnan (Ophthalmology, Ear, Nose and Throat and Dentistry)	Stethoscope	Four
		Blood pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Autorefractometer (refractometry or optometry)	One
		Ophthalmoscope or Fundoscope	One
		Slit eye lamp	One
		Otoscope	One
		Audiometry	One
		Bulls lamp	One
		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Tuning fork	Assorted
		Surgical gloves	Assorted

		Face mask	Assorted
		Cheatle's forceps	Four
		Instruments and equipment for the minor surgical therapy section (male and female) attached to Out-Patient Department to perform Out-Patient Department based procedures under Ain Uzn Anaf Halaq wa Asnan	Assorted
6	Qabalat wa Niswan (Obstetrics and Gynaecology)	Stethoscope	Four
		Blood pressure Apparatus	Two
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Measuring tape	Two
		Height measuring stand	One
		Weighing machine	One
		Gynaecological Examination table	One
		Lamp stand	One
		Surgical gloves	Assorted
		Sim's speculum	Two
		Face mask	Assorted
		Cusco's speculum	Two
7	Ilmul Atfal (Paediatrics)	Stethoscope	Four
		Paediatric stethoscope	Four
		Blood pressure Apparatus with different cuff	Two
		Blood pressure Apparatus with Paediatric cuff	Four
		Knee Hammer	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Ten
		Measuring tape	Two
		Height measuring stand	One
		Examination table	One
		Neonatal weighing scale	One
		Paediatric weighing scale	One
		Infantometer	One
		Scale (Baby weighing)	One
		Face mask	Assorted
		Surgical gloves	Assorted
8	Tahaffuzi wa Samaji Tib (Preventive and Social Medicine)	Stethoscope	Two
		Blood pressure Apparatus	Two
		Torch	One
		X-Ray viewing box	One

		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Three
		Measuring tape	One
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Surgical gloves	As required
		Body temperament assessment chart	One
		Body Mass Index machine	One
		Face mask	Assorted
		Information, Education and Communication Material	As required
		TST (Tahaffuzi wa Samaji Tib) Health card	As required
9	Tibbul Qanoon wa Ilmul Samoom (Forensic Medicine and Clinical Toxicology) under the department of Tahaffuzi wa Samaji Tib (Preventive and Social Medicine)	Stethoscope	Two
		Blood pressure Apparatus	Two
		Torch	One
		X-Ray viewing box	One
		Thermometer	Two
		Thermal Scanner	One
		Pulse oximeter	One
		Tongue depressor	Three
		Measuring tape	One
		Height measuring stand	One
		Weighing machine	One
		Examination table	One
		Surgical gloves	As required
		Body temperament assessment chart	One
		Body Mass Index machine	One
		Face mask	Assorted
		Information, Education and Communication Material	As required
10	Isabat (Casualty)	Equipment, Instrument and Furniture	As required
		Motorised bed 4 section with mattress	As per requirement (see - regulation 14 sub-(3) clause(xi) (C)
		Footstep	As per number of beds
		Intravenous (IV) stand with stainless steel rod and castor base	As per number of beds
		Wheelchair	As required
		Patient transfer stretcher trolley	As required
		Drug trolley	As required
		Portable X-Ray Machine	One
		Suturing set	As required
		Multi para monitor	One
		Suction Machine	One
		Suction catheter	As required
		Resuscitation kit	As required
		Oxygen Unit with Nasal Hood/Mask	As required

		Laryngoscope	One
		Endotracheal tube	As required
		Ambu bag with different mask	As required
		Defibrillator	One
		Electrocardiogram and Monitor	Two
		Blood pressure Apparatus	Two
		Neonatal/Paediatric Blood pressure cuff	One
		Stethoscope	Two
		Torch	Two
		Examination Table	One
		ICU-Thermometer	Two
		Neonatal Intensive Care Unit Thermometer	Two
		Tongue depressor	Two
		Weight and height measuring stand	One
		Measuring tape	Two
		Knee hammer	Two
		Wheelchair	Two
		Diagnostic Electrocardiogram Machine Twelve Channel	One
		Stretcher cum Trolley	Two
		Intravenous Stand	Two
		Emergency Drugs	As required
11	Screening Out-Patient Department	Stethoscope	Three
		Blood Pressure Apparatus	Three
		Clinical thermometer	Three
		Thermal scanner	Three
		Height measurement stand	Two
		Weighing machine	Two
		Mizaj assessment chart	As required
Note: The listed items in the table are minimum essential standard requirements. However, the department shall maintain and provide facilities including equipment, instruments, medicines etc., for conducting Out-Patient Department clinical activities and for providing clinical teaching and training.			

Dr. B. L. MEHRA, Secy.

[ADVT.-III/4/Exty./654/2023-24]

ANNEXURES**Annexure-I****FORM-A****APPLICATION FOR PERMISSION TO ESTABLISH NEW UNANI MEDICAL COLLEGE (UNDERGRADUATE)**

(See regulation18)

Sl.No.	Particulars	Details
Part-I: Applicants Details		
1	Name of the applicant (in BLOCK letters)	
2	Complete Address with Pin code	
3	Official Telephone Number and Mobile Number	
4	Official E-mail ID	
5	Status of applicant whether State Government or Union Territory or University or Trust or Society	
6	Composition of the Trust or Society	

7	Registration or incorporation of the trust or society of the applicant body (Number and date, if any)	
8	Type of institution (Govt or Govt Aided or Private or Deemed University)	
9	Is there any other Unani Medical College run by the same trust or society or university	Yes/ No
	If yes, mention the distance between two colleges	
	Provide Global Positioning System link of the college along with print copy of the same	
10	Financial Capability: Balance Sheet for the last three years to be provided if the applicant is a Trust or Society. Details of the financial resources to be furnished.	
11	Annual Audit Report (Enclose copy of audit report of last three years)	
12	Means of financing the project:	
	Contribution of the Applicant (attach proof)	
	Grants (Attach Proof)	
	Donations (Attach Proof)	
	Equity (Attach Proof)	
	Term Loans (Attach Proof)	
	Other Sources, if any (Attach Proof)	
Part-II: Fee Details		
13	Application Fee Transaction ID	
	Processing Fee Transaction ID	
	Any other fee specified by the Medical Assessment and Rating Board for Indian System of Medicine/National Commission for Indian System of Medicine from time to time	
Part-III: Essential Requirement Details		
14	Date of 'Essentiality Certificate' or 'No Objection Certificate' issued by the State Government or Union territory Administration.	
15	Validity of Essentiality Certificate or No Objection Certificate	From ----- To -----
16	Name and address of affiliating University	
	Date of Consent of Affiliation for the scheme	
	Years of Consent of Affiliation for the scheme	From ----- To -----
Part-IV: Details of the proposed College		
17	Name of the proposed Unani Medical College	
18	Complete address with pin code	
19	Name of the Principal of the proposed college	
20	Proposed annual student intake capacity (60 or 100 or 150 or 200)	
21	Official telephone number and mobile number	
22	Official e-mail ID	
23	Provide Global Positioning System (GPS) link of the College and Hospital along with print copy of the same	
24	Total area of the land	
25	Land is on lease or own	
	If it is on lease, Duration of lease period.	
	Tax paid receipt of land, prior to two years from the last date of submission of application	

	Non-encumbrance certificate	
26	Category of Land (Tier I and Tier II)- attach proof from the local authority	
27	Relevant building permissions from the concerned authorities	
28	Attach the true copy of building plan approved by local authority and endorsed by the architect	
Part-V: Establishment of the College (Phase-I) Details		
29	Administrative section	
30	Central library	
31	Digital library	
32	Teaching Departments:-	
	Kuliyat (Basic Principles of Unani Medicine) Department with a.Kuliyat Umoore Tabiya Practical Laboratory cum Tutorial Room b.Museum cum Tutorial Room for Tareekh-e- Tib c.Language Laboratory	
	Tashreehul Badan(Anatomy) Department with a.Dissection Hall b.Practical lab c.Museum cum Tutorial room	
	Manafeul Aza (Physiology) Department with a.Practical Lab b.Tutorial room	
33	Lecture halls	
34	Herbal garden	
35	College website	
36	Biometric Attendance System (as specified by the commission)	
37	Hostels (Boys and Girls separately)	
38	Canteen	
	Other requirements:	
39	Examination/Multipurpose/Yoga and Riyazat /Conference Hall	
40	Clinical Skill or Simulation Laboratory with twenty-five per cent simulators or manikins	
41	Information Technology infrastructure	
42	Human Resource Development Cell Room	
43	Research and Innovation Cell Room	
44	Student amenities	
45	Staff amenities	
46	Common room for Boys and Girls separately	
47	Common room for Teaching faculty members	
48	College Council room	
49	Student Council room	
50	Student Support and Guidance Cell room	
51	Internal Quality Assurance Cell room	
52	Pharmacovigilance Cell room	
53	Central workshop	

54	Closed-circuit television facility	
55	Human resources of the college:-	
	Teaching staff (as per Phase-I requirement)	
	Non-teaching staff	
Part-VI: Banking Details of the College		
56	Name of the account	
	Account number in college name	
	Name of the Bank	
	Name of the branch of the bank with IFSC code	
Part-VII: Details of the Hospital		
57	Name of the attached hospital of the proposed college	
58	Date of establishment of the hospital	
59	Registration certificate of the hospital (attach the copy)	
60	Proof of ownership of existing hospital (attach the copy)	
61	Panchayat License	
62	Hospital building occupancy certificate	
63	Hospital building completion certificate	
64	Pollution control certificate	
65	Fire safety certificate	
66	Bio-medical waste management agreement	
67	Renewal of the necessary permission from local or concerned authorities and validity period (attach proof)	
68	National Accreditation Board for Hospitals Certificate (level, validity, and date)	
69	Permission for X-Ray unit	
70	Bed strength in In-Patient Departments (IPD):-	
	Moalajat (Medicine) including the bed strength of Ilmul Samoom(Clinical Toxicology)	
	Ilaj Bit Tadabeer(Regimenal Therapy)	
	Amraze Jild Wa Tazeeniyat (Dermatology and Cosmetology)	
	Ilmul Atfal (Paediatrics)	
	Jarahat (Surgery)	
	Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Denistry)	
	Qabalat wa Niswan (Obstetrics and Gynaecology)	
71	Out-Patient Department:	
	Screening Out-Patient Department	
	Moalajat (Medicine)	
	Ilaj Bit Tadabeer (Regimenal Therapy) including therapy or minor procedure room	
	Jarahat Surgery including minor procedure room	
	Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Denistry) including minor procedure room	
	Qabalat wa Niswan (Obstetrics and Gynaecology) including procedure room	
	Ilmul Atfal (Paediatrics)	
	Tahaffuzi wa Samaji Tib (Preventive and Social Medicine)	
	Ilmul Samoom (Clinical Toxicology)	

	Amraze Jild wa Tazeeniyat (Dermatology and Cosmetology) including minor procedure room	
	Isabat (Emergency or Casualty)	
	Specialty Out-Patient Department (if any, specify)	
72	Total number of Out-Patient Department attendance in the last two years from the date of application	
73	Average number of Out-Patient Department per day in the last two years from the date of application	
74	Average bed occupancy in the last two years from the date of the application	
75	Clinical laboratory	
76	Radiology or Imaging Section	
77	Pharmacy or Drug store or Dispensary	
78	Ilaj Bit Tadabeer (Regimenal Therapy) Therapy or Procedure section	
79	Jarahat (Surgery) including Operation theatre and Minor operation theatre	
80	Ain, Uzn, Anaf, Halaq wa Asnan (Ophthalmology, Ear, Nose, Throat and Denistry)	
81	Ghurfatul Wilada (Labour Room and Maternity Operation Theatre)	
82	Physiotherapy unit	
83	Yoga and Riyazat section	
84	Human resources in the hospital	
	A. Hospital staff existing and relieved for two years before submission of application (with details of name, designation, section or unit, qualification, experience, appointment order, joining letter and date, relieving letter and date, state registration certificate or teachers code in applicable cases), Zone-wise, -	
	Administration zone	
	Reception and Registration Zone	
	Out-Patient Department Zone	
	In-Patient Department Zone	
	Diagnostic Zone	
	Procedural Management Zone	
	Services Zone	
	B. Modern Medical Staff Details	
85	Hospital Record (tick whichever is applicable)	Computerized or Manual
Part-VIII: Banking Details of the Hospital		
86	Name of the Account	
	Account number in hospital name	
	Name of the Bank	
	Name of the branch of the Bank and IFSC code	
	Following details are required for two years or 24 months prior to the date of submission of application:-	
	a. Bank details of salary paid to hospital staff (month-wise)	
	b. Details of purchase of medicines (attach indents and payment proof)	
	c. Details of purchase of hospital consumables (attach indents and payment proof)	
	d. Details of payment of relevant taxes (attach copy)	
	e. Details of hospital income (attach copy)	
	f. Employees Provident Fund (EPF) and Employees State Insurance (ESI) details	

87	Whether Hospital established or developed phase-wise			Yes/No	
	If yes, provide details phase-wise details				
	Phase or Stage	Period		Details of Establishment of Development	Performance or Functionality
		From	To		
	First				
	Second				
	Third				
Fourth (Final)					

Signature of applicant

Full Name

Place:

Date:

List of enclosures:

1. Certified copy of Bye Laws/Memorandum and Articles of Association or Trust deed with name of trustees.
2. Certified copy of certificate of registration/incorporation of trust or society.
3. Annual reports and audited balance sheets for the last three years.
4. Certified copy of the title deeds of the total available land as proof of ownership or lease agreement deed.
5. Certified copy of zoning plans of the available sites indicating their land use.
6. Proof of ownership of existing hospital with Hospital Registration Certificate and its validity period.
7. Certified copy of the 'Essentiality Certificate' or 'No Objection Certificate' issued by the respective State Government or Union Territory Administration at the proposed site for the applied academic session.
8. Certified copy of the 'Consent of Affiliation' issued by recognised University established under any Central/State/Union Territory statute for establishing a new Unani Medical College for the applied academic session.
9. Accreditation certificate issued by National Accreditation Board for Hospitals.
10. Authorization letter addressed to the bankers of the applicant authorizing the Medical Assessment and Rating Board for Indian System of Medicine/National Commission for Indian System of Medicine to make independent enquiries regarding the financial track record of the applicant.
11. Furnish affidavit stating that the land and buildings designated for Unani Medical College and attached teaching hospital are exclusively for conducting Unani courses recognised by Board of Unani, Siddha and Sowa-Rigpa/National Commission for Indian System of Medicine.
12. Furnish affidavit stating that the students shall be admitted strictly based on National Eligibility-cum-Entrance Test merit and only through counselling (Central/State/ Union Territory as the case may be) and not beyond the sanctioned student intake capacity specified by the Medical Assessment and Rating Board for Indian System of Medicine.
13. Furnish affidavit stating that the curriculum and syllabus, nomenclature of the course or programme, infrastructure, facilities, and human resources including student-teacher ratio shall be maintained as per the specifications of the Commission specified in the concerned regulations.
14. Furnish affidavit that has not already admitted student in any class or standard or course or training of the proposed Unani Medical College.
15. Furnish an undertaking that the institution is in a position to credit the fixed security deposit valid for a period of five years in favour of National Commission for Indian System of Medicine.
16. Proof of application fee and Processing fee remitted.
17. Copy of bank transaction for the last two year of official bank account: College and Hospital
18. Copy of biometric attendance of hospital staff for the last two years

19. Other enclosures as per the various parts of application form (please indicate details):-

- a. Distribution of land with survey number.
- b. Proof for category of land such as Tier I and Tier II cities (X and Y categories), North-Eastern States, hilly areas and notified tribal areas, a certificate obtained from local authorities.
- c. Non-encumbrance certificate.
- d. Tax paid receipt for land and hospital building.
- e. Building plan approved by local authority and endorsed by the architect.
- f. Area statement certificate authorised by architect.
- g. Panchayat license for establishment of hospital.
- h. Hospital Building Occupancy Certificate.
- i. Hospital Building Completion Certificate
- j. Fire safety certificate.
- k. Disaster management certificate (if any).
- l. Pollution control certificate.
- m. Permission for Radiology unit in the hospital.
- n. Biomedical waste management agreement.
- o. College and hospital building occupancy certificate.
- p. College and hospital building completion certificate.

20. Any other documents as specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time.

(Note: All copies shall be self-attested/by the applicant)

Annexure-II

Form-B

(See regulation 19)

APPLICATION FOR PERMISSION TO INCREASE NUMBER OF SEATS OR ADMISSION CAPACITY OR STUDENT INTAKE CAPACITY IN EXISTING UNDERGRADUATE PROGRAMME IN A UNANI MEDICAL COLLEGE

1	Name of the applicant (in BLOCK letters)	
2	Complete address with PIN code	
	Official Telephone number and Official Mobile number	
	Official e-mail ID	
3	Status of applicant whether State Government or Union territory or University or Trust or Society	
4	Registration or Incorporation of Trust or Society (number and date etc)	
5	Name and address of the Unani Medical College	
6	Category of permission status: Extended Permission or Yearly Permission at the time of submitting application or scheme or proposal	
7	Institution has rated as Grade 'A' or Grade 'B' at the time of submitting application or scheme or proposal	
8	Date of 'Essentiality Certificate' or 'No Objection Certificate' issued by the State Government or Union territory Administration.	
9	Name and address of Affiliating University Date of first affiliation Date of first affiliation for the new scheme or proposal	

10	Year of admission of first batch for undergraduate course	
11	Month and year of course completion of first batch of admitted students	
12	Number of seats approved and date of recognition or permission by the Medical Assessment and Rating Board for Indian System of Medicine or erstwhile Central Council of Indian Medicine for existing undergraduate course	
13	Name of the course of study applied for the increase in seats or student intake capacity or admission capacity	
14	Number of seats applied for an increase in seats or student intake capacity or admission capacity (60 or 100 or 150 or 200), specify	
15	Details of: a. Additional financial allocation b. Additional space, equipment, and other infrastructural facilities in respect of increase in student intake capacity c. Recruitment of additional staff (teaching staff, non-teaching staff and hospital staff) in respect of increase in student intake capacity	
16	Fee details:-	
	Application fee Transaction ID	
	Processing fee Transaction ID	
17	Any other relevant information

List of Enclosures:

1. Attested copy of the 'Essentiality Certificate' or 'No Objection Certificate' issued by the respective State Government or Union Territory Administration in the prescribed format.
2. Attested copy of the 'Consent of Affiliation' from the recognised University to which the college or institution is affiliated in the prescribed format.
3. Authorisation letter addressed to the Bankers of the Applicant authorising the Medical Assessment and Rating Board for Indian System of Medicine or National Commission for Indian System of Medicine to make independent enquiries regarding the financial track record of the medical college or institution.
4. Attested copy of the letter from the Medical Assessment and Rating Board for Indian System of Medicine, National Commission for Indian System of Medicine or erstwhile Central Council for Indian System of Medicine approving recognition of the college or institution, if already permitted to conduct undergraduate degree course.
5. Affidavit stating that the students shall be admitted strictly based on National Eligibility-cum-Entrance Test merit and only through counselling (Central Government or State Government or Union territory Administration as the case may be) and not beyond the sanctioned student intake capacity specified by the Medical Assessment and Rating Board for Indian System of Medicine.
6. Affidavit stating that the human resources as per student-teacher ratio shall be maintained in respect of increase in student intake capacity as mentioned in concerned regulations.
7. Proof of application fee and processing fee remitted.
8. Other enclosures,-
 - a. Certified copy of Bye laws or Memorandum and Articles of Association or Trust deed with name of trustees and renewed copy of trust or society registration or incorporation.
 - b. Certified copy of the land documents as a proof of ownership or lease agreement deed.

- c. First hospital registration certificate or renewed as a proof of ownership of existing hospital.
 - d. Fire safety certificate.
 - e. Disaster management certificate (if any).
 - f. Pollution Control certificate.
 - g. Biomedical waste management agreement.
 - h. College and hospital building occupancy certificate.
 - i. College and hospital building completion certificate.
 - j. Building plan approved by local authority and endorsed by the architect.
 - k. Area statement certificate authorised by architect.
 - l. Purchase bills of equipment, instruments etc for the increase in intake capacity in existing undergraduate programme.
 - m. List of medicines prepared or purchased with bills for the last one year.
 - n. List of raw drugs purchased with bills for the last one year.
 - o. Intent register for the last one year (college and hospital).
 - p. Stock register for the last one year (college and hospital).
 - q. Consolidated data of hospital: Patient data (out-patient departments, in-patient departments and bed occupancy) for the last one year
 - r. Tax paid receipt for land, building including hospital building.
 - s. Furnish an undertaking stating that the institution is able to credit the fixed security deposit valid for a period of five years in favour of the National Commission for Indian System of Medicine.
 - t. Furnish an undertaking stating that the institution has fulfilled all minimum essential standards mentioned in these regulations including new minimum essential standards with building infrastructure specified in the timeline under chapter-V in accordance with the proposed intake capacity.
9. Other enclosures of the documents as specified by the Medical Assessment and Rating Board for Indian System of Medicine from time to time.

Note: All the copies shall be self-attested.

Annexure-III

FORM-C

(See regulation 18)

(To be issued by State Government/UT)

ESSENTIALITY CERTIFICATE OR NO OBJECTION CERTIFICATE TO ESTABLISH A NEW UNDERGRADUATE UNANI MEDICAL COLLEGE

Ref. No.....

Dated.....

Basic details of Applicant		
1	Name of the Applicant (with address)	
2	Type of institution (Government or Aided or Private or Deemed University)	
3	Name of the proposed Unani Medical College or Institution	
	Address of the proposed College or Institution	
	Proposed student intake capacity (60 or 100 or 150 or 200)	
4	Whether the applicant is already running Unani Medical College (s)	Yes or No
5	If yes, what is the distance between the nearest college and the proposed college (if the distance is twenty five or less than twenty five Kilo meters No Objection Certificate or Essentiality certificate shall not be issued)	

Other details		
6	Number of Unani institutions already existing in the State	
7	Doctors (registered medical practitioners of all systems) to Population ratio in the State or Union Territory	
8	Scope of availability of clinical material (patients) in the proposed area of establishment of new Unani Medical college	Poor or Adequate
9	Registration number of the hospital	
10	Restrictions imposed by the State government, if any, on students who are not domiciled in the state from obtaining admissions in the state, have to be specified.	

ESSENTIALITY CERTIFICATE/ NO OBJECTION CERTIFICATE

The Essentiality certificate or No Objection Certificate is issued to ----- (name of the applicant) for the establishment of ----- (name of the proposed college or institution) at ----- (address of the proposed college or institution) with student intake capacity of ----- (60 or 100 or 150 or 200). This certificate is issued in consideration of above details or facts or conditions.

This certificate is valid for two consecutive academic sessions from the date of issue of the certificate.

The Essentiality Certificate or No Objection Certificate is issued on the following term and conditions:

1. College shall admit the students as per the sanctioned student intake capacity by the Medical Assessment and Rating Board for Indian System of Medicine only after obtaining due permission from the Medical Assessment and Rating Board for Indian System of Medicine of National Commission for Indian System of Medicine.
2. College shall not have any-other colleges or conduct any other courses or programs in the same premises unless otherwise permitted by the Medical Assessment and Rating Board for Indian System of Medicine.
3. College shall maintain all the minimum essential standards in terms of infrastructure, human resources and functionality as specified by the National Commission for Indian System of Medicine in accordance with student intake capacity.
4. College shall admit National Eligibility-cum-Entrance Test eligible students the students as per the regulation or guidelines or policy framed by the National Commission for Indian System of Medicine from time to time.
